

# Lighting On Campus

There have been a number of complaints at the U.P.E.I. campus regarding the poor lighting facilities. The main question is whether or not these complaints are valid ones. According to security officer, John McEntee, they are not. Mr. McEntee feels that many students purposely choose the badly lit areas (such as cutting across the fields) instead of sticking to the walkway, which has lights. It is hard to put lighting in the fields. Areas on the campus which have received complaints in a recent letter to the Editor are 'the back of Memorial Hall, between Duffy and the Chapel, and the areas at the front of Main Building.' There are also complaints that the lights are hidden by the branches of the trees.

During the past week, an effort has been put forth to better the lighting system. Many of the lights have been repaired as well as replacing broken bulbs. Mr. McEntee feels that the main problem is that students do not use the proper walkway. He does not think that there is a problem with a lack of lighting in the campus. It is also hard to put more lighting around the parking areas.

A meeting will be held between security officer Mr. J. MacLeod, the electricians at the University, and the president of the student union regarding the lighting on campus. No definite date has been set as yet.

ALTHOUGH HE ALWAYS TRIED TO FIT IN, MEL WAS CONSTANTLY LABELED THE 'BLACK SHEET' OF THE FAMILY.

## U.P.E.I. BOOKSTORE SPECIAL

NEW DESIGN  
ROYAL BLUE
