

# C. And B. Team Splits Double Baseball Bill At Harmon Field, Nfld.

The Curran and Briggs baseball club split a brace of games with the Harmon Field Huskies at the Harmon Field base in Newfoundland over the week-end, winning Saturday's game by a score of 10 to 0, and losing a thriller on Sunday, the final score being 2 to 1.

Big Bob St. Pierre pitched a no-hitter on Saturday, the American airmen going the full nine innings without collecting a base hit off the big boy from Boston. The C. & B. boys got ten hits.

Johnny Finn, another Curran & Briggs southpaw, allowed the Huskies only two bingles in Sunday's game, but his mates made five errors behind him, some of them very costly, and although the Canadians got five hits to the Americans two, Harmon Field was able to score two unearned runs and top the game that gave them an even break on the series.

The finish was a thriller. A Harmon Field Huskie was on third base and Paul Schurman let a pitch get away from him so the runner dashed for home. Schurman lunged after the ball and fell flat on his face but managed to get the ball over to Finn who was covering the plate. The throw was in plenty of time but the shock of the incoming runner caused Finn to drop the ball and the winning run was over the platter.

The Curran & Briggs boys were treated royally by their hosts and enjoyed their stay in Harmon very much.—S.

Bromwich, who also won the U. S. team titles with Australian

## Montreal Woman Wins Medal Play At Golf Tourney

ST. CHARLES GOLF COURSE, Winnipeg, Aug. 21—(CP)—Mrs. Graeme Pyke of Montreal today won the 54-hole, medal-play close championship at the Canadian women's golf tournament.

She carded a six-over-par 82 in the final 18 holes for a total score of 246, three strokes better than that of veteran Ada MacKenzie of Toronto. Mrs. Pyke also was medalist in the interprovincial championships, won Saturday at Ontario.

The 18 holes played today served as the qualifying round for the Canadian open. Grace DeMoss of Seattle, defending champion, took medalist honors with a two-over-par 78. The thirty-two top scorers qualified for match play starting tomorrow.

One stroke back of the leader was Babs Davies of Vancouver, 1949 Canadian close champion. She matched Miss DeMoss with a 41 in the par-38 first nine, then turned in a par 38 on the final nine as the leader went one under.

THE GUARDIAN, CHARLOTTETOWN

AUGUST 22, 1950

Both the Island Physical Fitness and City Junior Baseball Leagues are expected to swing into action again this week after a week-long rest due to the Old Home Week celebrations, providing of course that the present unfavourable weather conditions improve to permit such outdoor activities.

The Island League itself was to resume play last Sunday when the Abbies and R.C.A.F. were to meet over Memorial Field in a double-header that would have cleared up two previous postponements and give them a clear start on the remainder of the regular schedule commencing here and at Summerside on Wednesday. But the two past days of steady rain has wiped out the Sunday date, and with a hurricane in the air and possibly more rain, the prospects of getting events run off as scheduled don't look too promising at the moment.

It is a stated fact, however, that you can't cross bridges before you get to them, so one might as well take the optimistic view on the situation and jot down what is to take place if conditions are favourable. The Wednesday schedule for the Island League will see the two city entries, Abbies and Falcons clash over Memorial Field, while the western representatives, R.C.A.F. and Curran and Briggs will tangle over the latter's home diamond.

The Junior Vics and Knights are also expected to tangle some time this week, although the exact date has not been announced, in that all-important extra game to decide which one is the final scheduled winner and earn a bye into the playoff finals, and the losing team meeting Kinsmen in a best of three semi-final series. It was more or less anticipated that the tilt would get underway this evening on the Junior League's Tuesday date, but as the situation stands at time of writing, it will be doubtful if the diamond will be in fit condition to play over due to the heavy rain over Sunday and Monday, even if skies are clear by playing time.

The same teams are also scheduled to meet again on Sunday when the Abbies will have their home game against Falcons at Memorial Field, while the Curran and Briggs nine will be the visiting team over the R.C.A.F. diamond. But with a number of postponements to be picked up by all teams, it is hard to say just what other impromptu games will be run off before the week is out. In fact the Sunday dates might easily develop into doubleheader affairs to clean up some of the schedule, which is supposed to end on August 30th.

There will be also something special in the way of baseball entertainment this week. The Charlottetown branches of the Canadian Legion and Kiwanis Club are planning a "Donkey Baseball Game" to be held in the centre field of the Exhibition Track on Thursday. The program will feature the two Island League teams, Abbies and Falcons, with two squads made up from the Legion and Kiwanis members taking over in the third and fourth innings in a demonstration of how donkey baseball should be played.

To those who are not familiar with the title "donkey baseball",

## Senior Golf Tourney Opens On Thursday

ST. ANDREWS, N. B., Aug. 21—(CP)—More than 130 players are expected here Thursday to open the three-day 28th annual tournament of the Maritime Seniors' Golf Association.

Eighteen holes of medal play are scheduled for Thursday with another 18 Friday. An 18-hole team match will be played Saturday.

Members of the Association are above 50 years of age and belong to 26 clubs in the Maritime Provinces. The tournament has been held every year since the organization was formed in 1925.

## Remember When

By The Canadian Press  
John Cobb of England travelled faster over land than any human being, 368.85 m.p.h. but failed to set a new world's automobile speed record because he couldn't make the run due to motor trouble. That was 11 years ago today. Three years ago he set the record by roaring 403 m.p.h. over the measured mile at Bonneville salt flats, Utah.

## LONGEST THROW

Baseball's longest throw is believed to be that of Sheldon Lejeune, in Cincinnati, O., Oct. 12, 1910—426 feet, 9 1/2 inches.

It means that the players participating must use real donkeys as carrying mode of transportation in carrying out their plays. For instance, if the man at bat makes a hit, he must mount a donkey to get from home to first, and will make the circuit of the other bases in that manner, if he is fortunate enough to get that far, while the player making the play on the hit ball must also use the same method of recovering the ball to complete the play.

It should be a riot of fun and entertainment. Baseball is tricky enough at any time, but when you have a donkey to negotiate as well, then anything can happen. Those of you have ever ridden a donkey will fully realize the situation. If you are enough of a cowboy to stay on in the first place, then part of the battle is won, but getting the beast to where you want to go, when you want to, is another thing.

If the particular animal in question feels the urge to do your bidding, then you may get there, but if he doesn't, then no amount of persuasion will do the trick. If it comes to a showdown, take our word for it—the donkey will have the last laugh.

## Musial Holds Imposing Lead In Batting Race

NEW YORK, Aug. 21—(AP)—Stan Musial of the St. Louis Cardinals holds an imposing 20-point lead over Pittsburgh's Johnny Hopp in the National League batting derby.

The St. Louis slugger has hit safely 151 times—the most in the league—in 416 at bats for a .363 percentage. Hopp, playing fewer games, has 104 hits in 303 tries for .343. Figures include games of Sunday, Aug. 20.

Bill Goodman, Boston infielder, look over the American League batting championship.

Goodman put together a .357 average on his 110 hits in 308 times at bat in 80 games. George Kell of Detroit, who has been in 113 games and at bat 461 times for 161 hits, dropped to second position.

## Make Plans For Donkey Ball Game Here

Last evening the Joint Committee of the Canadian Legion and the Kiwanis Club met to finalize plans for the Donkey Baseball Exhibition which is being presented at the Exhibition grounds on Thursday, August 24th.

Reports of the various members of the Committee indicated that the enterprise will be a tremendous and very humorous success. The Committee wish to express their gratitude to the management of the Provincial Exhibition Grounds who kindly have donated these facilities to them for the evening.

The game itself will feature the two leading teams of Charlottetown, the Falcons and the Abbies. In the third and fourth innings, these teams are being relieved by teams chosen from the Kiwanis Club and the Legion and particular excitement is expected as some of Charlottetown's most prominent business men mount the donkeys to play ball.

Sale of tickets to date has been excellent and a huge crowd is expected to pack the stands. Even more will attend after seeing the parade of donkeys throughout our city streets which is taking place in the late afternoon, prior to the game. Also, an airplane will drop handbills at noon on Wednesday and cash prizes are being awarded to the holders of the handbills at a drawing which will take place during the game.

Invitations have been extended to the Lieut. Governor and his wife and the Premier and his wife and also the Mayor and his wife and it is hoped that the combined efforts of these two service organizations in their drive for funds for Community work will meet with great success.

# Dizzy Trout Continues His Amazing Comeback

By The Canadian Press  
Detroit Tiger's Paul (Dizzy) Trout continued his amazing comeback today as he posted his seventh straight American League decision, a neat four-hit 7-1 verdict over St. Louis Browns.

The big righthander's performance boosted Detroit's American League lead to 3 1-2 games over the second-place New York Yankees. The other American League teams were idle.

The two league-leading clubs open an important three-game series in New York tomorrow.

Vic Wertz and Hoot Evers each gave Trout a big helping hand with a three-run homer. Wertz got his 25th of the year off righthander Al Widmar in the first inning after Don Kolloway and George Kell had singled.

Trout fanned seven Brownies while notching his 11th win as against two losses.

Young Curt Simmons stopped the Giants cold with four hits today as the pace-setting Philadelphia Phillies whipped the New Yorkers 4-0 in the National League.

Thus the high-riding Phils maintained their fat 5 1-2-game edge over Brooklyn's Dodgers who beat Pittsburgh 3-2 in another afternoon tilt.

Simmons, in notching his 16th victory of the year, fanned five, walked two, and was in serious trouble only once.

Brooklyn Dodgers pulled one of their 1949 championship tricks, the double steal, to beat Pittsburgh Pirates 3-2.

Jim Russell, on the scoring end, and Duke Snider, surprised the Pirates with the winning play with Jackie Robinson at bat and two out in the fifth inning.

Don Newcombe, registering his 13th victory, went the route. The big righthander allowed 10 hits.

In a night game, peppery Tommy Giviano hit two bases-empty homers as St. Louis Cardinals nudged Boston out of third place in the National League scramble by beating the Braves 9-2 before a crowd of 13,104. The victory, which went to Harry Brecheen, put the Redbirds

# Vancouver Man Wins Canadian Golfers Ass'n Title

SUMMERLEA GOLF CLUB  
Montreal, Aug. 21—(CP)—Stan Leonard, Vancouver Marine Drive shot-maker, today won the Canadian Golfers Association championship.

He rolled up a total of 212 in the 54-hole medal play.

Bill Kerr of Montreal Beacons field and Jules Huot of Laval-Sus Le-Lac, Que., were tied for second place with 214 each.

Bob Gray of Toronto Scarborough was fourth with 215 and Gordon Brydson of Toronto Mississauga was next with 217.

Dick Borthwick of Hamilton, Ont., Ancaster, 1949 champion, and Nelson Young of Montreal Rosemere followed with 218 each.

Leonard almost lost his grip on the championship after a brilliant display of sub-par golf until he passed the 12th hole on the final round.

He was four under par with a 32 at the final turn and birdies the 10th and 11th. Then his game started to go bad and he finished the last nine in 37, three over par, but his total of 69 matched his morning round of 69 against par 70.

Bill Kerr needed a 70 to win or a one-over-par 71 to tie Leonard. He finished with a 73.

Other scores included: Jack McKinnon, Vancouver Cap alano, 159-37-35-72—231; Pelt Olynck, Edmonton Mayfair, 151-37-36-73—224; Bob Ferns, Charlottetown, 173-no card; Ben Norris, Timmons, Ont., 162-38-38-76—238; Kas Zabowski, Halifax Ashburn, 150—38-36-74—224; Pat Fletcher, Saskatoon, 148-36-38-74—222; Pat Fletcher, Regina, 151-38-43-81—232; Frank Willey, Red Deer, Alta., 151-41-38-79—230.

one game ahead of Boston and seven behind the front-running Philadelphia Phillies.
