Western Chiefs Claim Great Bloodless Victory

By Richard Kaschke Berlin, May 30 — (AP) — Western chiefs today claimed a great bloodless victory in the failure of Communist youth to make good on boasts that they would "storm all Berlin."

But John J. McCloy, United States High Commissioner, joined other leaders in warning that the West must meet the totalitarian challenge in this front-line city with even sharper vigilance from now on in view of the regimented power displayed by the East during the week-end.

ANNUAL MEETING

Continued from page 1 considerable to offer, probably 35,000 or 40,000 pelts, but if there is a decent demand from European and other countries these should be cleaned up by the end of the year.

Mr. Callbeck urged that a field night, as he termed it, should be reserved during the exhibition week in November at which authorities on silver fox and mink would give demonstrations and fox furs be modelled and other exhibits displayed that would have educational value and also afford an entertaining evening for the ranchers.

He ended by saying that there is at present an improved demand from Europe for fox pelts. Lowell W. Hancock was of the opinion that field days, or at least one large field day, should be held at a central point where ranchers could come together and exhibits of foxes and mink could be shown with authorities there to demonstrate the good or undesirable qualities of the animals.

The election of directors to fill vacancies resulted in J. H. MacPhail, New Haven, Ernest Cudmore, Charlottetown, E. S. Burleigh, Ellerslie, D. O. Stewart, Summerside and Lester Johnston, Fortune being appointed.

The sum of \$60 was voted towards membership in the P.E.I. Federation of Agriculture. Mr. D. O. Stewart who has had charge of the advertising in connection with fox farming stated that some \$7,000 had been expended in preparing exhibits of silver fox and mink furs and in displaying them at various centres in Canada.

Mr. Stewart urged every fox and mink rancher to continue assistance to this advertising and display program, which had accomplished considerable results at comparatively small cost.

Applications For Building Permits

Twelve applications for building permits in suburban Charlottetown, have been received during the past couple of weeks, it has been learned from Hon. Eugene Cullen, Minister of Industry and Natural Resources.

Eleven of these applications were for building houses and the other was for the erection of a garage. There were no applications for either of the industrial zones, three and six.

Eight of the applications have already been granted and the other four are under consideration. Two permits have been granted for zone two and single permits have been granted for zones one, four, five, seven, eleven and twelve. The applications under consideration are for two permits in zone four, and one each in zones two and seven.

Well Known Summer Visitor To Island Dies In New York

Colonel H. S. Hadden, a well known summer visitor to Charlottetown, died in New York Monday night, May 29th.

COMMONS REJECTS

Continued from page 1 expenditure and said no business, large or small, could survive with the methods of accounting used "in this the greatest business in the country."

There were great possibilities for the reduction of expenditures without reducing any essential service in any way.

Mr. Quelch, introducing the Social Credit amendment, said his group felt that reduction of public expenditures, as proposed by Mr. Drew, "may very well mean a general curtailment of public expenditures." It was better to suggest the "control" of expenditures "at a level consistent with efficiency."

WAR DEVELOPMENT At the end of the Second World War there were approximately 3,200 operating airports in the United States.

Girl Guide News

Calling All Brownies and Guides

Saturday morning is going to be a special day for you as through the co-operation of Mr. George Walters of the Prince Edward Theatre, there is to be a special showing of the Warner Brothers film "Women of Tomorrow" for all Brownies and Guides.

The film was produced in co-operation with The Girl Scouts of America, and is in technicolor. It portrays Girl Scouting and Guiding in action, and presents the spirit of fun, youth and comradeship as promoted by our volunteer youth leaders.

Brownies and Guides, please be at the East side of the Market Square by 9.10 Saturday morning in uniform, if you wish to take advantage of the special offer made by the management of the Prince Edward Theatre. There will be an admission charge of 10¢ per Brownie and Guide.

Parents of Brownies and Guides We wish to bring to your attention the following paragraph taken from a letter written by the National President of the Girl Scouts of America which so fittingly applies to our Brownie and Girl Guide program in Canada.

"I hope that all parents of girls between the ages of 7 and 17 will see "Women of Tomorrow," so that they will understand what Girl Scouting (Girl Guiding in Canada) has to offer to supplement home, church and school teaching. I hope that this splendid motion picture will make many women realize that there is a real opportunity for service in their communities, country and the world as volunteer workers in the Girl Scout and Girl Guide Movement. Personally, the picture made me prouder than ever of the office I hold and very happy that I have spent so many years in the service of youth."

Brownie and Guide Leaders

Your Executive is most anxious that every Brownie and Girl Guide be present, if at all possible, to see the special showing at the Prince Edward Theatre of the film "Women of Tomorrow" which it is felt will be inspiring to girls everywhere and awaken them to the opportunity for use of their talents in each community.

Please contact each of your Brownies and Guides and request that they meet Saturday morning at 9.10 a.m. at the east side of Market Square, and bring along 10¢ with them, so that they may see the special showing of the film at the Prince Edward.

Any Guides wishing further information are requested to get in touch with either Mrs. Gordon MacDonald, telephone 1454, Mrs. Fred Jenkins, telephone 380-J, or Miss Lillian Duchemin, telephone 2019-W.

Grain

WINNIPEG, May 30 — (CP) — Coarse grain prices moved irregularly today in fairly active trade on the Winnipeg Grain Exchange. Sharp gains which moved May oats to the maximum eight-cent increase, were made on covering orders and light offerings in early trade.

However, offerings increased and advances were erased and substituted by losses after the brief opening flurry.

Rye came in for some local trade. Most American interests were not trading because of the United States holiday. No export business was reported. Closing quotations: Oats — May 1.20 3-4B; July 1.00 3-4A; Oct. 87 1-8.
