HAVE A GUESS.

Oh, wheelmen, all take my advice,
And don't forget, be sure
To take a look at the famous "Bike"
In PROWSE'S well-known Store.

The handsome Brantford Bicycle
That in their window's shown
Is as good as any in Charlottetown,
And it may be your own.

A jar in which are cents galore
Is placed where all can see;
Guess how many cents the jar contains
And the "Bike" your own will be.

Be wise, make all your purchases
At PROWSE'S Clothing Store;
Each purchase, on that Bicycle,
Will give you one chance more.

Their Carpets, Hats and Furnishings,
And all, in fact, they keep,
Compared with others in the town
Are more than quite as cheap.

The prize winners in the Bazaar Co's. Room Paper (Problem) competition are : 1st, H. E. Sterns, Hillsborough St. 2nd, Geo. W. McLeod, Fitzroy Street; 3rd, R. E. Smith, Great George Street.

They show that a 16 yard roll contains 74 square feet.
" " 12 " " 63 "
Difference in favor of the 16 yard roll, 11 "
or 1584 square inches.
That the number of 16 yard rolls required, $8\frac{24}{37}$
" " 12 " " $10\frac{19}{21}$
Difference in cost at 69c. per roll, $93\frac{113}{259}$c.

or that if they had to buy whole rolls, the difference would be still greater, it taking, of 16 yard rolls, 9; of 12 yard rolls, 11. The difference then would be $1.20 in favor of 16 yard paper.

☞ Note that the difference, 93c., is correct, as we do sell a portion of a roll.

It is not hard to see from the above that the difference in the two rolls is considerable. Therefore we repeat : "Do not imagine you are getting a DOUBLE roll of English Paper"; it has only 12 yards., 1584 square inches less than a double.

We justly claim to lead in the Wall Paper business—sell 16 yards for a double roll—have the very latest American and Canadian Paper. We will sell any portion of a roll or take back any that is left. Prices away down.

Ladies Costumes

Ladies have a great deal of trouble in selecting dress goods. The variety is great. The quality is various and the merit claimed is sometimes more than the possession. When ladies are desirous of obtaining the finest grade of Black Dress Goods, they should ask to see Priestley's dress fabrics. These, as is well known, are the *ne plus ultra* of durability, beauty and delicacy of texture. They have long been the favorite dress goods of well dressed English women. The Americans prefer them to French goods. Canadian ladies can obtain them from reliable dealers. Ladies should always ask for Priestley's Dress Goods.

Miss Christina McMillan, teacher, presided at the organ. Altogether, the whole entertainment was very satisfactory and reflected much credit on the club, as well as on the managing committee. When the programme was exhausted it was announced that the same entertainment would be rehearsed in the court house at Dundas on Thursday night following. In accordance with this announcement, a large audience was present at the above-mentioned place, where the same programme was presented in good style. For upwards of two hours and a half the audience was spellbound by the conduct of the different characters. Mr. Lemuel Miller conducted the meeting, and the best of order prevailed. At the close, a vote of thanks was tendered the club; and after singing God save the Queen, the audience dispersed, highly pleased with the evening's entertainment.

Queen Victoria received the composer Pietro Mascagni at the villa Fabbricotti, a few days ago, and asked him to play some selections from Cavalleria Rusticana, his opera. The composer settled himself at the piano and complied with the request. Her Majesty then asked him to sing. At this he rebelled, however, saying he could not sing well enough to entertain a Queen. Her Majesty has invited Mascagni to visit her at Windsor.

Priestley's Cravenettes may be had in all the newest fabrics. Absolutely rain-repelling they are not to be distinguished from the same goods not waterproofed. This is their great merit. Cravenette includes serges and all dress fabrics. They are perfectly porous, non-odorous, and they never change in appearance. These are merits which no other waterproofing process has been able to demonstrate. They are rolled on "The Varnished Board" like all Priestley's dress goods.

I am pleased to recommend Skoda's Discovery

of Skoda's other remedies, as I know them to be articles of true merit, and as physicians who compound them, of much ingenuity and ability. Skoda's Discovery is unlike any other proprietary medicine—it cures disease by removing the poison, and at the same time SUPPLIES GOOD BLOOD to wasted parts. It is purely a blood purifier, and is not to be confounded with those worthless mixtures of roots or refined sugar and water, which are sold as blood purifiers.
