Big Weekend For Racing

HARNESS racing fans have plenty of opportunity over the weekend to enjoy their favorite summer pastime. Tonight Charlottesville Driving Park presents a great looking race program and if this kind of weather continues, the biggest crowd of the season will be out there tonight watching the pacers and trotters.

Classifier Frank Aron has really lined up a hokey of a card for the big holiday crowd that will be in attendance tonight. Monday afternoon and evening at Summerside Raceway, race classifier Glydon Willis has arranged 15 dashes for the big holiday turnout. Glydon appears to have a most interesting card ready for his Dominion Day patrons and it's almost a certainty that the usual big July 1 crowd will watch the horses strut their stuff.

And of course, there'll be many Islanders who will be watching their weekend racing on mainland tracks. The greatest number from this province will no doubt be at Halifax where June Byrd, the fast pacing mare of the Green Brier Farm, will be trying to capture the big \$3,000 pace—just one dash. A bit of a break in any of the racing schedules throughout the long weekend holiday, giving promoters, horsemen and fans the break they've been looking for.

Good racing to everyone.

Still Winless

FORBIE Kennedy's Flyers just can't seem to win a ball game. They are playing pretty fair baseball but haven't been able to master a decision yet in four appearances at Memorial Field. The last three they dropped were by 4-2, 5-4 and 4-3 scores. A bit of a break in any of the racing schedules throughout the long weekend holiday, giving promoters, horsemen and fans the break they've been looking for.

However, the first win will come any of these days and Kennedy is openly predicting that the initial triumph this afternoon when his Flyers are guests of Buck Whitlock's Stars.

Thursday the best attendance yet this season viewed that 43 verdict of Dodgers over the Flyers, gave a great contest with the boys on each team giving everything they had in an effort to achieve victory.

If it isn't in the cards for the Flyers who held the Dodgers off the score sheet in all of the innings except one. However, one inning saw the boys managed by Irv Mackinnon send four runners across the home plate, just enough to give them the necessary edge for the decision.

FOLKS once again didn't dare leave before that final out of the Flyers gave it a great try in the ninth but young Billy Weathers and his pals were able to get the job done.

With runners on first and second and only one out, Billy had a long job to complete. Kennedy, in an effort to put the game away in the first, sent two pinch hitters to the plate. The first worked on them carefully, struck out the first and got the second on an infield fly to the third baseman.

It was in the last inning for the Flyers who held the Dodgers off the score sheet in all of the innings except one. However, one inning saw the boys managed by Irv Mackinnon send four runners across the home plate, just enough to give them the necessary edge for the decision.

Softball Meeting

THE annual meeting of the Prince of Wales Island Softball Association will be held Tuesday evening July 3 at the Legion Home in Summerside.

President Charlie MacKenzie would like all interested to put in an appearance at this get-together as officers for the coming year will be elected and dates for registration of Island teams in Maritime "B" and "C" will be announced.

Remember all interested in softball are urged to attend.

Schreider, Stewart Are in Ultimatum

OTTAWA (CP)—Head coach Frank Clark of Ottawa Rough Riders said Friday that Ottawa coach Stewart Schreider has been handed an ultimatum: Play or leave the team, without commuting, or don't play at all.

Schreider and Stewart had been planning to commute between Ottawa and their Toronto location or play only one game of the season before school starts.

Clark added that other clubs contacted that would have players were paid too much money. Stewart attended only one practice a week last year while commuting to Toronto and it is reported to have drawn full salary of \$10,000. Schreider's pay was said to be \$8,000.

"I'm as much against Stewart and Schreider playing half and half as I am commuting," Clark said. "It didn't work out with Stewart last year and we're just as interested in trying it again."

Riders open their training camp in Ottawa but Stewart and Schreider haven't signed contracts but can still report for training.

Larkspur Is 5-2 Favorite In Irish Sweepstake Derby

NAAS, Ireland (AP)—A field of 24 horses is poised for a shot at a record winner's prize of \$60,777 in the Irish Sweepstake Derby.

Favorite at 5-2 in the betting is Larkspur, owned by New York's Raymond Gast, an Irish trainer Vincent O'Brien.

Other American-owned colts include Townsend B. Martin's Sebring and Mrs. Howell Jackson's Tambourine, who are well-regarded at eight to one, depending on which bookmaker you patronize.

Sebring, like Larkspur, is in the stable of the 39-year-old Irish trainer Vincent O'Brien.

King's League Has Divided Itself Into Two Sections

By ED CLINTON, Souris Bureau of The Guardian

The King's County Baseball League has divided itself into two sections. Georgetown, Peakes and Mores in the first section, and the other teams in the second division. Georgetown and Peakes are a first place team, while Mores is one-half game out of the pace. Mores has won a number of games at the other two teams, but lost a protest to St. Peter's and 'B' team.

First place is at stake this Sunday when the Peakes Bombers visit Georgetown. These two teams met already this year in Peakes with the Eagles from Georgetown winning a fourteen inning contest. Mores will play host to the Souris St. Mary's who are currently trying to find out why their bats are not connecting with pitched balls. Mores and Souris used to be one of the other football clubs in Canada. Trades had, in fact, been working with both teams to open up the two halves to report to Ottawa.

General manager George Terlep said these players wouldn't come to Ottawa without the assistance of the near-long civilian job. He declined to name them.

Clark added that other clubs contacted that would have players were paid too much money. Stewart attended only one practice a week last year while commuting to Toronto and it is reported to have drawn full salary of \$10,000. Schreider's pay was said to be \$8,000.

Highly Rated Australian Flyers Seek First Win

It's up to Buck Whitlock and his Stars whether Forbie Kennedy and his Flyers get into the playoffs today in the City Baseball League.

Stars entered the Flyers at 2 o'clock at Memorial Field and Stars intend to take over sole possession of second place. At present they are tied with the Dodgers, each team having two triumphs in four starts.

However, Flyers are much better than the Stars. They haven't lasted victory this season, although they tried on four occasions. But their losses were by narrow margins and they are much better than their record shows.

Each team will go with its strongest lineup this afternoon in an effort to garner the verdict. Buck and Forbie will be trying to outfox each other in the first inning.

Game is called for 2 o'clock sharp and players are urged to be ready to swing into action on the dot.
