## Bank Manager Is Possessor Of Rare Postage Stamps

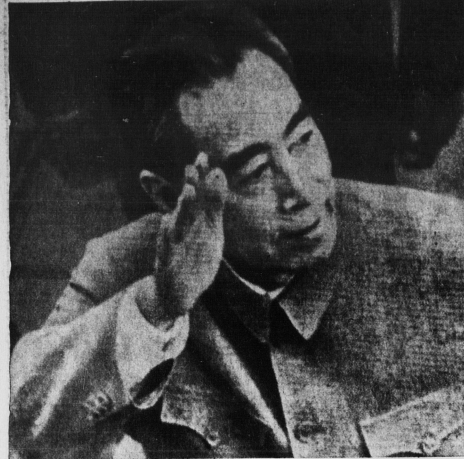

By RALPH CAMERON  
Edward G. Black, manager of the Provincial Bank of Canada here, is the proud possessor of a set of the only round postage stamps in the world.

The stamps were issued primarily to commemorate the issuance by the United Kingdom of a set of gold coins at face value to be issued anywhere in the world since 1953. Mr. Black learned of

the special gold coin issue and was fortunate in receiving, direct from the Tonga treasury department, two of the three coins—1/4 Koula and 1/2 Koula value which in terms of the Australian pound were five and 10 pounds respectively.

This being their first visit to P.E.I. they are very impressed with it and hope to return again during the summer months.
