FROM BOSTON.—The Steamer Florida will be due here from Boston about four o'clock this afternoon.

ADJOURNED MEETING.—The shareholders of the Hillsborough Skating Club were adjourned of the adjourned meeting this evening.

CANNED BLUEBERRIES.—Three cars of canned blueberries arrived from England today for shipment to Boston in the Florida. They were put up by J. H. Myrick & Co.

THE CASE DISMISSED.—Mr. Henry Hooper was accused of selling intoxicants at Cumberia Park and was tried before H. J. Palmer, Stipendiary Magistrate, at New Glasgow, yesterday. There being no evidence to substantiate the charge the summons was dismissed.

FIRE AT SUMMERSIDE.—About half past ten this morning the alarm sounded in Clarke's auction room, Water Street, Summerside. From this place the fire spread to Angus McSwain's tailor shop, destroying everything, including books. There was no insurance. Mr. McSwain's loss is about \$1000. Thomas Johnston's tinshop was also destroyed. There was no insurance.

HARPER'S BAZAR.—No matter what other magazines and papers the American woman buys, she subscribes to Harper's Bazar for the numerous articles it contains about fashions. It is her guide not only in those matters which have given her the reputation of being the best-dressed woman in the world, but in those other questions of mode which are not less important—the fashionable innovations in dinner-giving, receiving, in furniture and decoration, and in the thousand and one things which distinguish the cultivated American housewife. There is no other paper in this field. The Bazar has no rival; it has not even a competitor.

AN ENJOYABLE CONCERT.—The Concert in aid of the poor attracted a large audience to St. Patrick's Hall last evening, and the programme prepared for the occasion was rendered in a creditable manner, most of the numbers being encored. Vocal solos were contributed by Mrs. Rose, Miss Smith, F. Trainor, and Miss Heenan; readings by John McPherson and James H. Hedlin; recitations by Miss Blake and Miss Gallant; and Mrs. U. Blanchard accompanied the vocalists on the piano. Professor Caven, President of the Charlotetown Conference of St. Vincent de Paul, occupied the chair.

A NARROW ESCAPE.—A five-year-old boy named Steele had a narrow escape from certain death about 2 o'clock this afternoon. Henry Barr, a truckman engaged hauling stone to the site of the new St. Paul's Church on the corner of Grafton and Prince Streets, stopped with a load on the opposite side, awaiting his turn to unload. He left his truck to help another to unload. In his absence three little boys, his own son, young Steele and another climbed on the truck load of stone. Young Steele was sitting in front and when the horse started without the driver, Steele fell off and the wheel passed close to his head, so close that the right ear of the lad was nearly severed from his head and left hanging by a thread, and he was also cut in the right temple. The lad was conveyed to the office of Dr. R. S. Jenkins, near by, who stitched the injured ear and had the lad conveyed to the home of his widowed mother on Grafton Street.

About \$76,000 worth of the cheese has been sold to Hodgson Bros., of Montreal, for shipment to Liverpool. The first batch will be forwarded via Boston in the Florida. There are about 34,000 lbs. of butter now on hand.

CRESCENTS ARE THE VICTORS

The Match With St. Dunstan's Won by 3 to 0—A Great Game.

Some weeks ago the Crescent Football Club held their fall meeting, and after some discussion it was decided to try and arrange games with New Glasgow, St. Dunstan's College and Prince of Wales College. The game with the Prince of Wales was played on last Saturday, and the Crescents triumphed 6 to 0. New Glasgow sent word they could not play here on Thanksgiving Day, as invited, having an engagement in Halifax for that day. St. Dunstan's accepted, but stipulated that the game be played on their grounds on Thursday, Nov. 15th. Before the Crescents' answer was sent, two of their best men left the Island. The Secretary personally asked the Collegians for time to have another meeting, elect a captain and fill the vacant places. The Crescents' answer was sent, two of their best men left the Island. St. Dunstan's won the toss, and chose to defend the western goal. The Crescents kicked off, and the ball was returned. The scrimmaging showed at once the Crescents' superiority, they were in possession of the ball almost all the time.

Marriage Customs.

In Java, the bride washes the groom's feet as a token of submission. In Hungary, at the time the groom gave the bride a kiss for the same purpose during the wedding ceremony.

Horseback weddings, where groom and bride ride off together, are still seen in some parts of Tartary.

Among the Borneo head hunters a young man, in offering marriage to a young woman, had to present her with the head of a man killed by himself.

Tournefort says that among Greek rustics to-day the bride and groom run the gauntlet of young folks of their acquaintance, who kick and cuff them as they pass.

In Charlotetown and vicinity, before or after the wedding, it is usual to buy the necessary FURNITURE at our store. We make a specialty of Furniture for new homes. You will find our goods and prices "Wright."

Gentlemen, we don't want to court you for your trade, outside of treating you with courtesy and giving you what we consider values not easily duplicated.

If we give you goods for little or nothing we are cheating somebody. Our good customers would not go in for that, so we promise you that none can undersell us, value considered.

Our trade has been steadily growing, through, we presume, just treatment, which is an indication of life and health from a business standpoint. Don't be afraid to put us to a little trouble by asking to see our goods. We will be always pleased to see you.
