Four Souris Teams Garner Island Hockey, Hoop Titles

By ED CLINTON
Souris Bureau of the Guardian
During the past couple of weeks, Souris has produced titles since last fall. The last mentioned was the Mauricie basketball team who annexed island honors last fall and bowed in Maritime semifinals. The latest four, in order of titles gained were: Crossbones, Intermediate "B" hockey title, Regional High girls took Island Senior "B" basketball championship, Bantams got the Bantam "B" title, and the Regional High Boys won the Junior "B" hockey crown.

The Crossbones won their title with record of five victories and only one defeat. Prior to the playoffs they played five exhibition games, winning four and losing one (to the Penguins) and have amassed a total of forty seven wins and only five losses in the past three years. This year's team march to the crown was marked by a steady stream of injuries, so that in some games they led as few as seven players. With this in mind, the star of the team would have to be Bernard "Buddy" D'Orsette, who rose to sensational heights in the nets.

Others came up with great efforts, notably Jim MacIntyre, who moved from a forward position to defense and played outstanding hockey. Bill Laren had his best season since joining the team and was the leading goal-getter and point-getter during the playoffs. Pat MacIntyre after a dismal season last year could be considered the comeback player of the year on the squad. Everyone gave their best and it should be considered a good team effort.

Monties Hope To Compete In Cup Play

OTTAWA (CP) — Ottawa Montieaux, Ottawa district junior hockey champions, still hope to become contenders for the Memorial Cup.
They were told Wednesday by secretary registrar Gordon Jickles of the Canadian Amateur Hockey Association that the CAHA is trying to arrange a series for them against the Northern Ontario champions.
The winner of that quarter branch champions for the Eastern Canada Junior title and the right to meet the west in the Memorial Cup finals.
Monties defeated Maritime champions Charlottetown Penguins in a best-of-five interprovincial series and are scheduled to meet the Quebec champions in their next series.
Monties say they'll either continue in Memorial Cup play or pack away their skates for the season.

game while losing only one (and clinched the season down in O'Leary by annexing Island honors by beating teams from Morell, Tignish and O'Leary. Two girls have to be singled out for their tremendous scoring feats, Carole Anne (Queen of the Sea) Power, and Roma MacDonald.

The Regional High Boys topped to a great extent for their dismal showing of the past couple of years, by showing great spirit and effort in winning their Island crown. Actually, this writer must re-credit their team spirit with much more esteem than their Island crown. As far as we're concerned their improvement in this regard was in itself a wonderful achievement. And by the same token, it was the fighting spirit of the Bantams that led to their winning the

title. To all teams, congratulations. Last fall's baseball crown, was the first one ever won by sport. This year's four Island titles is the best showing by this town to date, even if summer sports do not produce a single title. The previous high was two championships. The people guiding the teams and chiefly responsible for this sudden surge into prominence in the Island sports are: Jerry Mc-

Cormack, Roddy MacIntyre, Herman Connolly and Reggie Peters. For the latter, it meant three titles as he played with the Crossbones and coached the Bantam and High School hockey squads.
The next sport on the agenda will be baseball and speaking of baseball brings to mind the most successful league in the Maritimes, and that is the King's County League. Last

year's pennant winner and also league champions were Morell Beavers, who will be ready willing and able to take on all comers again this year. Other teams who will very likely play again this year will include St. Peter's, Souris, Mt. Stewart, Peakes, Cardigan, Iona, and Georgetown.

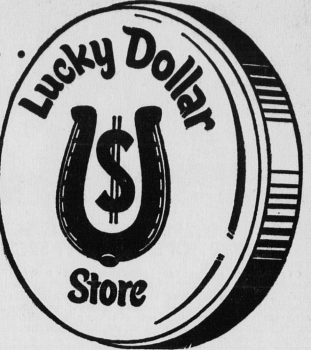

Minor baseball in Souris had its most successful season, due mainly to the efforts of Jerry McCormack, who spent several hours with the youth of Souris. His Bantams won Island honors and his Middlets the King's County crown. The Town League was a huge success both in player and fan participation. Jerry coached one squad, and two other young men showed their keen interest in the youth by coaching the other two squads. These two young men also deserve a pat on the back for their efforts, and they are the meeting.

We've been hearing rumors of drastic changes in the Minor ball setup in Souris, and what we've heard we must admit we don't like. We sincerely hope that the Recreation Committee are not actually contemplating the changes we hear proposed. Anyway, we'll know this week, as there's a meeting scheduled. We'll have more to report after the meeting.
