

Two Ways.

HOW TO HELP YOUR TOWN. Talk about it. Write about it. Beautify the streets. Be friendly to everybody. Elect good men to all offices. Keep your sidewalks in good repair. Sell all you can and buy all you can at your home.

If you are rich invest something, employ somebody. Be courteous to strangers that come among you so that they may go away with good impressions.

Always cheer on the men who go in for improvement. Your portion of the cost will be nothing but what is just.

Don't "kick" at any proposed improvements because it is not at your own door or for fear your taxes will be raised fifty cent.

HOW TO INJURE YOUR TOWN.

Oppose improvement. Mistrust its public men. Run it down to strangers. Go to some other town to trade. Do not invest a cent; lay your money out somewhere else.

Be particular to discredit the motives of public spirited men. Lengthen your face when a stranger speaks of locating in it.

If a man wants to buy your property charge him two prices for it. If he wants to buy anybody else's interfere and discourage.

Refuse to see the merit of any scheme that does not directly benefit you.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, plains and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's Anodyne will make them free from disease, as when born. Dyspepsia and liver complaint are the direct causes of seventy-five per cent. of such maladies as biliousness, sick headache, costiveness, nervous prostration, indigestion, dizziness of the head, palpitation of the heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottle, 10 cts. Try it.
