CITY COUNCIL.—Regular monthly meeting of the City Council will be held on Monday evening next, at the usual hour.

FOOTBALL.—A football match was played this forenoon between the Eastern Warriors and the Anchorites. The former won by two points.

A GOOD PURCHASE.—Dr. J. F. Fraser, of Glace Bay, C. B., has purchased Mr. Geo. Farquharson's trotting horse Deerfield for a handsome sum. Dr. Fraser leaves for home with the horse this afternoon.

CABOT CRICKET CLUB.—Members will please remember the meeting in the Cabot Club rooms, Queen Street, on Monday evening next. Important business relative to the future success of the club will be transacted.

A BIG CATCH.—Policeman Vance informs THE EXAMINER that on Thursday morning last between three and nine o'clock, he captured 176 good large trout one of which weighed 3 lbs. after being cleaned. The catch was made at Macdonald's stream near Dollars Mills, Lot 30.

FAT CATTLE.—Saunders & Campbell received to-day, per steamer Jacques Cartier, from Crapaud, fourteen fine fat cattle, fed by the following leading farmers of that place: Messrs. Finlay Ferguson, Howard Clark, Robert Myers, Aaron Collett, Freeman Lea, John Hall Lea, and Malcolm Ferguson. They were a fine lot, and are intended for their retail trade.

FOR BOSTON—The steamer Florida left in return to Boston last evening with a good general freight and the following passengers, Miss Lily Monroe, Miss Mary McCormack, Mrs Isabella Wood, Mrs Annie White, Mrs L. Matheson, Mr. and Mrs W. J. Collins, Mrs T. Cameron, Miss Kate Connolly, Miss Caroline Murray, Wm H. Murray, Thos. Murray, Miss Margaret Brown, Miss Annie Craswell, Miss Eliza Brundage.

SATISFIED WITH THE PROOFS.—N. A. Landry, of Bathurst, N. B., who has been engaged for some years past, establishing the claims of a number of Gloucester people to a fortune of about $30,000,000 in Spain, has received word from across the water that the authorities there are satisfied with the proofs he has forwarded of the heirs being in this country, and the remainder of the work is to be done here. The supposed heirs are a family by the name of DeGrace, whose parents came from Spain and settled in Bathurst.

DONAHOE'S MAGAZINE.—The discussion of popular government based on universal suffrage which was begun in the May number of Donahoe's, and which has created so much interest, is continued with vigor in the June number. Two radically different articles are the Blessings of Monopoly, and the Oasis of Siwah. In the former, Rev. T. A. Hendrick, a Catholic clergyman, presents a strong argument for the competitive system and for monopoly, its inevitable result, and in the latter article a German writer shows, in the form of an allegory, the meaning of rent and interest. The halo surrounding the name of John Brown is somewhat ruthlessly dispelled in a most charming article by Catherine Frances Cavanagh on Harper's Ferry and the Man who made it Famous. Rev. Dr. Shahan continues his scholarly and fascinating study of the Ancient Schools of Ireland, and Mary Elizabeth Blake has a remarkably strong Spanish story. The illustrations of the number and the shorter articles are up to the magazine's usual high standard.

We congratulate Mr. James Waddell upon his promotion to the position of General Manager of the P. E. Island Electric Light Company. Having done well as Superintendent, it was fitting that he should be advanced at the first opportunity.

THE LADIES.

The pleasant effect and perfect safety with which ladies may use the California liquid laxative, Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

NEW YORK, June 6.—The commercial cable company has declared the usual quarterly dividend of one and three-fourths per. cent. payable on July 2nd. The transfer books will be closed at 2.30 p. m. on the 20th of June, and re-opened on the morning of July 3rd.

SHERBROOKE, June 6.—Joseph L. Terrill, appointed sheriff of St. Francis district recently, died suddenly this morning. The three latest incumbents of this office have died suddenly. Sheriff Webb dropped dead in his chair while preparing for hanging Blanchard. He was Terrill's predecessor.

NEW YORK, June 6.—The movement of the liberal element in the Presbyterian Church has at last crystallized into a formal declaration of principles which has been privately circulated until a sufficent number of names endorsing it have been secured to justify its publication. It is intended to form within the membership of the Presbyterian churches of New York and its vicinity a league of workers who, while defending no individuals, insist on the maintenance of liberty within constitutional limits in the church. The Presbyterian league expects to heal differences instead of dividing the church, and make it possible for all to remain in common loyalty to the church.

MONTREAL, June 6.—Star cable, London: There is continued heavy decline in emigration to America through British ports. As is shown by Board of Trade returns compared with last year's emigration to Canada, in May decreased from 8,070 to 3,094, and United States emigration from 31,514 to 16,318. During five months, emigration to Canada has decreased from 26,329 to 10,017. To United States the figures show a decrease from 103,560 to 51,995.

ST. JOHN'S, Que., June 6.—This morning the remains of Marie Louise Lefebvre, late wife of Crossley Towner, which had rested in the cemetery 21 years, were exhumed for re-interment. The body was turned into stone of a dark color, and perfect as to form, but petrified.

SHANGHAI, June 6.—Advices from Corea say the rebellion there is becoming more serious daily. The British fleet is at Port Hamilton in readiness to protect foreigners should it become necessary.

SPECIAL DESPATCHES TO THE EXAMINER

PARLIAMENT OF CANADA.

House of Commons Proceedings

The Tariff and Other Matters.

OTTAWA, June 9.

The House of Commons spent nearly the whole of yesterday in concurrence on the tariff resolutions, including the tariff. Item by item was read to the Speaker, and about about a dozen members on each side. Each item was then concurred in.

After recess all the private bills on the notice paper were advanced a stage, including the bill to incorporate the Nova Scotia Steel Company, which was read a second time.

Mr. Kaulbach gives notice of an order for a return giving the names and tonnage of United States' fishing vessels licensed under the modus vivendi; with the fees paid since 1887; also the dates of the departure and return of the cruisers employed on the coast protection service on the Atlantic seaboard.

THE CAMPAIGN IN ONTARIO.

Bright Prospects For Meredith.

TORONTO, June 9.

Since Monday last it has become evident that the Mowatt Government is in greatest danger. Mr. Meredith is certainly the most popular man in Ontario day, and the Leader of an Opposition conducting the most vigorous campaign of his whole career. Sir Oliver may possibly pull through, but at the time of writing, western Ontario is certainly against his administration, and in the eastern part of the province even the Grits admit that Bishop Cleary's violence has rallied hundreds of independent voices to Meredith's side. The Conservative Leader scores Principal Grant and the Archishop of Kingston on every platform, and this policy certainly takes with the masses. There can be little doubt that the Cabinet will suffer severely on the 26th as well as the Grit rank and file. The defeat of Gibson and Hardy may be looked for, and sanguine Oppositionists declare that Dryden will also be unhorsed.

UNFORTUNATE COXEYITES.

A Number Drowned and Missing.

BRIGHTON, Colorado, June 9.

Twenty-five Coxeyites who departed from Denver in boats, are still missing as a result of the upsetting of a number of their boats. It is thought that the twenty-five are drowned. Dead bodies can be seen on sand bars and lodged in the trees but cannot now be recovered. Twenty-nine boats containing 185 men passed Henderson Island bridge. But only twenty boats with less than 100 men reached Brighton. Many of the men are clinging to trees along the river banks.

ALMOST A GREAT DISASTER.

H. M. S. Blake Narrowly Escapes Collision

HALIFAX, June 9.

H. M. S. Blake and an ocean steamer narrowly escaped collision in the Bay of Fundy on Thursday morning. At 1.30 o'clock the fog was thick, and the lookout on the Blake saw the lights of another steamer just in time to avoid a collision. The engines of the Blake were reversed, and the other vessel shot past the Blake's bow.

A Chat About Clothing

is a dressy piece of business. You certainly can't chat about anything dressier or handsomer than our snapshots of the latest styles in SUMMER SUITS, that all who see pronounce just the outfits to wear this season. That's our reason for offering them, and our offers are never refused without regret afterward. We invariably make a hit on style, durability and artistic tailoring, and the more you examine one of our Suits the more you'll want to wear it. It's a want easily supplied, too, because there's no superfluous fat on our prices; they've been trained down to the right point for buyers, and we are selling lower than the lowest.
