France and Russia.

A Hungarian newspaper publishes an interview with Challemel-Lacour, president of the French Senate, in which he is represented as saying that the Franco-Russian alliance has lost its practical value to France. Russia, he said is satisfied with the attitude of Austria toward the Balkan states, and intends to carry out her plans in Asia. France, on the other hand, not fearing an attack from Germany, could pursue her plans in Tunis and this would be unpleasant for Italy, which would have to bear her proportion of the costs of the dreibund.

F. W. HEATH, of Toronto, was cured of cough that followed la grippe, by using Hawker's Tolu. He wrote Mr. Hawker a grateful letter of acknowledgment.

Guest (Chicagoenis, wearing large diamond)—I trust you understand my bringing a detective with me to your reception?
Hostess—Oh, perfectly. You could easily be acquitted if we missed anything.

The Yott Case.

KINGSTON, May 22—The big ferry steamer Pierrepont has carried many a visitor to Wolfe Island recently to interview Mr. L. Yott, a farmer of that Island whose wonderful cure by Dodd's kidney pills was recently published in these columns.

The publication of so many marvellous cures had already excited much interest in this community, and now that we have proof of what has been said of this remedy at our very doors it is taked of on all sides. Mr. Yott's case was one that had excited the pity and anxiety of everyone for many years, and now that he is well and strong the people are not only much gratified with the result, but interested in the incontestable proof that Dodd's kidney pills certainly strike right at the seat of the diseases for which they are recommended, and are certain in their results.

Hotel Clerk (to new bell-boy)—Did you wake up No, 44?
Bell-boy—No, sah; cuddent wake him up; but I did the best I could, sah.
"What was that?"
"I waked up No. 45, sah."

Don't Wait for the Sick Room.

The experience of physicians and the public proves that taking Scott's Emulsion produces an immediate increase in flesh; it is, therefore, of the highest value in wasting diseases and consumption.

"Where have you been the last two or three weeks?
"At Washington."
"H'm! Trying to get something?"
"Yep."
"Get anything?"
"Malaria."

For Over Fifty Years

AN OLD AND WELL-TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhœa. It is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Meekison—Do you think that children should be allowed on the stage?
Murdison—No.
Meekison—You think they shou'd be protected?
Murdison—No; but I think the public should.

O. S. MERSEREAU said he never received as much benefit from all the other medicine he ever took as he did from Hawker's Tonic.

"What was that book you were reading just now, Johnny?
(It was labelled the Marquis of Queensberry Rules.)
"Oh—er—that," Johnny replied, "that was nothing but an old scrap book."

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

"You are pretty sick, Snickers," said the editor of a comic paper to one of his contributors.
"Yes, I am."
"If you should die you might ask St. Peter what he thinks about the jokes that have been written about him lately.

MONT. MCDONALD, the well known St. John barrister, was obliged to seek a change of climate for the cure of acute bronchitis. He took Hawker's Tolu and was cured by two bottles. He considers it a remarkable remedy, and strongly recommends its use to all so afflicted.

Bird Fancier—This parrot I can recommend. He has only one fault—he makes a terrible row if he doesn't get his dinner promptly.
Widow—I shall take him. He will remind me of my late husband.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

"Ma," said a newspaper man's son, "I know why editors always call themselves "we"
"Why?"
"So's the man that doesn't like the article will think that there are too many people for him to tackle."

MRS. J. E. SNOW, Matron Infants' Home Halifax, says: "Puttner's Emulsion has proved valuable in all cases of pulmonary complaints, for building up the system of our little ones. They often ask for it."

AWFUL HEADACHES.
2 YEARS OF SUFFERING.
LIFE A TORTURE.

Kendrick Outhouse, of Tiverton, N. S., says: For several years I suffered from severe attacks of biliousness, which came on periodically, about every ten days. I had *awful headaches* and the smell of anything cooking turned me sick. I became *weak and nervous*, and had no ambition or strength to work. I passed *many sleepless nights*, and for days could not retain food on my stomach. I suffered intensely with piles and hives, and my life was a *constant torture* to me. I became so weak that my friends *gave up all hopes* of my recovery. My brother brought me a bottle of

HAWKER'S
NERVE AND STOMACH TONIC,
and a box of
HAWKER'S LIVER PILLS.

I had not taken them long before I commenced to improve and in a short time I was *completely cured*. I grew *strong* and *vigorous*, my appetite returned, I *slept well* and in a few months had *gained 30 pounds* in weight. I have not suffered from piles or biliousness since, now 2 years, and am as *strong* and *hearty* as any man could wish to be. I firmly believe that

The Telephone Company
—OF—
P. E. ISLAND.

PARTIES using the Telephones would find talking much more satisfactory if they would observe the following rules:—

1st. Speak with the mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the telephone so as to cover the ear just as if you wished to shut out all other sounds. Do not press too hard on the ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.
