New York Stocks

NEW YORK, (AP)— The stock market was a mixed affair Wednesday with a few strong issues providing a much needed prop.

On average, the market advanced, thanks to bulging gains in a handful of railroads. By actual count, gains and losses were fairly evenly balanced.

Airlines were higher and distillers were up, but otherwise the market's strength was lodged in individual issues.

The tobacco group was weak for the second straight session in the wake of new discussions about the connection between lung cancer and cigaret smoking.

The Associated Press average of 60 stocks advanced 20 cents at $136.10.

Aluminium Ltd. was up 2 1-4 at 66 1-8 after plans were disclosed for raising $40,000,000 through issuance of additional capital stock.

Canadian stocks were mostly lower. Canadian Pacific rose 1-2 but Dome Mines fell 1-8 and McIntyre fell 1-4. Lake Shore and Royalite Oil, Canadian issues on the American stock exchange, both were down 1-8.

Toronto Stocks

TORONTO, (CP) — The stock market Wednesday chalked up its heaviest volume in more than a month as a result of extremely heavy trading in a few uraniums.

Volume came to 4,230,000 shares, heaviest since Sept. 7 when 4,356,000 were recorded. The day's feature was Lorado Uranium which traded 925,000 shares and climbed 54 cents to $1.94 after favorable reports from its Beaverlodge Sask., properties.

Activity in Lorado was the heaviest any stock here has seen since New Mylamaque Explorations traded just under 1,500,000 shares Aug. 18.

Active and strong uraniums included Sudbury Contact whose property adjoins Lorado. It turned over more than 500,000 shares and touched 1954 high of 37 cents. Ravrock and New Thurbois also gained in heavy turnover. Algom climbed 20 cents.

While about the same number of uraniums recorded losses as gains the losses in individual issues were smaller. Gunnar dropped 15 cents.
