NEW YORK

NEW YORK (AP)—The stock market did a good deal of churning in bursts of hectic trading Tuesday, then finished lower in the first session under tighter margin rules.

Many leading issues declined fractions to more than a point. Some losses ranged to almost four points. Oils, tobaccos, some chemicals and aluminum bucked the trend, with gains up to a point or more.

The Associated Press average of 60 stocks fell 90 cents to \$184.90.

Volume was 4,210,000 shares compared with Monday's 4,000,000 shares. It was the fourth 4,000,000-share day in 10 days.

There was a selling rush of big stocks at the opening in response to the increase in margin requirements by the federal reserve board. The board raised the margin on stock purchases to 70 per cent from the 50 per cent prevailing since Jan. 16.

Among Canadian stocks on the New York exchange, Aluminium Ltd. finished unchanged after recovering a loss. McIntyre Porcupine lost 1/4. Distillers-Seagrams %, Canadian Pacific, Hudson Bay Mining and International Nickel % and Dome Mines %.

Seaway Tolls Probe To Be Started Today

OTTAWA (CP) — Criticism of proposed St. Lawrence Seaway shipping tolls may be launched at public hearings opening here today but it appears unlikely it will lead to major changes in toll recommendations.

The hearings, a prelude to official Canada-United States negotiations to set a fixed tolls schedule, have attracted wide interest. Some two dozen briefs are expected to be presented.

Major attack on the tolls, recommended by a committee and made public last June, likely will come from the Welland area which is opposed to the imposition of charges on ships going through the Welland ship canal. There also apparently is some general view that no tolls should be imposed at all, either at Welland or in the Montreal-Lake Ontario area.

BRIEF SESSION The St. Lawrence Seaway Authority will conduct the public sessions, hoping to wrap them up in one or two days.

Similar hearings will be carried out simultaneously in Washington
