KENSINGTON HOME AND SCHOOL MEETING

The Kensington Home and School Association met in the school on Thursday evening, April 3rd. After reading the creed in unison, routine reports were heard with Mrs. George Brookins in the chair. Plans were made to hold a pre-festival concert and committees were appointed. The corresponding secretary was asked to write Dr. L. W. Shaw about holding the postponed Education Week meeting in Kensington. It is expected that at this meeting a regional high school for Kensington will be discussed. S'ide Child Injured By Washing Machine

Twenty-three-month-old Brian, son of Mr. and Mrs. George Chappell, 336 Central St., in Summerside, suffered a painful and unfortunate accident at his home on Sunday morning about 11 a.m. The ends of the index and middle fingers of his left hand were cut off almost to the first joint, when his hand became caught between the belt and pulley of a washing machine that had been converted from gas to electric. His mother, who was employed each week day at Smallman's Ltd., was washing clothes for Brian and her two other children, when the little fellow, unknown to her, came quickly from another room, and placed his fingers on the revolving belt which carried it into the sharp edged pulley, causing the fingers to be cut off immediately. His mother alone in the home, with the child at the time, summoned help and rushed the little lad to the Prince County Hospital for medical attention. He was allowed to return to his home last evening from the hospital. —S.

Tignish and Vicinity

Lorne McHugh, who met with an accident last fall which caused him to spend much time in the Western Hospital, is now getting around without the aid of crutches and though not fully recovered from the fracture which occurred several months ago, he is now looking forward to getting back to normal in the near future. Little or no opposition was recorded in the Legislature to the bill providing the 30 members with an additional \$500.00 indemnity. The \$15,000.00 now required for this increase would have done a lot of work on the forgotten part of the highway from Montserrat to Tignish which is now designated "Muddy Lane" by many who are obliged to use it. The sincere sympathy of relatives and friends is extended to the Dolbosser family in the bereavement of their sister, Aist Edwina, which occurred in Sacred Heart Home the morning of March 31st. A daughter of the late Mr. and Mrs. Joseph Clohesy of Nail Pond, in her early forties, she suffered from a rheumatic condition for several years and her remains were brought to her home here for funeral service and interment which took place Thursday morning, April 3rd, at St. Simon and St. Jude Church. She is survived by three sisters, Rev. Sr. Camillus, C.N.D., Charlottetown; Mrs. Downing, R.N., and Miss Freda of Charlottetown; and three brothers: Everett of Boston; Frank and Roy of Tignish. Her three sisters and St. Mary Leonard accompanied the remains to Tignish. An extra train arrived in Tignish on Thursday evening, 3rd, Supt. Montgomery was accompanied by other Railway officials Messrs. Macdonald, MacKenzie, Rand and McIsaac. A critical inspection of the terminus plant the train left about seven o'clock. Capt. M. E. Bernard and Mrs. Bernard, formerly of Tignish, are receiving congratulations on the birth of a baby girl at Hotel Dieu Hospital in Moncton, N. B. Captain Epephe is now stationed at Halifax as paymaster in the regular army corps. —G.U.

Two Injured By Car At Wellington

A 1935 Ford car, reported to have been driven by a boy from Wellington, struck a group of young people in front of the Co-Op Store in Wellington on Sunday evening, sending two of them, a boy and the girl, to the Prince County Hospital, in Summerside. The two, both visitors to Wellington, were Victoria Farrar, 13, from the Magdalen Islands; and George Gaudet, 14, of St. Nicholas, whose parents are Mr. and Mrs. Ernest Gaudet, of St. Nicholas, now living in Summerside. It was reported that the car had been driving up and down the road, and just previous to striking the couple had been in collision with a gas tank nearby. The two who were sent to hospital were part of a group who were about to attend an Easter social evening in Wellington. The Gaudet girl received a severely broken or fractured left leg, while the nature of the girl's injuries were reported to be less severe. It is understood that the driver of the car will appear in court today in connection with the accident. —S.

Hampton and Vicinity

Miss Annie Large, Charlottetown, is convalescing at the home of her niece, Mrs. G. Victor Ferguson. Miss Large, who spent several weeks in the Prince Edward Island Hospital, hopes soon to be able to return to her duties. The regular monthly meeting of the W. M. S. was held at the home of Mrs. Mark Cameron on Tuesday evening, April 1st. The mumps are beginning to be felt here in Hampton. Some of the school children and grown-ups also have been laid aside for a few days with this sickness. Messrs. Rowan Ferguson, George MacLean and Buddy Morrison, are kept busy with their small trucks keeping the local stores supplied and hauling live stock and produce to and from Charlottetown and other shipping centres. Mr. Howard Myers, one of Hampton's many carpenters, left recently for Sydney, N. S. He motored over with his brother-in-law, Mr. Roy Oakes, who came home to attend the funeral of his mother, the late Mrs. Oakes of Westmoreland. His many friends in this community were shocked when they learned of the sudden death in Montreal of Mr. Ernest Dunsford, son of Mr. Fred Dunsford, Cornwall. Emerson was born in South Melville and was very well known and respected here. To the bereaved family friends are extending sincere sympathy. Mrs. William Myers entertained on Friday afternoon, April 4th, in honor of the first birthday of her small daughter, Marlee. Games were enjoyed by the small guests. Dainty refreshments, consisting of fruit cream, cookies and a lovely birthday cake were served by the hostess. It is time that all our Island towns and villages had a Curfew Law. This seems to be the only way that children under 16 years of age would be at home after nine o'clock unless accompanied by their parents. Much damage both to property and characters could be avoided if such a law were enforced. —A. F.

Delightful 3-Act Play Presented At Summerside

Under the direction of John E. Cameron, the three-act play "Her Step Husband" was presented last evening in St. Paul's Hall by the St. Paul's Dramatic Club, under the auspices of the Summerside Council of the Knights of Columbus. Produced by special arrangement with T. S. Denison Co. Ltd. of Minneapolis, Minn., this first moving comedy met with a splendid reception from the first night audience who apparently enjoyed every moment of the play from the opening curtain to the final scene. Built for laughing purposes, the play deals with the unhappy situations created by the wife with a too vivid imagination. Her attempts to cover up one situation merely created another even more embarrassing but, as is the case in all good dramas, the tangled web she weaves is finally untangled and everyone is happy. The cast features old favorites who have entertained Summerside audiences in the past and also several newcomers, who in the opinion of the audience, more than won their spurs on their first appearance in local dramatics. The cast of characters was as follows: Harvey P. Marshall, Reginald McLaughlin; Dr. Gerald Nyles, Edward Arsenault; Officer Shea, John Cameron; Mary Marshall, Bunny Clow; Sylvia Allen, Pearl Cameron; Miss Emily Paisley, Kathleen Cameron; Florence Anislee, Shirley Noonan; Stella, Mildred Cameron. The orchestration was by Ted Ahern's band and added much to the success of the play. Specialties were of an exceptionally high order and were enthusiastically enjoyed. They were a tenor horn solo by Rod Larlee, who chose for his first number the beautiful "Ave Marie" and a banjo solo by C. L. Shermerhorn brought forth round after round of applause. The show will be repeated again this evening. —S.
