Joe O'Hara And Mrs. H. Jones Win Nova Scotia Singles Tennis Titles

(C. P. By Guardian's Special Wire) HALIFAX, Aug. 9.—Joe O'Hara, the tireless Irishman from Ottawa, won the men's singles of the Nova Scotia open tennis tournament, defeating Ed Murphy, a fellow townsman, in the final round Saturday. The all-Ottawa final went the full five sets. O'Hara was content in the first two to remain at the baseline and let Murphy take the offensive. After dropping the two sets, the Irishman began to chase everything and hit with greater power, following to the net behind deep drives to the corners. He dropped only two games in the last three sets to win the match, 2-6, 3-6, 6-0, 6-2, 6-0. Mrs. H. Jones of Halifax retained her women's singles title by a long, hard-fought struggle against Miss Jean Wright of Petite Riviere, N. S. Long rallies featured the match which was won by the left-handed champion, 4-6, 6-4, 6-3. Mrs. Jones teamed up with Mrs. F. V. Woodbury of Halifax to defend their women's doubles title, turning back Mrs. H. D. Harvey and Miss W. MacFarlane, both of Halifax, 6-1, 6-2. Mrs. Woodbury and Bev Piers of Halifax won the mixed doubles final against Mr. and Mrs. Roper of Halifax, 5-7, 6-3, 6-4. Mrs. Jones and Mrs. Woodbury were the only double winners in the senior tournament. O'Hara returned to the court with Ivor Preece of Ottawa for the final of the men's doubles, but lost to Don and Gordon Bauld of Halifax in a four-set match. Both teams rushed the net throughout the final that consisted of volleying for the most part. The Baulds started poorly to lose the first set but came back to take the next two. With the score 4-1 against them in the fourth, the Halifax team broke service twice and held the elder brother's serve even it up. They finally won the match, 3-6, 6-4, 6-4, 10-8, after winning O'Hara's service. The Little family had a field day during the presentation of trophies. First, Hugh received two for winning the junior men's singles. He was then presented with two for winning the men's doubles. He and his sister Marion each received prizes for winning the junior mixed. Marion returned to take runner-up prizes in the women's singles and doubles. Then, to top it off, Hugh and his father, Dr. F. Little, received trophies for winning the father and son competition. In the veteran's finals, A. C. Wiswell, Halifax player who won more than one occasion, hit far too hard for H. F. Hutcheson of Charlottetown and won, 7-5, 6-2.

SHEDIAC, N.B., Aug. 9.—Handicape races yesterday ending the first annual regatta of the Northumberland Straits Yachting Association were led by Dr. Lee Allanach, Moncton, piloting the Vestra. In second place, on the point system, were Stanton and Straight from Summerside, P. E. I., in their Goldfinch. Dawn, piloted by Donald Storey, Moncton, was third. Craft flying insignia of Prince Edward Island clubs won two events held Friday. The fleet yacht Onawa, sailed by L. H. Coffin, Montague, captured the class race and the Goldfinch, handled by the team of Stanton and Straight from Summerside, took first place in the class 4 event.

8th Battery In Tie For Third Place

Held to a 3-all tie during the first five innings by the steady fielding of Rovers, 8th Battery softball squad had the necessary punch at the plate in the next three frames to beat out the north end youngsters 9-6 in a week-end fixture of the City League. The Battery victory sent the Army team into a third place tie with the Superiors and brightened their chances considerably of gaining a playoff berth. The winners were forced to play their best defensive brand of ball to cop the victory, with the game not decided until the final Rover out had been made. Two run rallies in the sixth, seventh and eighth gave Battery a 9-5 lead entering the ninth. Here however Rovers showed their fighting spirit as they scored a run and then filled the bases with one out to put the tying runs on the sacks. The rally was halted at this point, as the next two batters were easy outs. Jack Kenny And Sister Retain Titles

A thrilling display of spectacular tennis gave Jack Kenny his fourth title in as many years as he won a smashing three-set victory over the youthful and clever Jack Coyle in the final round of the mens' singles of Holy Redeemer Tennis Club's annual tournament, played over the weekend. The score was 6-2, 6-0, 6-2. Miss Carolyn Kenny, Jack's sister, came back strongly after dropping the first set of her match to Miss Edna Richard, her opponent in the finals of the ladies' singles. She took the next two sets handily to cop the title for the second successive year. The Misses Edna Richard and Hilda Blanchard provided an upset in their match with the Misses Florence Mallett and Helen Garrett for the ladies' doubles title. They wielded their way to a two-set victory, the scores being 6-2, 6-4. Probably the most hard-fought match of the entire tournament was the mens' doubles final between the team of Kenny & Connors and the sensational Berrigan & Callaghan duo. Only after fighting persistently for five sets did the Kenny & Connors combination edge out victory. The score was 6-3, 3-6, 6-4, 7-5. Only one title, the mixed doubles, now remains to be decided. Three matches of this event will be played today. Ideal tennis weather favored the players in the concluding rounds of their matches. A large number of Club members and others witnessed the different matches and applauded lustily as thrilling plays were executed by the various participants. TODAY'S SCHEDULE 6:00—Duffy & Mallett vs. DesRoches & Connors. 6:00—Blanchard & Richard vs. Kenny & Arsenault. 8:30—Winner of Duffy & Mallett vs. DesRoches & Connors match vs. Berrigan & Duffy.

Great Britain And U.S. Triumph In Relays As Track, Field Games Close

United States Athletes Easily Retain Championship With Finland And Germany Second And Third Respectively. Canada Sixth In Point - scoring. (By Elmer Dulmage, Canadian Press Staff Writer) (C. P. Cable By Guardian's Special Wire) BERLIN, Aug. 9.—Kitei Son, 22-year-old Japanese university student, panted off with the marathon classic today as the history-making track and field games of the 11th Olympiad came to a dramatic close with Great Britain and the United States triumphant in the relays. The British victory was scored in the 1,600-metre event, in which a Canadian quartet placed fourth. The United States took the 400-metre relay when a team sparked by Jesse Owens, triple champion of the games, rocketed over the brick red track in 39.8 seconds to eclipse the world record. The Canadian team might have been third but for the faulty passing of the baton by Lee Orr to his fellow townsman from Vancouver, Howie McPhee. The baton dropped to the track and the team wound up in fifth place. Canadians Place Third The United States also captured the women's 400-metre relay and cracked the Olympic record with a 46.9 seconds performance. Britain's team was second, a shade ahead of the Canadian girls—Dot Brookshaw, Hilda Cameron, Jeanette Dolson of Toronto, and Aileen Meagher of Halifax. The only other event of the concluding day, the women's high jump, was won by Iolya Csak of Hungary in a jump off after a three-way tie developed for first place. Miss Czak, with Dorothy Obam of England and Germany's Elfriede Kaun, tied at 1.60 metres (five feet three inches) in the regular competition. The Hungarian girl then leaped five feet 3 25-32 inches to take the championship, with Miss Odam beating out the fraulein for second place. Margaret Bell of Vancouver was a disappointment in this event. Although the tall, slender Canadian miss had recorded five feet three inches at home, she failed to clear five feet here and did not reach the finals. Conclusion of eight days of competition that rewrites a large section of the Olympic and world record book found the Canadian team in sixth place among the 23 nations which scored points, while the women wearers of the Maple Leaf crest wound up eighth among the 13 teams which crashed the point column. Canadian men gathered 22 1-11 points compared to 203 for the star-studded team which retained the track and field championship for the United States. The hardy sons of Finland, who dominated most of the distance runs, put that country second with 80 1-4 points, followed by Germany with 69 3-4, Japan with 51 13-22, Great Britain with 43 1-11 and then Canada. German women captured their division easily with 11 1-2 points. Americans were runners-up with 22 1-3, followed by Italy with 16, Poland with 14, Great Britain and Hungary, each with 10, and then Canada. Record Lowered Like the majority of events that have gone before, the marathon was won in record smashing fashion. Both Son, who finished remarkably fresh, and Ernest Harper, who took second place for Britain, lowered the Olympic record of two hours 31 minutes 36 seconds for the heart-breaking run of 26 miles 385 yards. The Korean covered the route in two hours 29 minutes 19.2 seconds and had the energy to sprint the final stretch in the stadium amid the tumultuous shouts of another throng of 110,000 that taxed the main bowl to capacity. Harper was timed in two hours 31 minutes 23.2 seconds. Best of the Canadians was the consistent Jimmy Bartlett of Oshawa. He finished 15th in the start, that numbered 57 at the start. Little old Percy Weyer of Toronto found the speed too much for his 52-year-old legs but he stayed with it and finished 27th. Harold Webster of Hamilton was brushed by an automobile after going about eight miles and dropped out. The 42-year-old veteran of the highways said he was not injured. He had not been going well and said, "it just wasn't my day."

Amyot Wins Canoe Singles

BERLIN, Aug. 9.—The Canadian standard was hosted atop the main pole of the Olympic stadium today, for the first time in 110 months, when the 11th modern games, when the Frank Amyot of Ottawa was honored for his triumph in the canoe singles Saturday. The blond champion, six times winner of the Dominion title, raced the 1,000-metre course in five minutes, 32.1 seconds to lead Bohuslav Karlik of Czechoslovakia, second man across the line, by 4.8 seconds. Erich Koschik of Germany was another 21 seconds to the rear, in third place. The Canadian team also scored a third place in the doubles. Warsaw's Saker and Harvey Charters of the Toronto Balm Beach Club finished in that spot behind a Czechoslovakian pair who won in 4:50.1, and an Austrian duo. Saker and Charters paddled the 1,000 metres in 4:56.7.

Haas Captures Canadian Amateur Golf Crown

WINNIPEG, Aug. 9.—Canada's second ranking golf crown rested tonight upon the sun-tanned brow of young Fred Haas, New Orleans. The fifth-ranked American shotsmith moved with deadly precision around the St. Charles Country Club course yesterday to win the Canadian amateur crown with an 8 and 7 triumph over Winnipeg's Bobby Reith. His perfectly-judged shots around the greens precluded any possibility of Reith overtaking him after Haas had rolled up a lead of four in the first eight holes. Haas turned in a superlative putting performance. Whether from 10 feet or 60, first putts seemed all the same to the new champion and he three-putted only one green, the tricky 11th, where he missed a 30-inch try. Reith's putter, usually reliable, failed him almost completely. He missed 19 putts of eight feet or under during the 29 holes and six of his misses were from less than four feet. Otherwise the youngsters were well matched. There was little to choose between their wood shots and both pulled off some remarkable iron play. Haas, however, was the more deadly on short approaches.

Hungarian Provides Upset

(A. P. By Guardian's Special Wire) BERLIN, Aug. 9.—Japan's hopes of sweeping every men's free-style swimming race of the current Olympic suffered a sensational setback today as Ferenc Csik, lanky Hungarian student who previously had been famous only for his flaming competitive spirit, led to triumph in the 100-metre final. The lone Hungarian challenged the great Japanese trio of Man-anori Yusa, Shigeo Arai and Shoji Taguchi in a final desperate 20 metre sprint and finished a scant breath ahead of Yusa who had led all the way. Arai was placed third and Taguchi fourth. Helmut Fischer of Germany officially was fifth with the two Americans, Peter Fick and Art Lindsgren, sixth and seventh respectively. The word "officially" is used in Fischer's case because almost everybody except the judge thought Fick had nicked him by about three inches. Canada lost all three of her contestants in this event in Saturday's final trials. Only the first two in each heat qualified and George Larsen of Hamilton finished third, while Munroe Bourne, Montreal, and Bob Hamerton, Winnipeg, were fourth. In the women's 100-metre free style dash, Phyllis Dewar of Vancouver and Marjorie Stone, Toronto, stroked successfully through Saturday's preliminaries but went out in today's semi-finals.

S'side Yacht Trophy Winner At Shediac

The yacht Goldfinch arrived home last night under sail with two beautiful cups in the bag, having won the Commodore Morris trophy for four and the C.Y.C. trophy for second place in the handicap scratch race in the first race meet of the Yacht Racing Association of Northumberland Straits. Designed, built and skippered by James Straight and owned jointly by him and Ray Tanton she is said to be the prettiest boat on the Straits and the fastest in her class. She won her class races on Friday in three straight heats by a wide margin and on Saturday was placed scratch with the larger boats in the handicap. Goldfinch beat down her chief competitor in two of the handicap heats and placed second on points. Her speed in light winds is phenomenal and in heavy weather she stands up well and was still much faster than any boat at the meet. Capt. Straight sailed the 32 knots to Shediac in six hours on Thursday and eight hours fifteen minutes on Sunday, with light winds on both days.
