Poetry

Without You

I never realized...
The love I had with you.
Until you were gone.
Its only now...
When you are so inaccessible
That I feel the loneliness
My life feels so empty
I feel so lost
Without You
But I will never tell you this
Because I can't take the pitiful look
You would have in your eyes
So I will sit here
And let myself think...
About you
Try t forget you
And live my life
Without You.
