
COST OF LIVING

The Dominion Bureau of Statistics reported Thursday that the Consumer Price Index rose to a record 143.8 in June from 143.4 in May. Housing, transportation and recreation were at 143.5. Only tobacco and alcohol indices remained unchanged. The index is based on 1949 consumer prices equalling 100. (CP Newsmap)

400 Children At Red Cross Camp

Over 400 school children from 33 elementary school districts have enrolled in a Regional Day Camp at West Point.

The camp was organized by the O'Leary Regional Committee of the provincial Red Cross Water Safety Service and Division of Physical Education and is financed by enrollment fees.

The children will be transported by school buses to West Point to participate in a daily program of physical activity, water safety, swimming and life-saving. Fourteen qualified water safety instructors directed by Patsy Judson and Blair Darrach will instruct the various levels of swimming and keep a careful eye on waterfront procedures. The camp ends July 15 when skill tests will be conducted.

A. W. Thiessen, National director of Water Safety Service and Ralph Wenderborn, National Director of Red Cross Youth were escorted through the various areas of the project on Friday morning by Arthur Love, Provincial Chairman of Red Cross Water Safety, and Evelyn Cudmore, Director.

Mr. Theissen, a former director of water safety for the British Columbia Division of the Red Cross, is on a three-day visit to the Island and leaves Sunday for Halifax and later for overseas.

Chairman of the O'Leary Regional Committee is Mrs. Kenneth Matheson, and treasurer is Mrs. Alton Rodgerson.

Widow Of Dr. Delaney Dies

SUMMERSIDE — Word has been received here that Mrs. Mark Delaney, Moncton, N.B., wife of the late Dr. Mark Delaney, Summerside, died at Hotel Dieu Hospital, Moncton on Thursday evening following a lengthy illness.

Mrs. Delaney, 83, was born in Hope River, P.E.I., the former Mary Cosgrove, daughter of the late Mr. and Mrs. John T. Cosgrove, Wellington. As a child she went to live in Wellington with her parents, later coming to reside in Summerside.

Dr. Delaney predeceased her in 1952. Ten years later she left Summerside to reside in Moncton.

She is survived by four sons — Carl, Souris, P.E.I.; Dr. Cecil, Sherbrooke, Que.; Dr. Austin, Moncton, N.B.; Allison, Montreal, Que.; and two daughters — Edith (Mrs. I. R. Stevenson, Ottawa, Ont.; Barbara (Mrs. George Breau), Ottawa Ont.

Also surviving are two brothers, Zekle Cosgrove, Vancouver, B.C., and Parnell Cosgrove, of Sherbrooke, P.E.I., along with 23 grandchildren and 18 great grandchildren.

The remains are resting at the Frenette Funeral Home, Moncton, until 9 a.m. This morning when they will be transferred to St. Bernard's Church, Moncton, for Requiem High Mass.

Burial will take place at St. Paul's Cemetery here this afternoon.

Minister To Hold Briefing

Next Thursday, July 14, the minister of public works for Canada, the Hon. George J. McIlraith, will be in Charlottetown where he will conduct a technical briefing in connection with the construction of the Northumberland Strait causeway.

The briefings will cover a description of the project as proposed to be followed by information on labor, taxes contracting procedures, bonding and insurance, and Canadian and foreign materials, subjects which are of specific interest to contractors and suppliers.

At the close of the briefings, there will be a press conference and visiting officials will endeavour to answer questions fired at them.

The briefings are scheduled for 10 o'clock Thursday morning. The place is Confederation Centre.

VILLAGERS BLUSH

WESTBURY - SUB - MENDIP, England (CP)—A vagrant called on the parish council in this Somerset village to say he had intended sleeping in the bus-shelter but that it was just too filthy. The councillors agreed and now have the shelter swept out regularly.

Three New Teachers Get PWC Appointments

Three teachers well-known to the P.E.I. profession have been appointed to the faculty of Prince of Wales College — one in French, one in education, and one in history.

Lain Galloway, formerly on the staff of Mount Allison University and now completing his Ph. D in French at McGill University, has been appointed to the French Department. He has already done considerable work at Prince of Wales where he has taught French in summer school for the last several years.

Lorne Moase, a graduate of Acadia University and of the University of New Brunswick, has been appointed to the P.W.C. Department of Education. Mr. Moase is a native Islander who has been principal of both Athena Regional High School and Englewood Regional High School. He has been active in the P.E.I. Teachers Federation of which he was president for a term.

Heather MacNevin of Charlottetown who is a graduate of Prince of Wales and of Mount Allison University has been appointed to the P.W.C. history department. Presently teaching history at Charlottetown Rural High School, she will teach the same subject for one year to the last grade twelve class at Prince of Wales.

...And Next, The Beetles?

All winter long Charlottetown's teen-agers have been complaining that nothing ever happens here. Now they are singing a different tune and it's set to the rock and roll beat.

Last weekend the Five Sounds played here. They left Tuesday but returned here last night to play at the Basilica Recreation Centre, though without their featured vocalist Doug Billard. The Sounds have now acquired Davie Wells from Halifax's Music Hop Show.

Every one was excited to hear the Five Sounds were returning, but then the fire works really burst into full display, with the news that "The Badd Cedes" featuring Patricia Anne MacKinnon would be playing here this week.

So with the influx of such top rock and roll bands and personalities the tune of boredom is not going to be played here for some time.

Montague Festival Cancelled

At a meeting of the festival committee held on Monday night, the group decided to cancel the Montague Regional Strawberry Festival this year. The reason for the cancellation was lack of interest and support from the community.

Kenneth R. MacDonald, last year's chairman, said all possible had been done to get the show on the road but a number of volunteer workers were required and just did not come forth. The ladies of the community who have been responsible for the meals are all prepared to carry on and as a result the lobster supper which proved so popular last year will take place on Friday at the Legion Home. However, all other aspects of the festival have been cancelled.

The festival which began two years ago was designed to raise funds for the new hockey and skating rink. Any profit was turned over to the Community Welfare League Ltd., for the rink. The amount of money derived from the event was small but the committee felt the benefit to the area made the festival well worthwhile.

It is now thought some type of program may take place in the fall to make up for the loss of the show. The hockey rink has been completed with an official opening to take place in the fall at which time some type of program perhaps will be arranged to make up for the loss of funds by the cancellation of the festival. The artificial plant has yet to be installed with work to begin on this in the early fall.

PLASMA HAS PROTEINS

Plasma, the liquid portion of the blood, is 92 per cent water and seven per cent proteins.

Cabaret Club Opens

Two hundred and fifty people were on hand in Memorial Hall at the Confederation Centre Thursday night for the opening of the Summer Festival's "Babaret Club".

Many members of the festival's company including Kate Reid, Barbara Hamilton, Dean Regan and many more, joined with the patrons "frugging" to the music of the "Badd Cedes", a folk-rock group from Halifax, enjoying themselves after a hectic week, which included the openings of two of the festival's productions.

The ever-popular Catherine MacKinnon of the CBC-TV Halifax production, "The Don Messer Show", was the featured entertainer at the club's opening. The "Cabaret" will be operating all during the festival season from 10 p.m. to 1 a.m. and other entertainment features are planned for the weeks ahead.

Miss MacKinnon and the "Badd Cedes" will be performing again this evening, and tomorrow night, the "Cabaret" will turn discotheque for the under 21 age group.

Fined In Queens County Court

A fine of $50 and costs or 20 days was imposed upon Joseph Aneas McAvinn, Westmoreland, charged and convicted for operating a motor vehicle while his license was suspended.

The case was heard before Provincial Magistrate James B. Johnston, QC, in Queens County Magistrate's Court this morning.

Crown witness included Elizabeth Rogerson, Central Bedeque, Gary Cousins, Crapaud; Corporal Charles Clark, Borden detachment of the RCMP.

The Crown asked that a summons be issued for Preston Alexander Ford, North Winsloe, on a charge of theft under $50.

Ferries Carry Record Totals

BORDEN — Passenger traffic across the Northumberland Strait last month swelled to more than 51,700 with the warm weather and the start of Prince Edward Island's tourist season.

J. G. Davis, manager of Canadian National's Maritime area, said today the total handled aboard CN's ferry service between Cape Tormentine, N.B. and Borden — jumped 11,400 more than in June, 1965.

Every month this year has produced greater passenger carryings than comparable months last year when the service handled the greatest number of customers ever.

In 1965, the ferries carried six times the Island's population across the Strait, a 10 per cent increase over 1964 when the Island was celebrating the 100th anniversary of the first meeting there of the Fathers of Canada's Confederation.

The ferries Abegweit, Prince Edward Island and Confederation made a total of 778 crossings last month. In addition to the 17,993 automobiles handled, they carried 2,418 trucks, 1,251 trailers, 215 buses, 68 motorcycles, 534 passenger trailers for a total of 22,479 vehicles.

Canadian National's charter bus service, which provides a link with mainline trains at Amherst, carried 1,929 passengers last month. During the first six months of this year, the ferry service has carried 196,707 passengers to and from the Island — 21,135 more passengers than was handled in the first six months of 1965.

MINISTER TO STAY OUT

RAWALPINDI (Reuters) — Pakistan's President Mohammed Ayub Khan confirmed Friday that his outspoken pro-Chinese foreign minister, Zulfikar Ali Bhutto, will not return to his post. Bhutto went on sick leave three weeks ago and it was said he needed medical treatment, but it was widely believed there was a policy disagreement with Ayub.

Former S'side Man Dies In Massachusetts

SUMMERSIDE — The death occurred recently at Lemuel Shattuck Hospital, Jamaica Plains, Mass., of Earl E. MacLure of Bedford, Mass. in his 68th year.

He was the son of the late Adrian R. MacLure and the late Mrs. MacLure of Summerside. His wife, the former Anges Rogers, predeceased him four years ago.

He leaves to mourn four sons, Walter of Waltham, Mass., Lorne of South Acton, Mass.; Ernest of Arlington, Va. and Kenneth of North Clesmford, Mass.; and a sister, Evelyn in Summerside.

The funeral was held on Tuesday, July 5, from the Bedford Funeral Home. Interment was in Shawsheen Cemetery, Bedford.

SDU Summer Courses

A total of 240 students have registered at St. Dunstan's University for summer school courses, it was learned last night from SDU registrar Michael Hennessey.

Mr. Hennessey said the enrollment was higher than was originally expected. He said it was considered that fewer students would register because only two of the 13 courses being offered this summer are at the Freshman level, with the others requiring previous university work.

This year the summer school staff of 16 at SDU has been bolstered by five professors from outside the province who are here for the summer session.

Classes continue until August 13.
