IN MEMORIAM

HUGHES — In loving memory of a dear mother and grandmother, Mrs. James Hughes, who passed away November 7th, 1957.
 Remembrance is a golden chain death tries to break, but all in vain.
 To have, to love and then to part,
 Is the greatest sorrow of ones heart.
 The years may wipe out many things
 But this they wipe out never.
 The memory of those happy days
 When we were all together.
 Sadly missed by Mr. and Mrs. Bruce McCullum and family, Toronto, Ontario.

HUGHES — In loving memory of my dear mother Mrs. James Hughes, who passed away November 7th, 1957.
 Often I pause to think of you
 And think of how you died.
 To think that you could not say good-bye
 Before you closed your eyes.
 In heaven, dear mother, I'll find you
 When God's great will is done
 I'll stand once more beside you
 When he calls for me to come.
 Sadly missed by daughter Ruth and son-in-law Maurice.

FEMALE HELP WANTED

Newspaper Work IS Very Interesting!

The Guardian and Patriot Want Ad Department has an immediate opening for another young woman, preferably 20 to 25 years of age.

This is an interesting, creative work in which there is never a dull moment. You will be kept constantly busy selling Classified Advertising and assisting in office-type clerical duties relating to these advertisements.

The type of person we are seeking to fill this position is a young woman with some sales and organizational ability. A strong woman, desirous of learning some particular work for a future career, or a local resident married woman with a real purpose in working, whose family and homemaking duties will not interfere with her being employed full time, are the ideal applicants.

The requirements are neat appearance, good character, initiative, a pleasant personality and excellent health. A legible hand, writing, plus ability in spelling, English construction in writing and mathematics are all essential to success in this department.

Previous sales experience in a store or specialty shop can be applied. TYPING IS USED in some phases of the work, so a Typist with the other necessary qualifications will be given preference.

A supervisor is available at present to train the chosen applicant, and an immediate application for the position is requested.

Further details will be discussed in a personal interview and interviews will be by appointment only.

Telephone calls accepted from 10:30 A.M. til 12 and 3 til 4 P.M. Direct mail or calls to
