ST. JOSEPH'S BAZAAR.—Notwithstanding the very disagreeable state of the weather, St. Joseph's Bazaar, which opened at 11 o'clock this morning, is being well patronized. FROM the beginning of its manufacture until now not a single ounce of any but pure Virginia leaf of the finest quality has been used in the "Myrtle Navy" tobacco. The manufacturers of it have settled belief that the public cannot be misled at this point, and that any tampering with the quality of the brand would be a monetary loss to them. Thousands of dollars a year saved by mixing with an inferior leaf, would not repay them for a doubt on the part of the public as to the quality of their tobacco.
