but one club was held in the Holy Name Hall under the chairmanship of President Wendell Gillis. Next week's meeting will be held at the City Hall on Thursday night.

The rule regarding a batter being hit by a pitched ball was thrown out by a majority vote of the team representatives.

According to the rule introduced this year in the Ontario Softball Association a batter struck by a ball thrown by the pitcher is allowed to take his base.

The R. C. A. F. at Summerside were granted ten home games during the League schedule. According to plans each team will play thirty games during the schedule.

It was decided at last night's meeting that the base judges would be appointed by the umpire and that these judges would be agreeable to both coaches.

Bedeque Play The Calamity Kids Is Adjudicated

—The adjudication of the Bedeque play "The Calamity Kids" entered in this year's Drama Festival was carried out in the Central Bedeque hall on Wednesday evening, May 5th.

Anticipation of a good performance was evidenced by a full house with all standing room occupied long before the hour had arrived.

The atmosphere throughout the play was one of keen enjoyment, and the close attention given the actors won the commendation of both the adjudicator and chairman.

It is difficult to mention one in particular of all the cast. The play centered around the twin boys, Rickey and Mickey, Wendell Myers and Don MacFarlane, whose pranks provoked gales of laughter, and accounted for much of the sylvatic action of the play.

George Campbell as "Hezekiah Hopkins" and his wife "Emily" Joan Craig, gave a fine performance of a lovely pair of country people in their home, the twins, and other homeless ones, found refuge.

"Brad Rivers", Alexander Green, was most convincing as the grating student, and the vivacious charm of "Bonnie Blue" Edith MacEwen, the lovable pepper-pot who also charmed her audience.

The part taken by the twins Aunt Opal, Mededith MacLean, her daughter "Lorraine", Frances Craig, and her son "Emmer", Edward Pearson, were presented well.

The clever sparring of Lorraine as she vied with Bonnie for Brad's affections, and Elmer's tearful appeals to his mother for protection from the mischievous twins were vividly enjoyed.

L. Marina MacCallum, as "Clara Hays", the inquisitive and loquacious spinster-boarder, provided much merriment.

The difficult role of "Guiden Cardey", the twins' uncle, was ably portrayed by William Callbeck who also performed the duties of chairman most acceptably.

The original specialty "The Four Hats", Alexander Green, George Campbell, Wendell Myers, William Callbeck, and Edward Pearson, brought tremendous applause, and "Lord Ullins Daughter" with Velma MacEachern as "Bride" was a delightful interlude.

The adjudicator, Mr. Plus Callaghan, in his remarks praised the moral tone of the play, the splendid diction of the actors, the uniform high quality of their acting, and paid tribute to the director, Miss Phyllis Britten, to whom much credit is due for the success of his performance.

Rocky Nelson Sold Back To Montreal

PHILADELPHIA, (AP)—Rocky Nelson, purchased from Montreal last October by Cleveland Indians, was sold back to that International League club Friday.

"I never got a chance," the 29-year-old first baseman said of the bad news. "This is the first time I know of a guy who had to make the team in spring training, I never played in a single game after the season started."

Manager Al Lopez rated Nelson his regular first baseman when spring training started, but Rocky's hitting and fielding were far off during the exhibition season.

TeePees Defeat Quebec To Advance Against Oil Kings

TORONTO (CP)—St. Catharines TeePees defeated Quebec Frontenacs 4-2 before 6,669 fans in Maple Leaf Gardens Friday night to win the eastern Canada junior hockey final and advance to the Memorial Cup final against Edmonton Oil Kings.

Hughie Barlow, a 20-year-old centreman in his last junior year, fired two goals in the third period, the second into an open net, to give St. Catharines its first eastern Canada title in 12 years of junior A hockey.

The victory gave TeePees the best-of-seven eastern final four games to two and capped a lengthy grind. It was the 91st game of the season for the eastern winners who had to win seven games to win the Ontario Hockey Association championship before meeting Frontenacs.

TeePees and the well-rested Oil Kings, who have been idle nearly three weeks since winning the western crown, meet here Sunday in the first game of the cup final. St. Catharines, showing more polish in the second and third periods than the tired Frontenacs, counted first but Quebec tied it 1-1 before the initial period ended and stayed in the game 2-2 at the end of the second.

Brian Cullen and Pete Koval scored the other St. Catharines goals and Butch Bouchard and Gilles Thibault counted for Frontenacs.

It was a last-ditch attempt for Quebec who dropped behind with a whopping 9-1 defeat at Quebec Wednesday after squaring the series at 2-2.

HALIFAX, (CP)—About 250 workers at General Seafoods Ltd. big fish plant here went on strike today following collapse of wage negotiations.
