Summer Supplies.

When the weather's too warm for your usual work, There is plenty besides you can do; You can go to the shore, where the sea serpents lurk, And the airships sail high in the blue. Or, if you don't chance to arrive on the day When these wonderful creatures abound, You can read all about them and go on your way Rejoicing in knowledge profound.

When weather is sultry, then marvels appear; The monkeys in Africa speak; Inventors come forth with their theories queer To startle us week after week. And you, favored mortal, enjoy the display, With pity you never recall The overworked chap in his den far away, Who has to imagine them all. —Washington Star.

VICTIMS OF THE WEATHER.

Georgian Bay District Thankful for Dodd's Kidney Pills.

Kincardine, Dec 4.—This month has been the worst in years in the Lake Huron and Georgian Bay districts. Victims of rheumatism who probably keep a closer tab on the climatic variations than other people are all loud in their assertions as to this season being a record breaker for dampness and raw biting winds. If these good people instead of keeping tabs on the weather would follow the example of Herbert Brown, of Watson and Malcolm's Furniture Factory, Kincardine, they would be conferring a blessing upon themselves.

Mr. Brown says, "I had been feeling very bad with backache from my kidneys, (Lumbago, a form of rheumatism.) I have taken three boxes of Dodd's Kidney Pills and the pain has left me."

Gentle Hint.

Why have tested the merits of Dr. A. W. Chase's Kidney-Liver Pills return the verdict that for backache and kidney disorders there is no preparation in any way equal to this great discovery of Dr. A. W. Chase, America's greatest physician. This great kidney cure is sold by all dealers at 25 cents a box, and has proved most effectual as a remedy for the many ills to which woman is subject.

CUSTOMS IN SIAM.

The favorite delicacy in Siam consists of patial prawns saturated with very strong red pepper.

Si. these babies, dogs and cats are all dyed yellow by rubbing in a paste containing turmeric powder.

Until recently seashells and coconut shells were current coin of the realm in Siam, 880 of the former being change for one of the latter.

When a member of the royal family dies, honey and quicksilver are poured into the body, which is placed inside a copper urn and that inside a golden one.

Siamese school children are probably the best behaved in the world. Not merely corporal punishment, but even the need of hard words toward them, is unknown.

They have never taken kindly to kissing. When a sovereign dies, the whole people must shave their heads, while some go even further and shave their eyebrows also.

Every man, woman and child in Siam is a reckless gambler. One consequence is that pawnshops there are numerous. Some of the streets in Bangkok contain nothing else.

No Siamese will sleep with his head toward the west, except on a Monday. To do so would be, in his opinion, certain death, for dead bodies are always laid out in that position.

The Siamese have so strong a superstition against even numbers that they will have none of them. The number of the rooms in a house, of windows or doors in a room, even of rungs on a ladder, must always be odd.

A VANCOUVER LADY

Cured of Asthma After Eight Years of Almost Constant Suffering—She Says the Absolute Freedom From the Disease Seems Like a Dream—Clarke's Kola Compound Cures.

Mrs. J. Wise, Mt. Pleasant, Vancouver, B.C. writes: "I have been a great sufferer from bronchial asthma for the past eight years, many times having to sit up nearly all night. Through the advice of a friend who had been cured by Clarke's Kola Compound I resolved as a last resort to try it, the first bottle did not relieve me much, but before I had finished the third bottle the attacks ceased altogether, and during the past six months of damp and cold weather have not had a single attack. It seems something like a dream to be free from this worst of all diseases after so many years of suffering. I have since my recovery recommended this remedy to others suffering as I was, and know many others in this city whom it has cured. I consider it a marvelous remedy, and would urge any person suffering from this disease to try it."

Three bottles are guaranteed to cure. A free sample bottle of Clarke's Kola Compound will be sent to any person who has asthma, mentioning this paper. Address the Griffiths & Macpherson Co., sole Canadian agents, 121 Church-street, Toronto, Ont.

Clarke's Kola Compound should not be confounded with the other Kola preparations on the market, as this is altogether a different preparation, designated especially for the cure of asthma. All druggists. Price \$1.00 per bottle.

When the paint is all on you begin to learn how much it is worth. There are only two ways to tell whether paint will stand wear and tear, whether it will protect your property from decay, or not. One way is to wait and see what happens. That is the experimental way, and it's expensive. The other way is to buy paints with a reputation built on years of unflinching success—such paints as THE SHERWIN-WILLIAMS PAINTS. That is the sensible way. It has proved economical to hundreds of thousands of paint users for thirty years. A practical, illustrated book on paint and painting, free. Send for it.
