The Government of the Dominion of Canada has accepted the invitation of the Government of the United States to take part in the World's Columbian Exposition, to be held in Chicago from May 1st to 31st October, 1893.

It is important that a very full display of Canadian products be made on that occasion, a general invitation is extended to Canadian producers and manufacturers in agriculture, horticulture, products of forests, fisheries, minerals, machinery, manufactures, arts, etc., to assist in bringing together such a display of the natural resources and industrial products of Canada as will be a credit to the Dominion.

An Executive Commissioner for Canada has been appointed, who will have the general charge of the exhibits and the arrangement of space, and the several Provincial Governments have been invited to cooperate with the view of making the exhibition as complete and satisfactory as possible.

The Dominion Government will pay the transport of exhibits going and returning, and for the placing of articles sent.

Entries must be made not later than 31st July. The receipt of articles at the Exhibition buildings will commence 1st November, 1892, and all exhibits, excepting Live Stock, must be in place by 1st April, 1893.

FRANK C. MORAN.

"I Itched Intensely!"

A TERRIBLE SKIN DISEASE

Of Eight Years' Standing

"PERFECTLY CURED"

BY

SKODA'S Ointment and Lotion.

LEWISTOWN, MONTREAL.

GENTS:—I wish to inform the suffering from you that SKODA'S GERMAN OINTMENT and SKODA'S DISCOVERY will cure the worst skin disease to be found.

This cure is not only safe, but it is a true statement of my own case, will convince the most skeptical.

For some eight years I have had a terrible skin disease from which I have suffered most of my life. I have tried Physicians of repute and about all the so-called "skin cures," but the result was failure.

My body was covered with white scales, it itched intensely, and when I would rub or scratch I would crack open so badly that they would bleed freely. My scalp was so that I could not comb my hair, and had to keep it clipped close to my head.

I have now used a half dozen bottles of SKODA'S DISCOVERY and about eight ounces of SKODA'S COLD CURE. My skin is soft as an infant's. Instead of tormenting I have sweet sleep at night, and a good head of hair.

FRANK C. MORAN.

Guarantee with Every 6 Bottles.

SKODA'S OINTMENT, the Great German Skin Cure and Finest Cosmetic made in 3 ounce tubes. Price 50c. Try a tube.
