

### Dwelling Burns At Springfield

The home of Mr. and Mrs. Eston Waite at Springfield, near O'Leary was completely destroyed by fire about six o'clock last Monday evening. Some furniture on the ground floor was all that was saved from the blaze which was reported to have broken out on the second floor.

The O'Leary Fire Brigade arrived in time to save the barn which was directly in the path of wind-blown flames.

The house was occupied by Mr. and Mrs. Waite and their three children. It is understood some insurance was carried.

### Sept-iles Base Water Polluted

SEPT-ILES, Que. (CP) — Officials at the RCAF base in nearby Moisie have ordered the evacuation of a dozen air force families from houses in an area where water supplies have become polluted. The houses are served by springs.

The evacuation order came while precautions were being taken against a possible outbreak of typhoid fever. Two children from this town 350 miles northeast of Quebec City died of typhoid several weeks ago.

Personnel at the base and their dependents are being inoculated against typhoid.

Mayor Wilfrid Gallienne of Moisie said he will attempt to obtain more information from the RCAF on the reasons for the evacuation of the 12 families.

### Tour Director Claims Shooting Was Accidental

CIUDAD TRUJILLO, Dominican Republic (AP) — Richard Weldy, trapper and jungle tour director, claimed Wednesday it was an accident when he wounded Confidential magazine's publisher Robert Harrison.

"I never had any intention of hurting Harrison, although I was sore because of the story in the magazine," he told reporters. He said his rifle fell and went off accidentally during a heated argument.

"The story" in the current issue of Confidential concerns Weldy and his former wife, Peruvian beauty Pilar Palette, and purported circumstances of her meeting and marriage with movie actor John Wayne.

Weldy said Harrison was wounded only slightly in one arm.

**COLD HAVE KILLED**

A reporter asked Weldy if he could have killed Harrison if he wanted to.

"Naturally," Weldy replied. "I am a good shot. But it is not my nature to hurt anybody. I don't even kill animals."

Dominican police put Weldy under arrest. They said they will not decide whether to prosecute him until they hear Harrison's account of the shooting Tuesday in the Jarbaoca mountain district where the 50-year-old scandal magazine publisher was hunting with a colleague and a woman night club singer.

Harrison was not available to reporters Wednesday night.

### Arabs Direct Protest At Burns

DAMASCUS, Syria (AP) — The Syrian defence minister said Wednesday the Arab states bordering Israel have instructed their UN delegates to file unilateral protests directed at truce supervisor Maj.-Gen. E. L. M. Burns of Canada.

Defence Minister Abdul Hasib Raslan said instructions to file protests with UN Secretary-General Dag Hammarskjold had gone out to the UN delegates of Syria, Egypt, Lebanon and Jordan.

The protests will express "Arab uneasiness over Burns' pro-Israel attitude" during recent months, he said.

Asked whether the Arab countries would demand the removal of Gen. Burns as UN truce supervisor, Raslan said, "If he changes his present attitude we will be satisfied."

### Alberton And W. Prince Trade Board Meets

Following a summer recess of three months, the Alberton and West Prince Board of Trade met in regular session last evening at O'Leary with president J. Frank Ryan presiding. Minutes and correspondence were read by the secretary, C.R. Leard.

Considerable discussion was held on the Alberton harbour improvement survey project and it was decided to extend invitations to Mr. J. Watson MacNaught and Mr. William Agnew to attend the October meeting of the board.

Reports were heard from the agriculture and fisheries committees.

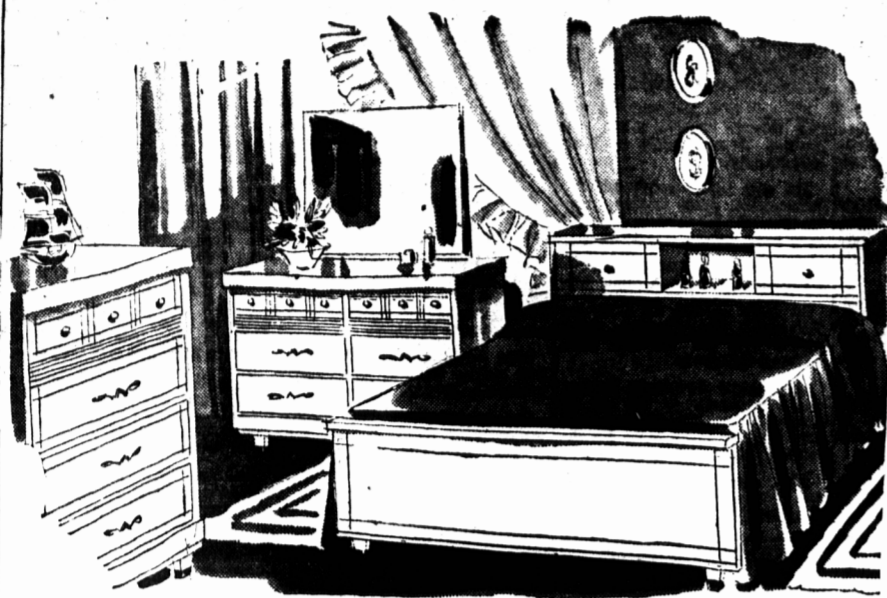

Mr. Earle Atkinson, chairman of the aquatic sports day committee presented an encouraging report, financially and from the angle of tourist promotion, on aquatic day activities.

On motion of Dr. L.G. Dewar, seconded by Ralph Adams, a vote of thanks was extended Mr. Atkinson and it was also approved that letters of thanks be sent to a number of individuals from Summerside and Charlottetown who helped make the day a success.

Following arrangements for a show in O'Leary in the near future, the meeting adjourned.

The next meeting will be in November and October 1956.
