Kinsmen Club Celebrates 39th Anniversary Of Ass'n.

SUMMERSIDE — The 39th anniversary of the founding of the Association of Kinsmen Clubs was celebrated by the Summerside Kinsmen Club at the Canadian Legion Home on Tuesday evening. President Wally Coulson was chairman.

This was a ladies night and the Kinettes were present as well as a number of guests. Mr. and Mrs. Clive Cudmore and Mr. and Mrs. Dave Walker of the Charlottetown Kinsmen Club were guests. Mr. Cudmore is president of the Charlottetown Kinsmen Club.

Dick Millar of Moncton, New Brunswick, governor of Kinsmen District No. 7 was the guest speaker.

His speech dealt strictly with Kinsmen matters. He stressed the importance that as many Kinsmen and Kinettes should attend the 1959 national convention. This is to be held in St. Andrews in September with District No. 7 (Maritimes) acting as host.

Governor Miller stated that the general efficiency of all clubs in the district is of a very high standard with the Summerside Club having 100 percent efficiency to date this current year 1959.

He closed by pointing out that nearly all the clubs in the district need a new community project. This is true in Summerside's case. Standing projects such as toy matinee Christmas tree project and the support of minor hockey and Little League ball will continue to operate.

Governor Miller was introduced by past president Norman Hogg and thanked by president Wally Coulson, who presented him with a picture of a view of a typical Prince Edward Island beach.

Also attending the meeting was Fred Fraser of the Moncton Kinsmen Club who is one of the co-chairmen of the national convention committee. He briefly addressed the meeting with regards to the coming convention and presided at a short discussion session with the club executive after the meeting adjourned from the tables.

Grant Mollison, who was program chairman for the evening, thanked Mr. Fraser and presented both him and the governor with letter openers as momentos from the town of Summerside.

Mayor Currie sent his apologies saying that last minute business commitments prevented him from attending the meeting. The sing-song was led by Doctor Gilbert Gallant and Aubin Doiron and fines were collected by George Oldscamp and Lowell Phillips.

SUMMERSIDE — Communication services are being restored rapidly after numerous breaks of ice laden wires had knocked out every circuit east and west of Summerside prior to the weekend, leaving the Charlottetown-Summerside-Moncton radio telephone relay as the only communication link in operation.

Last evening all long distance ground circuits were restored, and four crews from Summerside, together with six other trucks from Charlottetown, were at work restoring local lines in the Borden, Bedeque, Kensington, and New London areas, and expected to have most of them back in service by this evening.
