Is he in business "to stay"?

When you buy a used car from DOWD Motors, you're dealing with established business men who have a large investment and a good name to protect. We're here today and WE'LL BE HERE TOMORROW!

Are his prices really fair?

DOWD Motors handle used cars and trucks as a service to customers who trade them for new ones. We must keep these cars and trucks moving to free our working capital. That's one reason we offer our used cars and trucks at rock-bottom prices.

Does he really know cars?

DOWD Motors are in the service business, too; working with cars day in and day out. We know how to spot trouble fast. And, our expert mechanics have the equipment and the "know-how" to handle any service job.

Is he interested in YOU?

Remember—DOWD Motors want to keep your goodwill because some day we hope to sell you a new car or another used one. It's just plain good business for us to play square with you.
