### Boys' Parliament Defeats Nuclear Arms Resolution

A resolution favoring the acquisition of nuclear arms for Canada was defeated at Saturday's session of the 9th Older Boys' Parliament.

Following much heated discussion among the parliamentarians, meeting in the Legislative Chambers here during the weekend, the motion which was introduced by Ralph Carruthers (Kensington), was defeated by a vote of 12-8. The motion was to accept nuclear arms.

Those favoring the resolution said Canada must maintain her defence forces and her independence. Byron Burns, second alternate, said that this must be considered not only as a moral issue but also as one concerning NATO's obligations as a member of NATO.

Among those arguing against the motion was Claire Darby of Summerside, who asked whether Cuba should be allowed to accept nuclear arms from the USSR, if Canada were allowed to accept them from the United States.

Premier Neil St. John stated that Canada must accept nuclear arms as a power by not accepting nuclear arms.

The two men, James Murphy of Earncliffe, and his son Charles were travelling in the car. The driver of the truck was said to be a Mrs. MacPherson, address unknown. It is known that she did not suffer any injuries.

### Drug Store Break Nets Cash, Smokes

Chief of Police Sterns Webster last night reported that the city police department is engaged in investigating a break, entry and theft which occurred at Stead's Pharmacy, Kent Street.

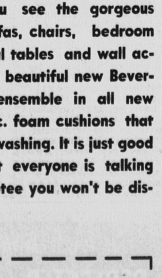

The break is said to have occurred somewhere between two and three o'clock Sunday afternoon. Preliminary investigation revealed that the intruders got into the building by removing a screen from a rear window through which they were then able to open.

Exit from the store was apparently made through the rear entrance.

The break was first discovered by the proprietor, Sydney Stead, who reported that a sum of money in the vicinity of \$500 was taken from a box in the dispensary, and an unknown quantity of cigarettes was also taken.

He immediately notified the fire department. The potatoes and warehouse belong to the Reid Produce Co., Montague. Mr. Fraser discovered the fire about 10:45 a.m. Sunday.
