Branch of the Royal Bank of Canada. Her many friends wish her every success in her new appointment. Mrs. Margaret Mooney, R.N., Souris, who has not been in good health for some time, has re-entered the Souris Hospital for treatment. The best wishes of a host of friends are extended to her at this time. Miss Marilyn Dixon, Bothwell, spent several days at the home of Miss Audrey Roach, Souris. Since February 2nd, dawned bright and clear Mr. Ground Hog no doubt saw his shadow without any difficulty. Tradition tells us this means six more weeks of winter, if this is true, the ladies need not begin looking up their new spring hats yet for awhile. The many friends of Mrs. T. Robertson, Red Point, will be glad to hear that she is making satisfactory progress since undergoing surgery in the Souris Hospital last week. Mrs. Andrew Paton, Rollo Bay, is at present a patient in the Souris Hospital. Her friends and acquaintances in the Eastern districts hope to hear that she is regaining her health. Mr. Jack Holland, Charlottetown and formerly from Campbell's Cove, has been a patient in the Charlottetown Hospital. All hope to hear that he is improving steadily.
