Ottawa Hoopsters In 84-52 Victory Over Local Team Last Night

A slick band of hoopsters playing for the Ottawa Y.M.C.A. last night won their first game in their Maritime tour when they whacked the local Y.M.C.A. All-Stars juvenile aggregation by a score of 84-52. The game was played on the P.W.C. auditorium floor before a large crowd of fans and was full of action from whistle to whistle.

The expert ball handling and superior height of the visitors spelled defeat for the hard fighting locals but the latter were in the game all the way as they hustled but fell prey to the smooth working Capitals.

Leading the Caps to their win was the high flying Bob Abelson who racked up a total of 22 points with 17 of them coming in the first half of the game. It was one of the best games of the season and saw a record for first half scoring being made. The score at the half was 43-32 for the Caps.

Sid Addelman was next in scoring for the visitors as he accounted for 15 points while Don Landreville had an even dozen for the winners. High scorer for the locals was Howard Glover who notched 14 points before fouling out of the game in the second half. Charlie Hine and Barry MacMillan each had a dozen for the losers.

Outstanding in a winning cause for the Caps was the defensive work of Shirley Kehoe. Kehoe racked up eight points in addition to being the outstanding defensive star of the encounter. Donnie Burgess played a good defensive game for the losers.

In the first half of the game the losers were out in front by five points midway during the canto but had to yield to smooth working Caps who went on scoring spree to lead at the half. They opened it fast in the second stanza and the winners went to work on the losers as they passed long and often to break away from the fighting locals.

The visiting team were high in their praise for the excellent work of both referees Earl Nicholson and Jack MacAndrew who turned in a top display of officiating during the game.

Captain of the visitors Arnold Fraser and manager Howard MacEwing also were complimentary on the local team's performance. Both agreed it was the best game of their tour, and judging by the cheering of the fans in attendance, it really went over big with them too.

The timers for the game were Bill Leonard and Howie MacEwing. The Capitals next stop in their tour is scheduled tomorrow night in Amherst. The crowd is indicative that basketball is on its way back to Charlottetown.

Island Junior Hockey Players Invited To School

Island junior hockey players between the ages of 16 and 19 have been invited to attend a Maritime junior hockey school to be held at Halifax on April 19th to 21st, under the sponsorship of St. Mary's Hockey Club, it was learned here yesterday.

The invitation was received here yesterday by telegram to Mr. Walter Lawlor, 1st vice-president, M.A.H.A. from Judge J. Elliott Hudson, President of the Maritime Senior "Big Four" Hockey League.

In the telegram, Judge Hudson states "they (Halifax St. Mary's Hockey Club) have requested me to issue invitation through you to any boys of above ages (16 to 19 years) in your area. School will be instructed by Marty Barry, of Hershfield, Dugger McNeil and probably somebody from N. H. L. Peel school will be well worthwhile."

The school should be a great opportunity for "Island" junior hockey prospects to get some real first hand instruction on the game from the competent instructors who will be in charge, and all local athletic clubs, team managers, or individuals, contemplating attending, should get in touch with Vice-President Lawlor, so that their names can be submitted for enrollment in the three-day school.

STANLEY SPORTING CLUB

Sir, — The previous weather and ice conditions for the closing out Horse Races on the Stanley speedway, proved a handicap to all concerned. Their score card for that afternoon sport was considered to be the best of the season as their purses for all four classes were made up from the generous donations of our Federal and local members and candidates together with many nice prize from the merchants and business men from all the surrounding districts. Those prizes and purses were a special hang-over from the Goodwill race meet last year on Sunny Green Acres. Now as the boys with the speed are anxiously waiting for Mother Earth to steam out her winter's dampness, with a shift to lighter footwear they will gather again to the gong of the bell. They were delightfully impressed when they heard that Sunny Acres has joined the National Trotting Association, its proprietors, Mr. Mathieson and Son, have arranged for the latest correct measurements and engineers degrees on curves and home stretch. These essential things and a modern up to date grandstand will be erected under rigid inspection. This racing oval has at the present some very outstanding features. Its location and layout was supervised by the noted horseman, Harry O'Brien, Alberton, P.E.I. and without the slightest exaggeration he has placed it among the best in the Maritimes. Its birthplace in this fair Province lives it just half way to everywhere when this extra work is completed and the ground firmed and finished. Those up-to-date air-conditioned barns may be taken over by two of our local horse trainers and fitters in the persons of Mr. Blair Andrew, New Glasgow Mills, and Mr. Max Ferguson of Stanley Bridge. These men are exceptionally well known throughout this land for their skill and knowledge and their admiration of their horses. In a true sense action speaks louder than words. Mr. Ferguson has wintered, broken and jogged two nice Budlongs from Margaret Jean for Mr. A. B. Cutcliffe, Ch'town. The filly "You'll See" goes away on high with the best of manners, ease and action and should figure real good in the futurity class this year.

The younger brother, "Max's Best", is a chip off the old block and will sure have a bright future for any prospective owner. This training centre should be of great interest to the intelligent speed breeders of this province, and from an economical standpoint as the highest quality of feed and bedding is produced by Mathieson and Sons, less the transport charges which is the spotlight of the present day problem.

I am, Sir, etc.,
J. M. QUINN

Red Sox, Dodgers Favored To Win Big League Races

ST. LOUIS, April 12 — (AP) — Boston Red Sox and Brooklyn Dodgers are the favorites to win the major-league baseball races, according to odds released today by J. J. Carroll, St. Louis betting commissioner.

Odds on the Red Sox to win the American League flag are 13 to 10, meaning that a bet favoring the Bostonians could win \$13 on a \$10 wager. Odds on the Dodgers, last year's National League champions, are narrower at 6 to 5.

New York Yankees and St. Louis Cardinals are the runner-up favorites in the American and National Leagues, respectively.

Sees Detroit Tigers As Dark Horses Of League

By Joe Reichler

NEW YORK, April 12 — (AP) — Detroit's improved Tigers are the "dark horses" selection to upset the favored Boston Red Sox and dethrone the defending champion New York Yankees in the American League baseball pennant race. The odds-makers have made the powerful Red Sox a 7-to-5 favorite with the proud Yankees a second choice at 2-1-2 to 1, but neither possesses as strong a pitching staff as the 4-to-1 underdog Tigers.

Pitching is not the only Detroit asset. The outfield is the envy of the league. Tigers own the best third-baseman in the majors and one of the smartest second-basemen. In Red Kille's they have an alert and aggressive manager who did a tremendous job last year, his first with the club.

The Yankees, because of Joe DiMaggio and Joe Page, a fine pitching staff and good reserves, should give the Tigers a battle.

The Red Sox, man for man, have the best front-line team in baseball, but they still haven't adequate reserve strength. The pitching except for Mel Farnell and Ellis Kinder, is uncertain.

Cleveland, no worse than last year, if only by the acquisition of Luke Easter, slugging rookie right-fielder, should finish fourth. Pitching, once Connie Mack's forte, will prevent Philadelphia Athletics from breaking into the first division.

Chicago appears to be the best of the remaining trio. Washington is the worst. That leaves St. Louis Browns in seventh place.

The probable order of finish: 1—Detroit, 2—New York, 3—Boston, 4—Cleveland, 5—Philadelphia, 6—Chicago, 7—St. Louis, 8—Washington.

The Tigers finished fourth last year, 10 games behind Yankees. However, they played the best baseball in the league over the final six weeks.

The Yankees, Red Sox and Indians have made no authentic moves to bolster their clubs since the close of last season. In contrast, the Tigers came up with two neat winter strokes that label them as the team to be feared.

They acquired second-baseman Gerry Priddy from the Browns for \$100,000 and first-baseman Dick Kryhoski from Yankees for Dick Wakefield. They also picked up Charlie Keller, the former Yankee powerhouse, to serve as pinch hitter and reserve outfielder.

Priddy and Kryhoski strengthen the two weakest 1949 spots.

The regular outfield trio of Hoot Evers, Johnny Groth and Vic Wertz may be the League's absolute best. None will cover more ground.

It is on the strength of the mound corps that the Tigers are expected to make a spirited bid for their first flag since 1945. In righthanders Virgil Trucks, Art Houtteman, Freddy Hutchinson and lefthanders Hal Newhouser and Ted Gray, the Bengals have a five unmatched in the League. Together they won 77 games last year.

Big Demand In Toronto For Hockey Tickets

TORONTO, April 12 — (CP) — Toronto fans will continue to swarm out and see Stanley Cup hockey, even after the home-town Maple Leafs are knocked off the championship trail.

That became evident today when Maple Leaf Gardens posted a "standing room only" sign for the games Detroit Red Wings and New York Rangers will play here Thursday and Saturday nights in their best-of-seven Stanley Cup final.

Already the available 12,586 seats have been sold and some standing room has gone too. Official capacity, including standees, is 14,550. Paid attendance at the three Detroit-Toronto games here was 14,563, 13,888 and 14,274.

The Rangers, who eliminated Montreal Canadiens 4-1 in their best-of-seven semi-final round, decided to play two of the final games in Toronto because the circus has taken over their home rink, Madison Square Garden.

The Red Wings reign as favorites in the series, largely because of their 4-1 victory in the opener of the final series Tuesday night. But the Rangers say things will be different from here in.

The Detroit club is staying in Hamilton and coach Tommy Ivan said today that left wing Ted Lindsay, the National Hockey League's scoring champion during the scheduled season, will be back in the line-up tomorrow night.

Lindsay, idle in the opener because of a back injury, remained in Detroit for treatment but is expected to join his team mates tonight.

Left-winger Jimmy Planche of Sherbrooke was taken off the ice at the start of the third period when he injured his left leg.

The Saints, defeated tonight for the first time in eight consecutive starts, reached the Eastern Canada finals by ousting Sydney, N.S., Millionaires in four straight games.

Lee Oma, Vern Mitchell To Meet

BUFFALO, N. Y., April 12 — (AP) — Lee Oma, veteran heavy-weight contender, and Irish Vern Mitchell will meet in a 10-rounder at Memorial Auditorium April 26, the Fairview Athletic Club announced today.

Oma will be risking a tentative title bout in July with the N. B. A. heavyweight champion, Ezzard Charles, when he opposes the 23-year-old Detroit fighter.

In his last two Memorial Auditorium appearances, Dec. 5 and Jan. 4, Oma twice outpointed Freddie Beshore. Beshore will meet Charles here in June, provided the champion passes a physical exam by the New York State Athletic Commission May 10. Charles has bruised a heart muscle.

The Fairview A. C. has said that if Charles successfully defends his title against Beshore, he has agreed to an outdoor championship go with Oma in July.
