## Panthers Trounce Mount Allison

By Darrell Cole  
Sports Editor

The UPEI Hockey Panthers erupted for six straight goals, turning a close game into a romp as the Panthers defeated the Mount Allison Mounties 8-1 in AUAA Hockey action last weekend at the Charlottetown Forum.

Greg Gravel and Rich Little scored goals 0:23 apart early in the first period before Preston Dixon put the Mounties on the board with their only goal of the game mid-way through the first period. Steve Fulton and John Copple scored second period goals for the Panthers before the shooting barrage started for the Panthers in the third period as Bob Giffin, Jeff Steffen, Randy Muttart, and Greg Gravel potted third period goals.

This week's game was just a tad milder than last week's two games against the St. Thomas Thommies. There was some hard hitting of course, but nothing like last weekend, where every hit or whistle resulted

in words and sometimes fists being exchanged.

This weekend the Panthers will undertake their first road-trip of the year as they travel to Fredericton, New Brunswick to play U.N.B. on Saturday and stubborn St. Thomas Thommies on Sunday. Next weekend the Panthers are in Nova Scotia for their first two big games of the year. Next Saturday the Panthers play rival Dalhousie and on Sunday they travel to Wolfville to play the much-improved Acadia Axemen.

In other AUAA Hockey action last weekend the Universite de Moncton Blue Eagles are off to one of their worst starts ever as they were defeated by St. F.X. 5-2 on Saturday and 7-2 by the enigmatic University of Cape Breton Capers. Dalhousie Tigers won both of their weekend encounters as did Cape Breton. Other winners included the Acadia Axemen.

## HELLO AGAIN, HISTORY FANATICS!

Sorry for last week's error in our advertisement. There was supposed to be a miniature copy of our Wine and Cheese Social poster detailing exactly where and when the auspicious event was to occur. Yet, despite its absence, fortune smiled upon us, for our Soiree was a complete success. All members of the History Society extend their utmost gratitude to all Faculty members who attended. Your presence confirmed in all our minds that we are indeed well on our way to becoming a permanent student organization on Campus.

This week, you are reminded that the "trip down brewery lane" will occur this Friday, October 30, at the

Barn at 2 p.m. A covered carriage will await your arrival. Ladies should bring their sun umbrellas and gentlemen are advised that top hats warrant the occasion. On Friday Evening at 8:00 PM, is the Inter-Societal pub - all History participants should arrive by at least 7:30.

You are again reminded that our History Bash will occur on November 6. Attend our meetings on Wednesdays at 3 PM in RL - Conference Room B for more information.

Darin MacKinnon

History Society Secretary

*Some practical advice #3:*

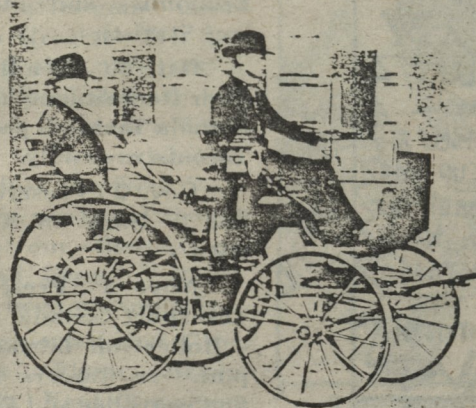

Don't be a stuffy Victorian ...

Don't even be an Edwardian ...

Just "get your wheels in motion," and join the U.P.E.I. History Society!

N.B.  
"We apologize to all friends of Queen Victoria, King Edward VII, and the Daimler family."
