

THE DAILY EXAMINER.

MARCH 1, 1895.

THE THIRD DISTRICT OF PRINCE.

While there is no great hurry about the matter, it is pleasing to know that the electors of the Third District of Prince County are preparing to put a candidate in succession to Hon. J. O. Arsenault, recently elevated to the Senate.

Without guaranteeing the absolute veracity of this report, it may be truthfully stated that horses are and can be produced at less cost, on the Pacific coast, and all over the prairies, than they are or can be produced in Eastern Canada.

NOTES AND COMMENTS

St. John Sun. The customs taxation of Canada for the last half of 1894 was at the rate of \$3.43 per head for the whole year.

NOT A GOVERNMENT APPOINTMENT.

The Patriot is premature and incorrect in respect to its statement that "a gentleman from Ontario, named F. T. Watson, has been appointed Customs Surveyor here in the vacancy caused by the death of Mr. Henry McKenna."

The Halifax Chronicle has a rambling column about "Tariff for Revenue," beginning with the following sentence: "One of the stock cries of protectionists against reduction of the tariff is that a lower tariff would not produce sufficient revenue."

THE PREMIER'S EXPERIENCE AND ADVICE.

HORSES.

The Guardian of this morning published a telegram dated Tacoma, Washington, February 27, in which it is stated that horses can now be purchased in the West for \$2 to \$3 each.

In the course of a short non-political speech at Tweed, Ontario, Sir McKenzie Bowell said: The name of Sir John A. Macdonald is inseparable from the history of Canada.

THE POINT OF SIGHT

is the first, foremost, highest and most important object in view. Seeing is more than believing; it's pretty nearly the whole of life. Everything we do involves the question of sight.

THEY LOOK

natty, stylish and well equipped for the season. Well they might, as they have called on us and been fitted out completely and in the latest style.

THE STRONG POINT

about the cures by Hood's Sarsaparilla is that they are permanent. They start from the solid foundation—Pure Blood.

THE MODERN INVALID

Has tastes medicinally, in keeping with other luxuries. A remedy must be pleasantly acceptable in form, purely wholesome in composition, truly beneficial, and entirely free from every objectionable quality.

FOR OVER FIFTY YEARS.

AS OLD AND WELL TRIED REMEDY.—Mrs. Winslow's Soothing Syrup has been used for over fifty years by mothers of children while teething, with perfect success.

Telephone Company.

THE ANNUAL GENERAL MEETING OF "THE TELEPHONE COMPANY OF PRINCE EDWARD ISLAND," for the election of Directors and for such other proceedings and business as it is competent for the Shareholders to deal with and determine, will be held on WEDNESDAY, the thirteenth day of March, 1895, at the hour of eight o'clock in the evening, at the office of the President King Street.

AUCTION.

I am instructed by Mr. Edgar Heartz to sell by Public Auction at his premises, known as Binstreet or the Carey Farm, 3 1/2 miles from the City on the St. Peter's Road on SATURDAY March 2nd, 1895, at 1 o'clock, p. m. sharp, commencing at barn near St. Peter's Road.

DO YOU LOVE

a Suit that fits elegantly, or can you appreciate the difference between a good Suit and a poor one? WE HAVE BEEN AT the business for a quarter of a century, and must of necessity be better judges of relative values than those who have not had similar experience.

LET US BE

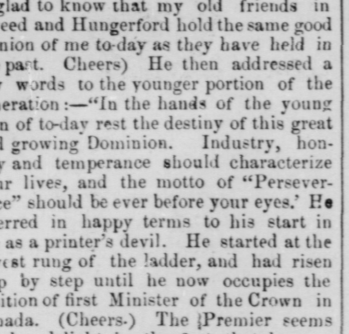

of service to you in selecting something becoming in value and appearance, for we have the goods, and fits and workmanship speak for themselves.

Star Merchant Tailor,

LONDON HOUSE.
