NEW YORK

NEW YORK (AP) — Strong demand for an elite group of blue chips pushed the stock market to another new high Friday. Trading was heavy.

Chrysler faltered as profits were taken on its jump of 9¾ Thursday following news of a stock split. It fell 2⅜ to 97¼ on 394,000 shares, making it the second most active stock.

General Motors touched a new high as it soared 3¼ to 85 on 122,800 shares, making it fourth most active stock. American Telephone was fifth most active on 73,300 shares as it advanced 3⅜ to 133.

These and a few other top stocks of the big board accounted for an upsurge in the popular market barometers although in the over-all list gainers outnumbered losers by only a slim margin.

The Dow Jones industrial average rose 3.81 to a new closing peak of 755.61, topping the recent high of 752.34 made on Monday.

Standard and Poor's 50-stock index rose .73 to a new record of 74.01.

The Associated Press average of 60 stocks rose 1.0 to a new high of 281.7.

Volume topped 6,000,000 shares for the third time this week, the total being 6,380,000 compared with 6,260,000 Thursday.

Among Canadian issues traded, Canadian Pacific rose ⅞, International Nickel ¾ and Walker Gooderham ½. Aluminium Limited lost ⅝, Distillers Seagrams and McIntyre Porcupine ½, Dome Mines and Hudson Bay Mining ¼.

American Stock Exchange prices moved irregularly higher. Jupiter Corp added ¼, Canadian Javelin lost ½, Scurry Rainbow Oil ⅝ and Fargo Oil 1-16.

Total Sales: Industrials 159,200, mines and oils 230,600.

TORONTO

TORONTO (CP) — Another indecisive day was registered at the stock market Friday although volume was heavy, boosted mainly by active trading in speculative mines.

The industrial index closed ahead .90. Base metals also made gains, but golds and western oils dipped fractionally.

Canada Steamship Lines rose 2½ to 58½ on light trading, reflecting the slight easing of tension on the Great Lakes.

An unusually heavy trader was General Motors Corporation, up 4¼ to 90 on 9,779 shares. Massey-Ferguson led active industrials, ahead ¼ to 16¾ at close of trading after setting a new high of 16⅞ on 17,692 shares.

Chrysler slipped 1¾ to 106. Thursday the company announced a proposed two-for-one stock split which would also have the effect of doubling the quarterly dividend.

Banks were stronger while steels softened.

International Nickel and Labrador Mining both advanced ⅝ while Hudson Bay Mining fell one point to 56¾ among base metals.

Joutel paced speculative mines, rising seven cents to 87 cents on more than 311,000 shares.

Central Del Rio dipped 35 cents to $7.75. The company and Scurry-Rainbow Oil Ltd., a U.S. company, are reported to be discussing merger proposals.

On the Foreign market, Abitibi advanced 1½ to 50½ and CPR ½.

On index, industrials were up .90 to 657.88, base metals .53 to 212.12, western oils slipped .24 to 121.39 and golds .13 to 85.39. Volume for the day was 3,351,000 shares compared with 3,088,000 Thursday.
