Yankees Win Twin Bill; Dodgers Defeated Twice

By THE ASSOCIATED PRESS

New York Yankees swept into their biggest lead of the year in the American League Sunday with two victories over Cleveland's slumping Indians, but the National League leading Los Angeles Dodgers were whipped in both ends of a doubleheader at Milwaukee.

Harry Bright and Bobby Richardson got the big hits as the Yanks trimmed the Indians 5-2 and 5-4 in 11 innings and boosted their AL lead to seven full games.

Bob Tillman's 10th - inning homer gave Boston a 3-2 victory over Chicago's second-place White Sox, with the second game of their doubleheader rained out. Also in the AL—Frank Lary posted his first big league pitching victory in over a year in Detroit's 8-2 romp over Los Angeles Angels; Don Mincher continued his slugging spree with two homers as Minnesota downed Washington 3-2; and Kansas City edged Baltimore 3-2.

LEAD REDUCED

The Braves belted the Dodgers twice, 7-2 and 13-7, reducing their edge in the NL to six games over St. Louis. The Cardinals bombed Houston 9-4 with a 17-hit barrage.

Chicago and Pittsburgh split, the Cubs winning the opener 5-1 and the Pirates taking the second game 6-5 on Bill Virdon's 14th-inning single; Philadelphia Phillies extended their winning streak to seven with a sweep over New York's last-place Mets, 8-0 and 7-2; and San Francisco Giants pounded out 16 hits in beating Cincinnati 10-5.

Bright batted in three runs with a homer and single in the Yankee Stadium opener, and Richardson settled the second game with a run-scoring single against Early Wynn in the 11th, dealing the Indians their ninth straight loss. Left-handers Al Downing and Steve Hamilton were the winning pitchers.

Dick Stuart's two-run single with two out in the ninth gave Boston a tie with the White Sox and Tillman won it with his homer off Hoyt Wilhelem, Red Sox relief star Dick Radatz picked up his 12th victory against a single loss.

Lary, a 23-game winner for Detroit in 1961 who has been hampered by a bad shoulder the past two seasons, held the Angels to four hits and was backed by a 14-hit Tiger offense.

Mincher rapped two homers for the second straight game for the Twins, and John Goryl's homer in the eighth inning provided the winning margin over the Senators.

In the Athletic's close one over the Orioles, Moe Drabowsky pitched a four-hitter on his 28th birthday and Wayne Causey hit a deciding home run in the sixth inning.

The Bravees collected 26 hits in clipping the Dodgers twice, clinching the sweep with a seven-run fourth inning in the second game. Gene Oliver homered in the big burst, and Hank Aaron, Joe Torre and Denis Menke also had homers for Milwaukee. Ron Fairly unloaded for the Dodgers with six hits, including a grand slam and a bases-empty homer.

Jerry Lynch brought Pittsburgh even with the Cubs in the second game with the 14th pinch hit homer of his career, tying the major league record set by George Crowe. Lynch connected with two on in the ninth, making it 5-5, then five innings later Virdon ended with his single. Paul Toth pitched a seven-hitter and Lou Brock homered for the Cubs in the opener.

Sonny Liston Is Strong Favorite To Beat Floyd

By JACK HAND

LAS VEGAS, Nev. (AP) — Sonny Liston, a menacing bear of a man with a big punch in either hand, rules a strong 4-to-1 favorite over a determined Floyd Patterson in Monday night's world heavyweight title fight at the Convention Centre.

When Liston destroyed Patterson with three left hooks in two minutes, six seconds of the first round last Sept. 25 at Chicago, there appeared to be little reason for a rematch. But a return bout contract existed, and Liston must do it again before he can move on to a proposed multi-million dollar Sept. 30 date in Philadelphia with Cassius Clay, the gabby poet.

Patterson came back from a shocking knockout by Ingemar Johansson's "thunder and lightning" right hand in 1959 and became the first man ever to win back the heavyweight crown in 1960.

Few boxing people give him much of a chance this time despite the old adage that anything can happen when two big men climb into a ring.

The ex - champ has been dropped 14 times in his career by such obscene performers as Jacques Royer, Pete Rademacher and Roy Harris, in addition to Johansson and Liston.

Promoter Al Bolan of Championship Sports, Inc., who is running the fight on the insistence of Patterson, expects a $1,000,000 total gate.

Some 8,000 are expected to pay $250,000 to see the contestants in the flesh. An additional $700,000 is anticipated from closed circuit TV, radio, foreign broadcasts and movies.

There will be no regular television of this bout.

Liston finished training at 212 pounds and expects to come in at 213 or 214 pounds. Patterson was down to 192 when he ended work but says he will weigh 195.

Liston, 30, has won 27 straight. His career record is 34-1 for 35 fights with 24 knockouts.

Patterson, 28, owns a 38-3 record for 41 starts with 29 knockouts.

Souris' outstanding midget performer, Joe Cheverie, garnered 10 points with firsts in the midget high jump and pole vault.

Knights Grab Top Position

The battle for top honors in both the team and individual points race was renewed Saturday night as the second section of racing got underway at the Covehead Kart Park.

The Kavalla Track Knights came from behind in the final event of the night to outpoint the Hobby Shop Marauders and to grab the top position in the team totals.

Raymond Birt of the Track Knights won the final event to edge past McCulloch's Don Allan and to take the individual award by a single point. The main event was won by Tony Kelly of the Marauders and the X-team relay was taken by the young BA Bandit team consisting of Hodson, Foster and Prowse.

A full slate of racing was presented by the P.E.I. Kart Club despite the rain which eventually took its toll of drivers and machines.

Complete point totals will be released on Saturday.

Large Turnout For Auto Rally Held In S'side

More than 40 enthusiastic participants arrived at Marine Wharf in Summerside yesterday for the P.E.I. Motor Sport Club's Carnival Rally and before the day had ended all agreed that it was the best event so far.

Entries in the rally totalled 18 cars, a substantial increase and double the number from the first event two weeks ago. Marine Wharf took on the appearance of a used car lot as all the vehicles, including official cars, lined up for the start. They ranged in make from Volkswagens and sports cars to a Ford from Vermont.

The cars were started at one minute intervals and had to maintain an average speed of 35 miles per hour over the back roads of Prince County. Officials were posted along the route to see that all traffic laws were obeyed and the route followed correctly.

The second leg had a perscribed average of 20 miles per hour and it was soon obvious that the speed was quite reasonable as the roads travelled were narrow, twisty and often scattered with mud holes making any rapid progress impossible.

Despite the difficult roads the final totals showed surprisingly few points lost, a glowing tribute to fine driving and expert navigation as the route was often hard to follow.

The top placers were as follows with the totals showing the number of points lost due to being either ahead or behind the theoretical time the car was supposed to arrive at the check point.

1. Sterling Greene and Jeanne MacKinnon, Charlottetown, 1 pt.
2. Peter Davies and Miss Rae Minchin, Charlottetown, 2 pts.
3. A tie. Alan and Leonard Rogers, Summerside, and Alan MacDougall and Jim Phillips, Charlottetown, 4 pts.
4. Don Waugh and Miss Necia Lapthorne, Summerside, 5 pts.
5. James and Marie Fardy, Summerside, 6 pts.
