

OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

MONDAY

The fast-growing fleet of planes in use by the Maritime Central Airways will be even further expanded this week with the arrival of two more which were recently purchased in New York.

One of them, a PBV 5A Canso, was bought from the Herald Tribune, one of New York's largest newspapers, where it was used as the private plane of the proprietor, Mr. Ogden R. Reid.

Fire of unknown origin Saturday night destroyed the large "U" shaped barn on the property of Mr. Frank Clarke, Southport, and caused the deaths of a large number of animals housed in it at the time.

Included in the loss were 30 registered sows, one registered boar and an undetermined number of other pigs. It is believed that there were approximately 150 of the latter lost.

Two Summerside youths appeared before Magistrate E.H. Strong in Summerside Police Court yesterday morning in connection with the theft of a truck belonging to Harold MacLeod of Summerside.

TUESDAY

Mr. J. Watson MacNaught, M.P., announced yesterday that a contract for \$10,500 had been awarded to the Bryant Electric Company of Halifax for the construction of extensions to the electrical distribution system at the R.C.A.F. station, Summerside.

Following his graduation from St. Francis Xavier in 1924 where he was a well known athlete specializing in hockey and football, Dr. MacDonald later earned an Associate Diploma from the Agricultural College, Guelph, Ont.

Under the present unstable world conditions training offered by the Sea Cadets is invaluable in training youths for the defense of their country, their ideals and their way of life.

Another long established city business changed ownership this week when the sale of Worth's Drug Store, Queen Street, was announced last night by Mrs. Besant.

The business has been purchased by Mr. Leigh Semple, registered pharmacist of this city, who had formerly served in the drug stores of the Johnston and Johnston and the Jenkins Pharmacy.

A survey of the Hillsborough River to determine the area of the least mud is underway as engineers are exploring the possibility of putting a causeway across to replace the present Hillsborough Bridge.

for rock to use in the proposed causeway has been going on for the past three weeks. Much of it has been done in the Kinlock Road area of Southport on the farm of Malcolm and Roland MacDonald.

A large field there is believed to have a vast quantity of rock within easy digging distance as it is reported to be only a few feet below the surface and goes down to an as yet undetermined depth.

Mr. Arthur Pugh, chairman, and Mr. Harold Day, manager, of the New Brunswick Potato Marketing Board, arrived in the city yesterday.

Dr. R. S. MacDonald, B.A., V.S., D.V.M., has officially taken over the duties as Senior Veterinarian of the Dominion Department of Agriculture with headquarters here.

Dr. MacDonald is a native of Baddeck, N.S., and is a son of the late Dr. and Mrs. Dan MacDonald.

Following his graduation from St. Francis Xavier in 1924 where he was a well known athlete specializing in hockey and football, Dr. MacDonald later earned an Associate Diploma from the Agricultural College, Guelph, Ont.

The first regular session of the 47th General Assembly of the province will be opened by His Honour Lieutenant Governor Frowse on Tuesday, March 11, at 10 o'clock in the morning.

purpose of passing old age security and blind pensions legislation at that time Hon. Forest W. Phillips was chosen as Speaker, and the members duly sworn in Lt. Commander Charles P. McKenzie was reappointed Sergeant-at-Arms.

At four o'clock, when nominations closed, the official announcement from the Town Hall showed that Henry W. Wedge had received an acclamation as no one had filed nomination papers to contest the office.

Commencing tomorrow, February 1, the Canadian National Railway truck service to King's County for less than carload freight and express will leave Charlottetown at 6 a.m. daily.

The starting hour from Charlottetown had been delayed until 9 a.m. to connect with morning air mail reaching Charlottetown by Flight Two.

Enlargement of the present facilities of the Queen Hotel will be undertaken shortly when the hotel management renovates the newly acquired N. Battenbury property on the corner of Great George and Water Streets.

The Island Co-op Services Ltd., present occupants of the building will vacate the premises at the end of this month and move to the former Lawitt warehouse where they will set up their entire whole sale plant.

A complete renovation of the exterior as well as interior of the Rattenbury Building will be required, and although no completion date is fixed, the project will probably get underway next month.

Fire of undetermined origin broke out about 8 o'clock last night on the second floor of the Prowse Building above the drug store of Reddin Bros. on Richmond Street.

The City Fire Department was quickly on the scene and though fighting the fire in near-zero weather confined it to the one room, and soon had it under control.

At the same time in granting the increases the Board has moved to protect the subscriber and insure a better quality service than has been received in the past.

The delegation of Federal powers to the P.E.I. Marketing Board was unanimously ruled invalid by the three Judges of the Supreme Court of Prince Edward Island sitting in banco in Charlottetown yesterday.

The judgment went on to rule that the powers conferred on the Board by the Provincial Legislature to regulate transactions within the Province are valid but that the scheme in general is ultra vires.

THURSDAY

A \$16000 bursary from the Imperial Order Daughters of the Empire is available this year to some student in Prince Edward Island who will have passed his high school matriculation examinations in time to enter university in September, and who is a son or daughter of a deceased or permanently disabled veteran.

All candidates for this generous bursary must have their applications in the hands of Mrs. Thane A. Campbell, Summerside, provincial educational secretary for the I.O.D.E., not later than March 1st, 1952.
