Heatherbell Smashes Island Trotting Record

Clips Two Seconds Off Mark Made By Abbe Worthy On Charlottetown Track

Heatherbell-Plucky Scott Duel Features Sensational Racing Program At Montague. All Classes Closely Contested.

Montague race track, the most popular of the rural twice-around, was the scene of sensational racing yesterday afternoon when an ex-Grand Circuit pacing star Plucky Scott 2.06, hooked up with the old reliable trotter Heatherbell in a duel that lowered Plucky Scott's half-mile track record to 2.08 1/4 and Heatherbell's to 2.08 1/4, and incidentally cut two and one-half seconds off the track trotting record made by Heatherbell three weeks ago and also two seconds from the Prince Edward Island trotting record of 2.10 1/4, held by Abbe Worthy since made at Charlottetown in 1931.

In the above class with those two horsés were Star G., Trixie Volo, McElwyn the Great, Hanover Courier and Ross K. They were all clocked in fast time, particularly Star G. who was right at his record in the first and second heats.

Great interest was taken in the first appearance of Plucky Scott 2.06, particularly since the news had leaked out that she had worked a mile for Trainer Scoble over his home track in 2.08 1/4. Some were sceptical, thinking that it was out of the question, but when the judge announced Plucky Scott as the winner of the first heat after a terrific duel all the way with Heatherbell, time 2.08 1/4, these doubts were set at rest.

The second heat Plucky Scott had the pole and Heatherbell on the outside raced to the quarter in thirty seconds, to the half in 1.02 1/2, Heatherbell coming home to win the heat in 2.02 1/4, lowering the records as above. The track was lightning fast, but at the start of the races there was a high wind blowing that must have retarded the horses quite a bit. Later on it calmed down and the conditions were almost ideal.

Not only was the racing of a high order in the 2.15 Trot and Pace referred to above, but all the races were good with close finishes, sometimes of the blanket variety, making it difficult to pick the winner. Horses changed places with startling rapidity and spectators were on the qui vive from the first "Go" until the last heat was finished at six o'clock. It was truly an afternoon of royal sport, harness racing such as is very seldom seen in this province.

2.15 Trot—Lusty Frisco was a straight heat winner, but in each heat he came from behind and two of the finishes were by a neck. Lusty was driven a masterful race by Fred Cameron, who has won three races in a row with the son of San Francisco. High Toby was 2-2 and so close that it was nip and tuck the first two heats. Helen D., with Tyndal Spruce up, won a great race in the third heat, forcing out the Frisco horse to a hard drive to stave her off.

The Classified Pace was won by the Campbellton owned Peter Onward 2.13, who had a bit too much rush at the right time for the others. In the second heat there was a mixup between Peter Onward and Billy Bondeer and Peter Onward's sulky was broken, causing him to finish last. In the third heat he came back strong a winner. Soviet won the second heat with a strong finish.

The 2.25 Trot and Pace, the fourth class on the program, had ten starters, a rather difficult field to get away satisfactorily. Bud Cope with owner George Callbeck up, copped the race after Balbo had won the first and fastest heat. Every heat was a race for places and as the horses were pretty evenly matched great interest was taken. The trotter Hal Boolum, who took a record of 2.17 1/4 at Summerside last week, showed a lot of class but in with the bunch of pacers was forced to go long miles, which of course handicapped him considerably.

A BRIEF STORY OF THE RACES
2.15 Trot and Pace—Six pacers and one trotter answered the starter's bell promptly at two o'clock, and after four scores got away. Plucky Scott had the pole, Heatherbell was in sixth position on the outside, but when the first turn was reached Heatherbell was on even terms and trotting the turn like a streak. Those two raced down the back stretch, up the home stretch and in fact almost the entire mile neck and neck. Heatherbell dropped back a bit entering the stretch, came on again but could not head Plucky Scott to the wire. Star G. who had gone a more evenly paced mile came with a rush at the last end and finished at Heatherbell's wheel. McElwyn the Great was a very close fourth, Hanover Courier fifth, Trixie Volo sixth, Ross K. seventh.

In the second heat the horses got away on the third score. Heatherbell and Plucky Scott racing to the quarter in thirty seconds, about as fast as horses go over a half-mile track—or as trotters trot—to the half in 1.02 1/2. At the three-quarter pole Heatherbell seemed to be gaining a bit and on the lower turn commenced to forge ahead and took the lead which he held to the wire, although closely pressed by Plucky Scott, with Star G. again a good third and McElwyn the Great fourth.

The third heat Heatherbell had the pole and kept it right through, winning in 2.10. Star G. was a good second, Trixie Volo who had finished in sixth and seventh position the previous heats showed up well in the third, being a good third, McElwyn the Great again fourth, Hanover Courier, a high-going pacer, did not take too kindly to the hard footing, as his summary will show, neither did Ross K. 2.15 Trot—The first heat in this race High Toby was out in front all the way until the last 25 yards, when Lusty Frisco sprinted up and won by a neck. Calumet Bee who had made a bad break and recovered, came on to win third. Captain Cope in at the rail went a nice mile and showed up good, being fourth, Helen D. fifth, Jollyset sixth.

In the second heat High Toby was again the leader until well into the home stretch when Lusty Frisco again sprinted up. Calumet Bee showed a lot of speed in this heat but had a bad break on the lower turn ruined her chances. Hackfast trotted the best heat since he came to this country, never lifting his nose and being right at the leader's sulky wheel. Helen D. was fifth, Captain Cope sixth.

Third heat—This heat saw four horses in a blanket finish, so close were they it was almost impossible to pick positions, in fact the fifth, sixth and seventh horses were right in the bunch, the last position going to Jollyset who although his summary was only seventh must have trotted within half a second of the leader. It was truly a thrilling heat.

Classified Pace—Peter Onward had too much brush for the field and the ex-Onloan Billy Bondeer was good enough to be second and

Owens Races To Third Spectacular Triumph

Fight Fans Eagerly Await Gong Friday

Fight fever is once again taking hold of Island fans as the date nears for Prince Edward Island's first heavyweight elimination tournament scheduled to take place at the Forum tomorrow (Friday) night. And well it might, for almost everywhere one goes that is all that is being talked about and almost in every instance fans are picking different men as probable winners. From Kings, Queens and Prince Counties the reports trickle in about the prowess of the "local" entrants and in some cases "old cash" is in evidence to back up the statements that are being made. But however it goes, and from this corner a guess would not even be attempted, it should be a spectacle that will not soon be forgotten and one that was never witnessed before.

Twenty men all about evenly matched in physical prowess and all with the same idea in mind, that of earning a chance at champion George Leslie's title. Is something new and spectacular, and no doubt the entrants will make the show spectacular. Nobody expects boxing and nobody cares much whether there is any or not. Action is what's wanted and action is very likely what will be dished out as the gong sends the first pair of fighters hammering away at each other.

While every entry will be eagerly looked for probably two will draw more attention than the others, Stan Bilgar and Biggar. Evans has a lot of publicity in his recent exhibition affair with Leslie at Kensington when he knocked the champion to his knees and fans are expecting fireworks when he stacks up against his opponent or opponents Friday night.

Stan Bilgar is no stranger for it was this same boy that recently was knocked out by Leslie in a title bout. Biggar, by entering the tournament, has kept up training and his handlers state that there is attendance as going to get a pleasant surprise when they see the Charlottetown fighter in action on his second appearance inside the squared circle.

Few Upsets In Tourney Yesterday

Considerably increased enthusiasm was evident yesterday as Holy Redeemer Tennis Club concluded the second day's play of its annual tournament. Ideal weather favored the players, with the exception of a strong wind hampered accuracy somewhat. Competition was keener than that of the first day, but in every instance favorites came through.

Following are yesterday's results:
Men's Singles
J. Kenny defeated G. Young, 6-2, 7-5.
L. Duffy defeated F. DesRoches, 9-7, 6-2.
A. Doucette defeated I. Connors, 6-2, 6-3.
E. Blanchard defeated M. Arsenault, 6-4, 7-5.
T. Berrigan defeated T. Gallant, 6-2, 6-3.
Ladies' Singles
H. Garrett defeated S. Smith, 6-2, 6-3.
Men's Doubles
Kenny & Connors defeated Young & Blanchard, 6-1, 6-4.
DesRoches & DesRoches defeated King & Haggerty, 7-9, 6-3, 6-4.
Mixed Doubles
Berrigan & Duffy defeated Mallett & Blanchard, 6-2, 3-6, 7-5.
Kenny & Arsenault defeated Pineau & Garrett, 6-3, 6-4.

Following is today's schedule:
11:00—J. Haggerty vs. R. King.
1:00—Strain & Mallett vs. Doucette & Duffy.
2:00—I. Berrigan vs. J. Coyle.
3:00—C. Kenny vs. H. Garrett.
4:00—A. Doucette vs. L. Duffy.
6:00—Berrigan & Callaghan vs. DesRoches & DesRoches.
6:00—E. Blanchard & E. Richard vs. J. Kenny & S. Smith.
6:00—F. Mallett vs. H. Blanchard.

All Stars And Nationals Clash Again Tonight

The All Stars and "Tid" McQuarrie's Nationals hook up this evening in the second game of the Industrial League semi-finals for the right to meet the Tip Tops in the finals for the Industrial League championship.

SUCCESS AT LAST

Joe McCarthy N.Y. YANKEE'S PILOT. OLD "SECOND PLACE" MCCARTHY AT LAST SEEMS CERTAIN OF AN AMERICAN LEAGUE TRIUMPH AFTER MANY YEARS OF HEARTBREAKING FAILURE.

Upsets Feature Canadian Amateur Golf Title Play

ST. CHARLES COUNTRY CLUB, Winnipeg, Aug. 5—Twelve western linksmen swept into the fourth round of the Canadian amateur golf championship today as the defending champion, C. R. "Sandy" Somerville of London, Ont., progressed safely with two other eastern Canadians and a ranking United States player.

Two rounds today brought defeat to many leading players including seven of the best from Ontario and Quebec. The headliner was the spectacular upset of Frank Corrigan of Ottawa by youthful Bob Reid of Regina, after the easterner had turned in a smashing upset in the morning to eliminate Phil Farley of Montreal, one of the favorites.

The Alberta contingent of five, with the provincial open and amateur champion, Henry Martell of Edmonton, leading the group, advanced to the fourth round en masse. British Columbia sent three men to the 16's, Saskatchewan one and Manitoba three.

Somerville, far from his usual steady self in the second round match with J. G. Mundrie of Winnipeg, eked out a 3 and 2 win, and in the afternoon defeated John Gemmill of Winnipeg by the same score. Today's play indicated the power of Fred Hass' American challenge. The New Orleans ace, fifth ranking United States amateur, smothered Leo Johnson of Winnipeg 6 and 5 in the morning and shot a four-under-par 69 in the afternoon to defeat Bud Deaver of Winnipeg 3 and 2. The youthful Deaver's stubborn fight made the match one of the day's best.

Island Closed Tournament Is Concluded

The Provincial closed tennis tournament concluded yesterday with Miss Eleanor Bourke and A. Wright defeating Miss Evelyn Sinclair and D. Cass for the mixed doubles title. The scores were: 6-0, 6-3, 6-3. Champions crowned during the tournament play follow:
Men's singles—S. Dickson.
Ladies' singles—Miss Marion Morris.
Men's doubles—S. Dickson and M. Owen.
Ladies' Doubles—E. Bourke and M. Morris.
Mixed doubles—E. Bourke and A. Wright.

Both teams are confident, and the game has all the earmarks of a bang-up ball game. "Tull" Morrison, Nationals' brilliant slow ball pitching right hander, will probably toe the slab for the Nationals, while "Lefty" McQuarrie, All Stars star pitcher is expected to get the nod from the All Stars manager. Game starts at 5:45 sharp. Bill Ryan will umpire.

Bauld Reaches Semi-final At Halifax

(C. P. By Guardian's Special Wire)

HALIFAX, Aug. 5—Two Ottawa players, one American and a Nova Scotian were left in the men's singles of the Nova Scotia open tennis tournament at the close of play today.

The Dominion Capital will be represented in both the semi-finals tomorrow, Joe O'Hara and Ed. Murphy winning their quarter-final matches. R. C. "Red" Haire of Garden City, N.J., and Don Bauld of Halifax complete the last four.

O'Hara, the tireless Irishman, battled four sets with bounding Bev Piers of Halifax before winning, 6-3, 0-6, 6-0, 8-6. The Nova Scotia player struck his top form in the second set and completely outplayed his opponent, but O'Hara hit out in the next set to reverse the score.

Murphy had little difficulty in winning from Clyde Sperry of Halifax, dropping only four games in three sets. In an all-Halifax match, Don Bauld eliminated a former Maritime champion, Hugh MacLennan, 6-4, 1-6, 3-6, 6-0, 6-4. The last of four Halifax players to be eliminated today was Harry Roper, who lost to Haire in a battle of the left handers, 6-3, 6-4, 6-3.

Ladies' Singles

Play in the women's singles was brought down to the semi-finals with Mrs. H. Jones of Halifax hitting hard against Miss E. Macneil of Halifax to eliminate her, 6-0, 6-3. The defending champion was followed into the last four by Mrs. P. V. Woodbury, Halifax veteran who defeated Mrs. W. Plett of Halifax, 6-1, 6-3; and Miss Jean Wright of Petite Riviere, N.S., who dropped only two games to Miss Kay Doyle of Halifax.

Mrs. R. Harrington of Bridgewater provided an upset by defeating Mrs. B. Harvey, Halifax County champ, 6-1, 6-3; and tomorrow will play Miss Jean Jardine of Newcastle, N.B., for the last position in the semi-finals.

Doubles Events

Seeded players advanced regularly into the quarter-final rounds of the women's, men's and the mixed doubles. Piers and Mrs. Woodbury defending champions, turned back D. Keating of Moncton and Miss Jardine, 6-2, 6-0, and L. Burke and Mrs. Jones eliminated a strong team of E. Condon of Ottawa and Miss I. Macneil of Halifax, 8-6, 6-2. Tomorrow O'Hara and Murphy will fight it out against Bauld and Haire respectively in the men's singles semi-finals and the women's singles will also be brought down to the final round.

Negro Star Breaks 200 Metre Record As Other Olympic Marks Topple

Redoubtable Phil Edwards Gains Berth In 1500 Metre Finals. Betty Taylor Crashes 80 Metre Hurdle Final.

(By Elmer Dulmage, Canadian Press Staff Writer)

BERLIN, Aug. 5—Invincible Jesse Owens set the stage for a three-event sweep by the United States in the Olympic track and field games today as records continued to tumble in unprecedented numbers.

A tireless English pedestrian, Harold Whitlock, who strolled off with the 50-kilometre walking title, was the only "outsider" to break into the win-column as Owens roared off with the 200-metre sprint, to become a triple champion, and teammates won the pole vault and discus throw.

Lean Lee Orr of Vancouver could do no better than fifth as the great Jesse upset the world record in the dash, but Dr. Phil Edwards raced into the blue-ribbon 1,500-metre final and Betty (Co-ed) Taylor, also of Hamilton, earned a spot in the women's 80-metre hurdle final. In addition, Larry O'Connor, a University of Toronto timber-topper, progressed into the 110-metre hurdle semi-finals while Sylvanus Apps of Hamilton and 10 other tied for sixth place in the pole vault.

Is Triple Winner

Highlighting the day like a brilliant star was Owens. As he hot-footed it over the 200 metres in 20.7 seconds, he clipped the world standard for the distance, around one turn, and saved 4-10ths second off the Olympic mark he set Tuesday. Monday he won the 100 metre dash and yesterday it was the broad jump. He is the first Olympian to turn the "hat trick" since peerless Paavo Nurmi did it in 1924.

Ken Carpenter, brawny Californian, tossed the discus 165 feet 7 29-64 inches for a triumph that displaced the former Olympic standard of 162 feet 4 7-8 inches. Then Earle Meadows soared 14 feet 2 15-16 inches to take the pole vault medal. He beat the former mark for the games by 1-16 inch.

Even the walkers took a hand in rewriting the record book. Whitlock ankleed over the route of 31,050 miles in four hours 30 minutes 41.4 seconds. Tom Green, also of England, set the previous mark of 4:50.10 in the 1932 Olympics.

Favorites Advance

Conclusion of trials for the metre mile, regarded generally as the premier race of the games, found most of the favorites still in the running. The survivors were blond Jack Lovelock of New Zealand; defending champion Luigi Beccali of Italy; Glenn Cunningham and Geneze Venzke of the United States; Canada's faithful "old" Dr. Phil and seven others. The final, scheduled for tomorrow, remains a distinct toss up.

Stan Wooderson, bespectacled English star who had been expected to do great things, joined Jack Liddle of Winnipeg and Hugh Thomson, Nanaimo, B. C., on the sidelines.

Wooderson, recent conqueror of the great Lovelock, reportedly went to his mark with an injured ankle. He hummed along well enough until the turn into the

In the afternoon semi-final, the pretty Hamilton girl ran second to Trebbosinda Valla as the Italian signorina skimmed the obstacles in the world record-equalling time of 11.6 and clipped 1-10th second from Babe Didrikson's Olympic mark. Betty was caught in 11.7, the listed Olympic standard.

In the men's hurdles Jim Worroll, Toronto, ran third and out while fellow citizen O'Connor was progressing. Leaping Larry was a close second in a trial Lavery of South Africa won in 15 seconds. O'Connor was clocked in 15.1. England's Finlay won in 14.7 the heat that marked the elimination of Worroll.

Dramatic Final

The dramatic 200-metre dash presented the picture of two American negroes finishing like a doubleheader midnight express. Matthew Robinson was about two metres behind the rhythmic-running Owens at the tape. Martin Osendarp of Holland was third and Paul Haenni, Switzerland, fourth. Behind Lee Orr came Wijnand Van Beveren of Holland in sixth and last place.

The burly Robinson had served notice of his class by winning a morning semi-final in 21.1 seconds, equalling the then Olympic record. Orr was second. Canada's other sprinters, Bruce Humber, Victoria, and Howie McPhee, Vancouver, were fifth and sixth respectively in the other heat. Owens took that one in 21.3, slow time for the Sepia shooting star.

In the pole vault, young Apps cleared 13 feet 1 5-32 inches to earn a spot in an 11-way jump off for sixth place that will be staged later. The Hamilton all-around athlete failed when the bar was raised to 13 feet seven inches.

Rowing Protest

BERLIN, Aug. 5—Olympic officials of Canada, Great Britain, the United States and Australia today protested strongly but to no avail against arrangements that call for six boats to row in the Olympic eighth final next week on the Grunau River. The protest was rejected by the committee of Hamilton Leanders, Canada's representatives, was particularly bitter when the draw for the eighth placed Canada against Australia, Italy, Hungary and Brazil in a preliminary heat. Only the winner of the three preliminary heats will qualify for the final and defeated crews in all three heats will be drawn into three new heats, the winners also reaching the final, making six in all.

AMAZING FACTS . . .

IN THE VIRGIN ISLANDS... TREASURE HUNTERS USE AN ELECTRO MAGNETIC RAY WHICH "SEES" DEEP BENEATH THE SURFACE OF THE GROUND TO DETECT HIDDEN PIRATE GOLD

IN CANADA... GILLETTE SCIENTISTS USE A REMARKABLE ELECTRO-MAGNETIC TESTER WHICH "SEES" BENEATH THE SURFACE OF BLUE GILLETTE BLADE STEEL TO DETECT HIDDEN FLAWS

AS CLEARLY as the X-ray reveals broken bones in the human body, Gillette's electro-magnetic tester discloses the slightest hidden flaws in blade steel. Instantly the story is flashed to a trained metallurgist, and the steel is rejected. With such scientific care, no wonder Blue Gillette blades give matchless shaving comfort.
