By JACK SULLIVAN  
CARDIFF (CP) — Irene MacDonald of Hamilton, Ont., the world's No. 1 springboard diver, placed second Monday night to a comparatively unknown English girl in the most sensational upset of the Australian-dominated British Empire Games swimming program.

"I just dived badly," the 24-year-old Canadian cheerfully explained in an interview. "I'm disappointed, but I guess a person can't be on all the time."

The upset, created by Chairman Welsh, also 24, of Thornley, Durham, capped a suspense-filled swimming program that saw the amazing Australians finish 1-2-3 in the women's and men's 100-yard freestyles.

A world record sprint time was set by Dawn Fraser, an Adelaide store clerk. The 20-year-old Miss Fraser, slim and streamlined, smashed her own world mark with a sensational 1:01.4 in the short sprint. That was one-tenth of a second better than her recognized mark of 1:01.5, set in England, Scotland and Wales comprise the world's eighth largest island.

The Australian national championships this year.

Monday night's victories brought the Australian total of firsts to four, along with two silver and two bronze medals.

**ANOTHER GOLD MEDAL**

Besides Miss Fraser's gold medal, lanky John Dewitt, world holder in the men's 100 freestyle, picked up a first in 56.6, one-tenth of a second slower than his own games record of 56.5, set in a heat Saturday night.

Australia's Terry Gathercole lowered another games record in the 220-yard breaststroke when he won his heat in 2:41.2. The previous mark of 2:52.6 was set in 1954 by John Doms of New Zealand.

The Canadians, who now have won two silver medals and one bronze one in the pool, had finalists in both freestyle events but they didn't have a chance against the Australians.

The first two weightlifters to see action added a couple of bronze medals to Canada's collection, although top honors went to South Africa and Barbados.

Reginald Gaffley, a Capetown storekeeper, wiped out the 1950 record of 655 pounds set by Fook

## Lions, Aces Are Winners

Barry's Lions and Rollaway Aces were winners in last evening's action in the City Softball League. The Lions defeated the league leading Junior Basilica Youth Club 8-5 and Rollaway dropped the Irishmen 5-2.

Art Balem hurled for the Lions and John Hughes took the loss for the Youth Club. Duke McCallum smashed the longest hit of the game a homer. Apps Arsenault and Forbie Kennedy of the Lions each hit triples.

Umpire was Frank Bell and base Judge Jack Kane.

In the other softball fixture Ralph Pincus was on the mound for the winners and Sonny Mahar pitched for the Shamrocks. Pincus gave up only three hits.

Reggie Hughes and Paddy Shepherd got doubles for the winners. These were the only extra base hits of the game.

## Redlegs Crush Chicago Cubs

CINCINNATI (AP)—Bob Thurman's three-run homer helped power Cincinnati's Redlegs to a 4-1 victory over Chicago Cubs Monday night. Harvey Haddix had to squelch a Cub ninth inning rally before nailing down the victory that jumped Cincinnati from the cellar to fifth place in the tight National League scramble.

It was the sixth victory in 11 decisions for Haddix who fanned four Cubs and walked two.

A single by Johnny Temple and a walk to rookie Dan Morejon set up Thurman's big hit in the seventh inning.

The first five innings included some strange baseball. Three Cub pitchers walked eight Redlegs, hit two batters with pitches and had one wild pitch.

Only other double dash winner on the card was Jolly Bud who paced the first mile in 2:15.5-5. On the second trip around Jolly Bud took a new record for himself, going the mile in 2:13.2-5. In the second race on the card Ken's Pride also took a new record, 2:16.2-5.

# Sets Pace In Qualifying Round For Amateur Title

By W. R. WHEATLEY  
Canadian Press Staff Writer

TORONTO (CP)—Gordie Ball, a top-rated Ontario amateur from the Toronto Western Club, shot a sparkling four-under-par 67 Monday to set the pace for a whopping big field in the first qualifying stage for the Canadian Amateur Golf Championship.

The six-x-club, chewing golfer sank a 30-yard chip shot for an eagle two at the 16th hole in his crackling round. Another holed-out chip shot of 25 yards earned him a par at the seventh after he had driven out of bounds.

Martin Stanovich, a 240-pound golfer from Chicago, scored an eagle three at the 10th and came in with 69 to join Robert Bruce of Milwaukee.

Jack Pentrose of Miami Beach, Fla., came in among the late finishers with another 69 to create an all-American bracket at that figure.

There were 13 par-breakers—a sharp contrast to the complete lack of sub-par golf over the Scarborough club's par 71 course in Saturday's play for interprovincial team honors and the junior Canadian championship.

**SIX IN THE 70s**

Half a dozen Canadians were in the 70 bracket—Doug Bajus and Bob Kidd of Vancouver, John Munroe of Sydney, N.S., Will Homeniuk of Winnipeg, Bruce Castator of Toronto and veteran Jack Nash of London, Ont.

The field of about 180 did not finish until well on into the evening. Another 18 holes will be played today. The 64 low scorers for the 36 holes will start match play Wednesday and the finals will be reached Saturday.

Nick Westlock of Windsor, Ont., 1957 champion, shot a par 71.

He joined a big group at 71. It included the only former champion in the tournament—Dick Chapman, Sr., of Oosterville, Mass., who won at Saint John, N.B., in 1949. Chapman's son was three strokes higher than his dad Monday.

Ball was over par at only one hole during his round. At the 455-yard par-four 12th he was short with his second, chipped up and two-putted for a five.

He breezed through the front nine in 34, two under par, getting a birdie four at the first and another at the third where he sank a 25-foot putt.

At the 275-yard par-four seventh he put his tee shot out of bounds. It cost him two strokes. He fired his next 25 yards from the pin and holed out his chip shot.

Ball birdied the 10th and after his miscue at the 12th went in paris to the 285-yard 16th, par four. His drive left him 30 yards short and he sank his chip shot for the eagle deuce. He parred the remaining two holes.

Stanovich and Bruce shot nines of 37-32 against 36-35 par.

## Feller, Robinson Disagree On Matter Of Bonuses

WASHINGTON (AP)—Bob Feller Friday buried a verbal fast ball at the payment of huge bonuses to promising youngsters.

"Ridiculous," snapped Feller, who got nothing for signing his first contract except three autographed baseballs.

In denouncing bonuses that have run above \$100,000 a crack, Feller disagreed with another former baseball great, Jackie Robinson.

Both Feller, Cleveland's former strike-out king, and Robinson, ex-Dodger third baseman, testified before the Senate anti-monopoly subcommittee on sports legislation already passed by the House of Representatives.

"Don't punish" young players by discontinuing bonuses, Robinson said. He said payments for signing a contract provide youngsters with a nest egg to live on if it turns out that they lack the ability to make a career of the major leagues.

The bill would allow the sports

## Little League Action Yesterday

In the first game of Little League baseball yesterday the Yankees shaded the Red Sox 6-5 in an exciting game of ball. The winning pitcher, George Frizell struck out 10 opposing batters. Robert MacNutt hit a home run to score the winning run and for the Yankees. Alfred Wakelin started for the Red Sox and took the loss. He was replaced by Gauthier and then Kennedy.

The Tigers swapped the league-leading Braves 18-0 behind the one-hit pitching of Billy Weatherbie, Paul Doucette hit a sharp single in the 5th inning to spoil Weatherbie's no hit.

Jimmy Duffy led the Tigers' attack at the plate and played a fine defensive game to lead his team to this win.

In Pony league baseball the Indians edged the Cubs 8-7 Jackie Lane was on the mound for the winners and Reggie McClintock took the loss. Lane sent 13 batters down swinging. Roger Gallant led his team to victory by getting two double plays, and scoring 2 runs.

Today's activity:

## Canada Rejects Poland's Idea

OTTAWA (CP)—Canada has informed Poland that the Communist country's proposal for a de-nuclearized zone in Central Europe does not form a basis for negotiating a world disarmament agreement.

Canada's position was communicated to Poland in a diplomatic note dated July 9 and made public here Monday by the external affairs department. It was in reply to a note from Poland Feb. 14 outlining the proposal.

The Canadian note said it is apparent "that this (Polish) plan for a first step toward disarmament in Europe falls short of the requirements for a successful limited approach to the major problem (of disarmament) and therefore could not be expected to provide a basis for negotiating an equitable agreement."

The note does not elaborate, but an official of the external affairs department said the Polish plan would make permanent the partition of Germany into Western and Communist sectors. The West's objective was to bring about a united Germany after free elections.

**CONTROL SYSTEM**

The Canadian note says Canada attaches particular importance to the "Polish government's recognition that any agreement should be supported by an effective control and inspection system."

It adds that Canada's judgment does not necessarily "exclude the possibility of negotiation leading to an agreement limited as to region or subject..." however, "any such approach would, in order to be acceptable, have to contribute towards an increase in mutual confidence and at the same time not complicate the solution of other problems."

Canada remained concerned along with Poland over the continued failure to achieve progress on world disarmament.

"...We therefore remain ready to examine suggestions which might be expected to lead by stages to the final aim."

The Canadian note says the Geneva conference on the policing of nuclear tests is evidence of a widely held hope that solutions to special aspects of disarmament may contribute to a general settlement.

# There Are Tales To Tell Of Berra In Right Field

NEW YORK (AP)—The adventures of Yogi Berra in right field are just beginning but already there are tales to tell.

Yogi muscled the centre fielder, Norm Siebern, out of the way to catch a fly ball Sunday against Kansas City. Earlier a fly caromed off his glove into the stands for a ground rule double.

After the Sunday doubleheader, the Yankees were telling Leonard Koppert of the New York Post about garrulous Yogi and his new job.

"You think he didn't find people to talk to out there?" asked Gil McDougald, the second baseman. "He talked to me. He talked to the bullpen. He talked to the fans."

"Aw, I just kept asking the fella where to play," said Berra. "And when somebody called me around to see who it was, NEW SIGN LANGUAGE

"One time I look out and he is pointing to the ground," said McDougald. "I couldn't figure out what was wrong. Was there a hole in the outfield? Or maybe a four-leaf clover?"

"You know what he meant? He was trying to tell me he was playing shallow."

A few minutes later McDougald raced into right field to catch a high fly right in front of Berra.

"I could catch the ball," said Yogi. "I was there, but you holler I'm supposed to let you have it."

Later in the game Yogi bowled over Siebern in centre.

**GET JUMP ON BALL**

"I must of got a hulluva jump on that ball," said Yogi. "Because I didn't realize I was that far over in centre."

"Dead centre," said McDougald.

"Well, you was playing right field," said Yogi. "I had to go somewhere."

Casey Stengel was pleased with Yogi's adventures in Hank Bauer land.

"Well, he did all right," said the Yankee manager. "He can't catch yet. His glove hand still bothers him when he gets behind the plate. So I might just as well use him in the outfield. He can play there. I'm not worried about that."

Like most of Stengel's moves, this one paid off, too. Yogi hit a two-run homer and in the 10th inning to win the first game and had two singles in the second.

# Is New P.G.A. Golf Champion

HAVERTOWN, Pa. (AP)—Dow Finsterwald captured the 40th Professional Golfers Association championship with a 72-hole score of 276 Sunday as a 19-year-old ghost came back to haunt the great Sammy Snead.

Three shots back of Snead with 15 holes to play in their head-to-head duel, Finsterwald drove to his first major title with a brilliant closing 67, three under par.

He finished two strokes ahead of Bill Casper of Apple Valley, Calif., who had a 70 for 278.

Snead, whose mighty game went into complete collapse as pressure mounted on the sun-baked Lanercost Country Club course, salvaged a scrambling 73 for 280.

That was just one stroke better than the last finishing Jack Burke Jr., winner of this tournament and the Masters in 1956, who eagled the 15th hole and shot a 70 for 281.

**BREAKS JINX**

For Finsterwald, 28-year-old son of an Athens, Ohio, attorney, the victory blotted out the growing belief that he was destined same time not complicate the solution of other problems."

Canada remained concerned along with Poland over the continued failure to achieve progress on world disarmament.

"...We therefore remain ready to examine suggestions which might be expected to lead by stages to the final aim."

## Forest Fires More Costly

OTTAWA (CP)—Forest fires devastated more than three times as much timber area in Canada in June as they did in the corresponding month last year, the northern affairs department reported Monday.

Nine hundred acres destroyed or damaged 355,000 acres of forest in the month, compared with 851 fires and 106,000 acres in June, 1957.

The department said June usually is a month of few forest fires because vegetation reaches its peak growth at this time of the year and acts as a fire retardant. However, the weather this June was usually dry, especially in Western Canada.

Since the start of the year, 3,218 forest fires have burned 1,047,600 acres of timber area. There were 1,611 fires in May which burned 459,100 acres.

## Introduces A Jet-Age Sulky

HAMBURG, N.Y. (AP)—A designer of rocket missiles introduced a jet-age sulky to harness racing at Buffalo Raceway Saturday.

Veteran horsemen gazed in astonishment as Levi Harner wheeled out for workout seated in a rig that consisted of two wheels, a cross bar and a single shaft connected to the horse's back.

The horse, Baldwin Hanover, ticked off a half-mile in 1:01, the best training performance of his career. The object of the sulky, the first completely new one since 1892, is to cut down wind resistance, said its designer Joe King.

# Canadian Horse Wins Big Race

NEW YORK (CP)—Nearctic, a 22-to-1 shot from Canada—considered so lightly that he was put in as a field entry—captured the \$50,000 added Michigan Mile Saturday and set a track record in a runaway race at Detroit.

Elsewhere on U.S. tracks, Eddie Arcazo triumphed on Bold Ruler in the \$110,500 Monmouth Park Handicap at Oceanport, N.J. Round Table won the \$87,100 Laurence Armour Memorial Handicap in Chicago and Strong Bay achieved his first stakes victory in taking first money at the \$116,900 Westerner at Hollywood Park.

Nearctic, ridden by jockey Rene Sorenson and owned by Windfield Farms Limited, upset the favored Swob's Son and 12 other horses.

Shoerullah was second and My Night Out, 1957 winner of the Michigan mile, was third.

The Canadian horse, making his first Detroit start, upheld a Michigan Mile tradition. No favorite has ever won this race.

## Denies Africans Barred From B. E. Games

SALISBURY, Rhodesia (Reuters)—An Empire Games Association official Friday denied reports that African players are barred from taking part in federal Empire Games teams because of color or association policy.

Harry Pichanick, chairman of the Mashonaland (Southern Rhodesia) branch of the Empire Games Association, said: "The inclusion of athletes depends upon their being affiliated to a properly constituted sporting body."

"At the moment, there are no Africans we know of in this category."

But Africans could be expected to find a place in future Games teams.

## Stuart Now A Full Fledged Major Leaguer

PITTSBURGH (AP)—Dick Stuart, a 25-year-old home run hitting phenom of the minors, came to Pittsburgh Monday for the first time as a full-fledged major leaguer and gave every indication of being a changed man.

Speaking quietly and with none of the boastfulness which characterized him at the Pittsburgh Pirate training camp last year, Stuart said he hopes to stock with the club although he's batting at only a .170 clip.

Since being called up from Salt Lake City, Stuart has played in 11 games. Despite his low batting average he has driven in 12 runs.

He struck out 18 times in 47 times at bat but five of his hits have been for extra bases. Included are four homers, one a grand slammer.
