Music Department Concert and Banquet

The Music Department wishes to announce the establishment of the U.P.E.I. Music Department Scholarship Benefit Concert and Banquet.

As most of you know, we have initiated the "Frances Dindial Memorial Music Scholarship", from the interest of which we hope to be able to offer annually \$600 to a full time freshman music student resident on the Island.

This is a beginning, and in an effort to continue to attract high quality students to the University, on May 4 we will be instituting

this Scholarship Benefit Concert and Banquet as an annual event.

For the cost of \$20.00 per person, the public will be treated to a late afternoon recital, to be performed by graduates from our Department, with a banquet following in the University Cafeteria. The proceeds from this will go towards establishing "Alumni Scholarships" in order to provide financial assistance for music students.

We see this event as an opportunity for our alumni to assist the students who follow them in our Department. It is our hope that we will also receive support from the University Community and from the Island Community as a whole.
