

IN MEMORIAM

GEORGE HERBERT SMITH

The people of Wheatley River and surrounding districts were deeply shocked and saddened when it became known on the evening of May 17, that Herbert Smith had suffered a heart attack and passed away instantly at the age of 70 years.

He was born in Bungay, P. E. I. the son of the late Jacob Smith and Margaret Jane Waye. His sudden passing was a severe shock to the members of his family, his neighbours and friends. He was well known throughout the surrounding districts as he had been a faithful mail courier for 32 years, retiring just five months before his death.

On the side of his sorrowing wife, Beatrix Waye, he leaves to mourn his passing the following daughters and son: (Aunt) Mrs. David Axworthy of North Milton; (Dorothy) Mrs. Harold Chandler, Wheatley River; Una at home and Robert of Dartmouth, N. S., and five grandchildren.

The funeral was largely attended, with a short service at the home then to Wheatley River, United Church. Both services were conducted by the pastor, Rev. Howard Christie, who took as his appropriate text Proverbs 25 verse 13: "As the cold of snow in the time of harvest, so is a faithful messenger to them that send him, for he refresheth the soul of his Masters."

Mr. Christie paid tribute to his years of faithful service as a rural mail courier and his readiness to do a kindness for any of his box holders.

Hymns sung were: "The Lord is My Shepherd," "Rock of Ages" and "Abide With Me." Also a solo by Mr. Gordon Carew. Mrs. Phillip Matheson was the organist.

Mr. Smith was tenderly laid to rest in the church cemetery.

Pallbearers were: Messrs. Ernest Stead, Robert Stead, Ellsworth Waye, John MacLean, George Ling and William Daye. Flower bearers: Messrs. Arnold and Gordon MacLean, Rufus and Ernest Axworthy, Douglas Waye, George Smith, Preston Ford, Honeywell Spence and Jackie Chandler.

The many kind messages of sympathy which the family received and the following floral tributes bore silent testimony of the esteem in which the late Mr. Smith was held and expressed the sympathy of his many friends along his mail route and others far and near.

TV Shows Surgery In Color

By means of color television, some 2,000 eye specialists at the International Congress of Ophthalmologists in New York were given "front row" seats at a delicate eye operation. At top, Dr. Raymond E. Meek, centre, performs the surgery at New York Eye and Ear Infirmary. At bottom, doctors at the convention view a closeup of the operation on a TV screen. Only the hands of the doctor and the area of surgery were included in most of the "ringside" shots.—(Central Press Canadian)

P.Y.P.S. Labor Day Conference

The annual Presbytery Young People for Presbyterian Young People was held at Keir Camp, French River, over Labor Day weekend, under the leadership of Rev. M. C. Currie, director; Rev. E. H. Bean, Rev. D. Mawhinney and Rev. L.M. MacNaughton.

Rev. D. Mawhinney, recently ordained minister in Tyne Valley charge, delivered three inspiring theme addresses.

Friday evening the weekend began with a sing-song, campfire and lunch.

Sports and swimming were enjoyed Saturday morning. In the afternoon a worship service was conducted by Zion Y.P.S. with Arline Larier, Roddie Hickox and Isabel Farquharson taking part. Mr. Mawhinney then delivered his first theme address, "The Christian."

Saturday evening, the campers heard the second theme address, "The Church." This was followed by campfire and lunch.

The Sunday morning service was conducted by George Johnston, David MacKenna, and Basil Phillips. Randy Nicholson delivered the message, basing his thoughts on Romans 5. Sunday afternoon Rev. L. M. MacNaughton led a discussion on "Activities of Christian Young People," "Missions," and "Sunday Observance," followed by a sing-song. Mr. MacNaughton conducted the evening service, using as his text Psalm 51: 17.

The Council meeting, with Roddie Hickox presiding, was held Monday morning at which it was decided to hold a Central rally this fall. Rev. M. C. Currie closed the meeting with prayer. On Monday afternoon the president, Roddie Hickox, gave a resume of the weekend activities, after which Summerville Y.P.S. conducted a

ALBERTON W.M.S.

The September meeting of the Alberton Auxiliary of the W.M.S. was held in the United Church Hall on Sept. 7. There were 13 members present.

Mrs. Wm. Aubrey led the opening worship on the theme: "A Nation Before God," she was assisted by Mrs. Heber Hardy and Mrs. Underhill Coughlin. The president, Mrs. Green, conducted the business meeting. Tentative plans for the Autumn Thankoffering were discussed. Mrs. Waugh, Literature Secretary, reported five books read by members and a good report of calls, treats and flowers was given by the community Friendship Secretary, Mrs. Russel Bonyman.

Mrs. Wm. Aubrey, Christian Stewardship Secretary, read an article on Stewardship and led in prayer. Plans were made for the next meeting when Mrs. Waugh will be Hall Hostess, Mrs. Heber Hardy will lead the Worship Ser-

vice with Irene Mountain, Sylvia Bishop, Vera Ross, Myrna Hancock, Vera Maureen Forbes taking part.

On Monday evening a service in Geddie Memorial Church, concluded a successful weekend conference. Rev. L. M. MacNaughton installed the following officers for the ensuing year: Honourary president, Rev. D. A. Campbell; president, Roddie Hickox; vice-president, Irene Mountain; secretary, David MacEachern; treasurer, George Johnston. The banner committee reported that Zion Y.P.S., Charlottetown, merited the banner for the year's activities. Mr. Mawhinney then gave the final theme address, "The Challenge."

He stated that Jesus Christ has a three-fold challenge "Come Ye," "Pray Ye" and "Go Ye," and raised the question "What response are we, as Christian young people, going to make to this challenge?" The Conference closed with the benediction pronounced by Mr. Mawhinney.

Sees Views Of Reds Turning People To Bible

SACKVILLE, N. B. (CP)—A top British congregationalist said Thursday worldwide Christianity is gaining new confidence in its Bible chiefly because Marx and Darwin chose to argue it is wrong.

Dr. Leslie E. Cooke, secretary of the Congregational Union of England and Wales, broke his schedule at the 16th general council of the United Church of Canada to grant an interview. He said he felt the encroachments of scientific materialism and atheistic philosophies like communism have made Christians view their environment with alarm and seek out Christian revival for comfort and reassurance.

WIPING OUT DOLDRUMS
This uplift was wiping out the "doldrums" in which Christianity had wallowed for the last 30 years, he said.

This feeling would take time to penetrate down through the masses of Christians "in the same way that it takes time for a scientific theory to become popular."

"There is," he said, "rising con-

science and the Study will be presented by Mrs. Fred Leard.

The new study book, "The Church in India" was then introduced and the first study program given by Miss Annie Leard assisted by Mrs. Fred Leard. This study gave many interesting facts about life in India, the life of India's women and the work being done by the Christian Church in India, and introduced many questions which will be discussed in later study periods from this new and interesting book.

The Mizpah benediction brought the meeting to a close. During the social hour which followed games and contests were enjoyed under the direction of Rev. Robert Wagner.

Dainty refreshments were served by the hostess, assisted by several of the ladies present, and the various guests found an opportunity to speak to the guest of honor and express their personal good wishes for her, before departing to their homes.

New Redemptorist Seminary Planned

TORONTO, (CP)—A new Canadian Redemptorist seminary will be built on a site to be selected near Windsor, Ont.

Hon. C. G. Power, Liberal member of the Commons for Quebec City, has accepted the chairmanship of the seminary fund-raising campaign in eastern Canada.

Rev. George T. O'Reilly of Toronto is fund moderator for the east. His associate will be Rev. T. O'Sullivan in Toronto, Rev. P. Morley in Montreal and Rev. T. Morley in Quebec City.

The new seminary will replace the present college at Woodstock, Ont. The proposed building will have rooms for 80 seminarians, with faculty quarters, lecture rooms, a chapel, brothers quarters and a 50,000-volume library.

state of the nation."

"I don't think Marxist communism would have arisen at all if the Christian church had been faithful and true to its Gospel."

Dr. Cooke said the free churches of England, those not supported by the state like the Church of England, had achieved spiritual unity to a degree which made possible the switch of individuals and clergy from, say, a Baptist to a Methodist congregation.

SEES GROWING UNITY

This progress toward an ideal state of spiritual co-operation, he said, had made actual physical union like that which produced the United Church of Canada in 1925 neither necessary nor even desirable.

The free churches of Britain are the Baptist, Methodist, Congregational and Presbyterian.

He said there is in Britain a movement which draws its support largely from the free churches and which leans to the idea of government recognition of the Christian religion rather than recognition of a particular church. This, he felt, reflected the increasing solidarity of Christians to the menaces of secularism.

NEW CONSTITUTION

TOKYO (AP)—Peiping radio said Monday the People's Congress has adopted unanimously a new constitution for Communist China. There was no indication of what the constitution contained.

Manslaughter Case Adjourned

MONCTON, (CP)—Glendon Frederick Greelman of Moncton, charged with manslaughter in the highway death of Aquilla Bourque, 40, Aug. 29, has been remanded to the county jail at Dorchester until bail can be arranged.

Greelman appeared in police court Tuesday to answer the charge. Twenty witnesses were on hand to testify but defence counsel D. H. Macfarlane asked an adjournment. The case was set over to Oct. 5.

Killed By Truck

PARRSBORO, N. S. (CP)—Vaughan Morris, 45, of nearby Diligent River, was killed Saturday when hit by a truck whose driver said he was blinded by dust.

Dallas MacDougall of Port Greville, N.S., said a truck ahead of him churned up so much dust he couldn't see Morris, employed as a signaller for a company paving the highway between here and Diligent River.

An inquest was slated for today.

SPECIAL RESEARCH

PLYMOUTH, England—(CP)—The 1,062-ton vessel Discovery II returned after a month's research work with underwater television in the North Atlantic on behalf of the admiralty.
