

OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

TUESDAY

"Greater emphasis will be placed on the promotion of inter-provincial travel as a result of discussions which took place at this year's Canadian Tourist Association convention," according to Mr. George V. Fraser, director of the Prince Edward Island Tourist and Information Bureau, who returned during the weekend from the Association's conference and annual meeting in Vancouver and Victoria.

"I have great sympathy for the man who is an alcoholic and am glad to see in practice the philosophy of the Good Samaritan whereby in helping others you help yourselves," said His Excellency the Right Rev. James Boyle, Bishop of Charlottetown, in addressing the members of the Maritime Intergroup Association of Alcoholics Anonymous at their sixth annual banquet held in the Community Centre Saturday night.

Prince Edward Island's entrants in the Dominion and World's Championship plowing matches, Mr. Stanley Willis, Cornwall and Mr. Sterling Moore, Pownal, arrived home Sunday after competing in Coburg, Ontario.

bers would win and were quite surprised at the outcome when Eccles was named the champion. Incidentally these two boys were well known to each other and each is happy to see the other win either of the championships.

Mrs. L.L. Noonan, Provincial President of the Catholic Women's League and Mrs. Fred J. Steele, President of the Charlottetown sub-division leaves tomorrow for Kitchener, Ont., to attend the 33rd Annual Convention of the Catholic Women's League of Canada to be held there Oct. 16 to 22 inclusive.

Winners in the 1953 Prince Edward Island Rural Beautification Society's Competitions were announced yesterday by Lieut.-Col. E. W. Johnstone, President of the Society and the Directors.

In a field of 103 competitors Mr. Roy Campbell & Son, of Chelton, receive the Hon. J. A. Bernard Trophy for showing the greatest improvement in the Province. The Campbells also win the Chief Justice Thane A. Campbell Silver Cup donated for Prince County and \$100 prize donated by R. T. Holman, Limited.

Interest in the competitions was greater in Queen's and King's Counties than in Prince, though the quality of entries in Prince was high. The Campbells of Chelton made remarkable improvements to win top place. The farmstead was almost completely reorganized, two small barns emerging as one unit, new lawns, flower garden, new fences, and a complete paint job down to chicken pens. A great amount of improvement was accomplished in three months.

Charlottetown has been signally honored by being chosen as the site of the 1955 combined convention of the Directors of The Canadian Press and the Directors of The Canadian Daily Newspaper Association. The meeting of the most prominent publishers, editors and managing editors across Canada has been announced by Mr. George V. Fraser, Director of the Prince Edward Island Travel Bureau, and will form a fitting part of the City's centenary celebration.

WEDNESDAY

An interim financial statement presented at the regular monthly meeting of the Summerside Town Council last evening indicated that most departments are well under their estimated expenditure and Mayor Wedge expressed appreciation to the Town Clerk, John E. Cameron, for making monthly financial reports available to the council. He said he believed it was the first time that month to month statements of expenditure in each department had been prepared.

Mayor Wedge noted that the police, street, snow removal and relief were well within their estimates and noted that revenue in most departments had increased. In preparation for winter snow storms, the council approved the purchase of a 73 h.p. diesel engine rubber tired snow plow from A. Pickard and Company Ltd., at a price of \$18,895.00.

A resolution passed by the council authorized the purchase of a new type fire extinguisher for use at fires that may involve the type of oil used in heating or cooking.

A deficit of \$187,000 and a liability for accrued pensions of \$214,000 is revealed in an actuarial survey of the pension scheme for City employees, tabled at the regular monthly meeting of the City Council by Coun. Edwin Johnstone.

He pointed out to the Council, which did not debate the matter, that the deficit might be misleading as it came about mainly in the beginning when a total of 35 permanent employees came into the plan. At that time they had an average of 14 years service for which they received credit under the scheme though neither they nor the city was contributing for those years.

The Council will discuss the report fully at its next regular meeting as Councillor Johnstone was of the opinion that more time was needed by members of the Board to study it. It was also decided to place a copy in the hands of the city auditors and ask them to attend the meeting when the Council will discuss it.

Mr. Johnstone was of the opinion that this Council could do nothing as no budgeting had been done to take care of the matter. He also thought they could not obligate nor dictate to the new Council which will be elected in February. However, he thought this Council should give the matter serious consideration.

The seriousness of the housing problem in this city was pointed out to the City Council last night by Mr. Brendan O'Grady, a member of an unofficial committee studying the matter. He told the Council that it was now not only a health problem, but a moral, social and civic one as well.

When his committee has completed its study of the matter a brief will be presented to the Council detailing its findings.

Mr. James Boyce Martin of Kinross has been missing from his home since October 2nd, and attempts of relatives, friends and police to locate him have, to date, been unsuccessful.

R. C. M. P. officers have been dragging the waters of Fullon's marsh in an effort to locate his body, should he be drowned in that area. Police report that Mr. Martin left his home on the morning of the second; his abandoned car was located near the bridge over the marsh. Dragging operations in this area are severely hampered by the swift moving current which flows through at incoming and outgoing tides.

THURSDAY

"While fishing mackerel on Burnt Point Reef, outside Georgetown Harbour, on the afternoon of Oct. 9, Mr. Wilfred Gotell had a unique experience, when his fishing boat was attacked several times by a large fish of unknown species to Mr. Gotell.

Robert Waddell, 15-year-old son of Mr. and Mrs. John Waddell of Lady Fane, yesterday morning sustained severe friction burns and other possible undetermined injuries to the upper part of his body when his clothing became caught in the power-take-off of a tractor on the farm of Arthur Craig, on the Branch Road in Tryon.

Announcement was made last night of the award to Major F. S. Jenkins of the Efficiency Decoration in recognition of his twenty year's accredited service in the Army. Major Jenkins is the Second-in-Command of the 5th Signals Regiment, a unit with which he has been associated since 1937. A native of Mt. Herbert, he attended Prince of Wales College and later taught school at Mt. Herbert and Alexandria until the start of the last war.

Billy Collier, 14-year-old son of Mrs. Grace Collier, 104 Upper Queen street, received injuries to his left eye which will necessitate the removal of the optic at the P. E. Island Hospital today. It is reported that while playing with a chum in a nearby basement, the boys attempted to fire a double barreled shot gun. The barrel of the weapon exploded with the result that a piece of steel almost an inch long was lodged in young Collier's eye. Billy is a grade nine student in West Kent School.

The residents of Southport and surrounding areas last evening petitioned the Sheriff to call a public meeting under the Village Incorporation Act to determine the wishes of all concerned for or against incorporation. The meeting took place in the main classroom of the new Southport school with approximately 60 in attendance.

The proposed area of incorporation is from a point on the shore of the Hillsboro River where the Mason road meets the water, in a straight line to a point on the shore 250 feet east of the end of the Kinlock road, embracing all the land from there west to the mouth of Charlottetown harbor.

That the purpose of the Credit Union movement is not to build up dollars, but "to build up people", was emphasized last night by Mr. Don Smith, field manager for CUNA in Eastern Canada, in addressing a Credit Union Day gathering at the Legion Home.

It was in celebration of the 105th anniversary of the founding of the Credit Union and was attended by approximately 175 representatives of Credit Unions throughout the Province. The turkey dinner was supplied to all members and guests of the Charlottetown Chapter of Queens County Credit Unions and was catered for by the Women's Auxiliary of the Canadian Legion.

Three P. E. Islanders are listed among the 65 Maritime veterans scheduled to arrive home from active service in Korea next week. They are due to disembark at a West coast port over the weekend and will immediately proceed on leave.

The three men are: Gnr. G. T. Marshall, son of Mrs. Horace Marshall, 86 Richmond St., Charlottetown; Pte. G. A. Howatt, son of Mr. and Mrs. Claude Howatt, Cape Traverse; and Pte. A. E. MacDonald, son of Mr. and Mrs. Edwin MacDonald, Edmonton.

This year will see the first time that an exhibit of table stock potatoes will be shown at the Maritime Winter Fair, Amherst. Seed potatoes have been creditably shown by Island growers and it will be interesting to note with what success local table stock will meet.

A committee with Mr. L. C. Young as chairman has been set up. The superintendent will be Mr. L. W. Black and with him, he will have Messrs. L. V. Spinney, W. R. Butland, W. F. MacLeod, E. M. Taylor, S. P. Clark, son, S. Colpitts and S. A. Hilton.

The opening meeting of the Charlottetown Newman Club was held yesterday at the New Moderator Rev. G. Roach opened the meeting with a prayer.

The president, Patricia Wynn, welcomed the members. The election then took place and the new officers are as follows: President, Leo Dolron; vice-president, Elizabeth Grant; secretary-treasurer, Margaret Beagan; chairman of the social committee, Patricia MacQuarrie; chairman of the publicity committee, Mary Farmer.
