HEALTH RESTORED

BY USING MRS. M. N. GARDNER'S INDIAN BALM OF LIVERWORT and HOARBOUND. This Balm is composed of Liverwort and Hoarhound, combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner, and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balm that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of Coughs, Colds, Whooping Cough, Group, Asthma, Influenza, Spitting of Blood, Bronchial Complaints, and all Diseases of the Throat and Affections of the Lungs, and those dreadful and appalling enemies to our race and country, Consumption and Liver Complaint, it is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs, to this article, and to public speakers who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence use Mrs. Gardner's Indian Balm of Liverwort and Hoarhound. It is an excellent remedy for Bowel Complaints, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favour of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balm. Messrs. WEEKS & POTTER, 154 Washington Street, Boston are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balm of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. Oct. 19.

Mothers! Mothers! Mothers!

AN OLD NURSE FOR CHILDREN.—Don't fail to procure Mrs. Winslow's Soothing Syrup for Children Teething. It has no equal on Earth. No mother who has ever tried Mrs. Winslow's Soothing Syrup for Children will ever consent to let her child pass through the distressing and critical period of teething without the aid of this invaluable preparation. If life and health can be estimated by dollars and cents, it is worth its weight in gold. Millions of Bottles are sold every year in the United States. It is an old and well-tried remedy. Price only 25 cents a bottle. N.B. None genuine unless the fac-simile of CURTIS & PENNINGTON, New York, is on the outside wrapper. Sold by Druggists throughout the world. August 24, 1857.

THIS philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—and in this way that he has discovered the most efficacious remedy for the various diseases which arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased men. One of the roots from which these Pills are made is a Sulfuric which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and doubt to the kidneys; thus encouraging them to draw large amounts of impurity from the blood, which is then thrown out plentifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will act in every part, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves the faculty of restoring health to millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

For sale at the Apothecaries' Hall, and at the Drug Stores of W. R. Watson and M. W. Skinner, and sold at all the stores throughout the Island. Persons wishing supplies of the above Medicines, can be furnished at Proprietors' prices at the Drug Store, General Agent. July 6, 1857. W. R. WATSON, General Agent.

No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK.

The unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS. These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, saddle to pain and inflammation.

KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produce suppuration and proud flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty of the most renowned hospitals. It has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.

Both the Ointment and Pills should be used in the following cases:— Bad legs, Chicago foot, Fistulas, Sore-throats, Bad Breasts, Chilblains, Gout, Skin disease, Burns, Chapped hands, Glandular Swellings, Scoury, Bunions, Corns (Soft), Lombago, Sore-heads, Bite of Mos- cancers, Piles, Tumours, chetes and Contracted and Rheumatism, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws. Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar), London, and 80, Maiden Lane, New York, stood by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.
