# Terrorism Flares In British Guiana

GEORGETOWN, British Guiana (Reuters) —Bomb blasts and police raids on two political party headquarters were reported here Monday as terrorism flared anew in this strike-hit colony.

Police reported finding Molotov cocktails in a midnight raid on a building in the compound of the People's Progressive party led by left-wing Premier Cheddi Jagan. Two party members were held for questioning.

One of a 30-minute series of four blasts which rocked this capital Sunday night caused heavy damage at the home affairs ministry.

Janet Jagan, the premier's wife, recently was appointed home minister, a job including responsibility for the police.

Two other bombs were hurled as Peter d'Aguiar, leader of the opposition United Force party, who was addressing a meeting.

**FIVE INJURED**

The explosions, including a blast at the health ministry and another on a street, injured five men, two of them seriously. Four men were hurt in Negro-Indian clashes.

British troops patrolled Georgetown following the explosions.

UNITED NATIONS (CP)—The Soviet Union urged Monday that a United Nations mission be sent to British Guiana to investigate political and social unrest there.

Soviet delegate Vladimir Brykin told the General Assembly's colonialism committee the British Guiana government had asked that such a mission be sent.

Delegates of Iraq and Sierra Leone supported the proposal to send a mission.

# Coal Imports Production Increase

OTTAWA (CP) — Canadian production of coal rose 4.4 per cent in May but landed imports increased sharply by 59.2 per cent from the corresponding year, the bureau of statistics has reported.

Domestic output increased to 779,633 tons from 746,792, imports to 1,738,284 tons from 1,092,007.

Production rose in Nova Scotia and Alberta but dropped in the other producing provinces.

May production by provinces, with figures for May, 1962, in brackets: Nova Scotia 452,222 tons (386,406); New Brunswick 41,903 (66,026); Saskatchewan 85,200 (119,051); Alberta 153,571 (100,834), British Columbia and Yukon 64,933 (72,475).

For the first five months of 1963, domestic production was up 5.1 per cent to 4,590,337 tons from 4,368,290 in the corresponding period last year, imports up 26.8 per cent to 2,911,751 tons from 2,295,832.

# Failures Discussed

MONTREAL (CP)—Too many business failures can be traced to over expansion with too little capital, Maurice Archer executive assistant to the president of E. G. M. Cape and Company Limited, said here.

Addressing the opening meeting of the three-day golden jubilee Conference of the General Accountants Association, Mr Archer said about 40 general contractors went bankrupt during the first quarter of this year.

"It is surprising the number of enterprises which, while seeming to operate successfully, are in difficulties because too large a part of their funds are tied up in plant, buildings or holdback.

Mr. E. A. Hendry of Toronto was elected president of the General Accountants Association of Canada. Other officers elected included: F. M. Hoar, Saint John, N.B., third vice-president.

# Youths Charged In Ont. Murder

CHATHAM, Ont. (CP)—Two London, Ont., teen-agers were formally charged in court Monday with the murder of Robert Henry Marshall, 28, also of London, whose slashed body was found in woods.

Richard Alan Edgar Swearingen, 17, was charged with capital murder in magistrate's court and a 15-year-old boy was charged in juvenile court. Both were remanded in custody. The name of the 15-year-old was not released.

Marshall's body bore deep slash marks in the throat and wrists and rope burns around the throat, wrists and ankles.

# Allies Doubt Austrian Plan

VIENNA (AP) — Austria's national airlines have disclosed plans for a direct link between Vienna and both parts of divided Berlin under a plan which the Western allies fear may endanger their position in West Berlin.

A spokesman for the government - controlled Austrian airlines said preliminary talks were under way with authorities in both West and East Berlin to establish regular flights.

The flights would cross East German territory outside the existing three allied air corridors on the basis of an agreement between Austria and East Germany, the spokesman said.

The plan would make Austria the first neutral country to reach such an accord with the Communist regime although it has no diplomatic relations with East Germany.

**MASK BLAMED**

TORONTO (CP)—A coroner's jury inquiring into the drowning death of Robert Douglas Adie, 7, of suburban Etobicoke, has recommended "government restrictions" on the manufacture and sale of underwater equipment. The jury blamed a 40-cent plastic mask for the boys death in the Humber River.

The bidding:

| East | South | West | North |
|---|---|---|---|
| 3♠ | 4 NT | 5♠ | 6♦ |

Opening lead—ace of spades.

This hand was played between Great Britan and Lebanon during the European championships in 1961. The bidding at both tables was very active, but this is not uncommon when good players get together.

At the first table, the British East (Truscott) opened with three spades. Certainly this was not a standard three spade bid, but Truscott reasoned that the opponents probably had the better cards, and, since they were vulnerable and his side was not, he tried to take advantage of the situation.

The Lebanese South overcalled with four notrump. He didn't quite have the values for the bid, even though he and his partner were treating this bid conventionally as a request for North to bid a minor suit. West (Friday) intervened with five spades and the Lebanese North bid six diamonds, which was certainly tempting under the circumstances.

This contract went down one —100 points —when East led the ace of spades and shifted to a heart.

At the second table, with a British pair now North - South, the bidding went:

| East | South | West | North |
|---|---|---|---|
| Pass | 1♠ | Pass | 3♠ |
| Pass | 3♥ | Pass | 5♦ |
| Pass | 6♦ | | |

The British South (Rose) thought there was a good chance for a slam when North (Gardener) jumped to three diamonds. Anxious to stop a heart lead, he made a false cuebid of three hearts.

North, with a good heart fit, then bid five diamonds, and South, imbued with the spirit of the occasion, bid six. Of course, this was a bad contract, lacking two aces, but Gardener made the hand anyhow.

West led the queen of spades. East took the ace, catching the king, and, finding it difficult to place West with the ace of hearts on the bidding, returned a club in the hope his partner had the ace.

That settled the matter. Gardener was able to discard three hearts from dummy on his long clubs and Great Britain scored 1,370 points for making the slam.

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
