A Tribute.

To Miss Mary Ann Lansdowne Dufferin Fitzmaurice Fitzgerald McMahon Murphy this master-piece is dedicated. I hope the reader will join with me in paying homage to her glorious charms both of body and of mind.

In the misty bygone ages
Lived in Erin's lovely Isle,
Famed were they 'mong bards and sages
They the courteous Geraldine.
Oft I've listened to the story
Hanging breathless on each word,
Of their valor and their glory,
Their achievements with the sword.
And can I while gazing on thee,
Fail to honor and embrace,
Fail to pour my blessings on thee,
Remnant of that once proud race.
Not for Lansdowne, not for Dufferin,
Nor Fitzmaurice, nor McMahon,
Friends to Erin while she's suffering
Do I love thee Mary Ann.
No, 'tis for thy princely beauty,
Like a gem thou'lt always shine,
Ever faithful to thy duty,
Like a noble Geraldine.
Mary Ann Fitzgerald Murphy
I salute thee with delight,
And my heart is nearly bursting
As I think on thy sad plight.
Thou art thinking now of leaving
Charlottetown for old Covehead,
And I'm sure we will be grieving
For the fair one who has fled.
Thou art not too old to marry,
And I think it is thy place,
Hasten then. Oh! do not tarry
To perpetuate thy race.
If some sturdy farmer asks you,
Do not falter, don't decline,
Answer "yes," so coy and modest
As befits a Geraldine.

THE LATE PROF. PHELPS.

The above is a portrait of the late Prof. Edward E. Phelps, M.D., LL.D., of Dartmouth College. He was a strong, able man, who stood high in the literary and scientific worlds. It is not generally known, but it is, nevertheless, the truth, that Prof. Phelps was the discoverer of what is known to the Medical Profession and Chemists universally as Paine's Celery Compound, unquestionably one of the most valuable discoveries of this century. This remarkable compound is not a nervine, an essence, a sarsaparilla or any devised article, but a *discovery*, and it marks a distinct step in medical practice and the treatment of nervous complications. It has been freely admitted by the best medical talent in the land, and also by the leading chemists and scientists, that for nerve troubles, nervous exhaustion, insomnia, debility, senility and even the dreaded and terrible Paresis, nothing has ever been discovered which reaches the disorder and restores health equal to this discovery of Prof. Phelps

Paine's Celery Compound is now being prepared in quantities, and can be procured at any reputable druggist. An attractive bunch of celery is to be found on every wrapper. It has become specially popular among professional men, mind workers, ladies burdened with exciting social duties and frequenters of the leading clubs.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the mere aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhœa, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, **under a positive guarantee,** from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) **$1.00, or six bottles for $5.00.**
