Distilling Firm Promoting Corn-Growing Development

By ROBERT PRINSKY
"REAL (C) is a agricultural development program... The firm is the House of Seagram..."

"Right now," he says, "Canadian farmers supply only about 40 per cent of the market for grain corn in this country..."

"Most imported corn comes from the United States, Argentina and South Africa supply almost all the rest..."

Selected corn hybrids were supplied to the farmers participating in test plots... Each farmer is compensated for the cost of land, preparation, planting, fertilization, cultivation and the maintenance of performance records...

In the past, southwestern Ontario has supplied about 90 per cent of all the grain corn grown in Canada... Most areas in this country do not see enough sun and frost-free days to support corn as a cash crop.
