Ayer's Cherry Pectoral.

Is a soothing expectorant, prepared to meet the urgent need of a safe and reliable cure for diseases of the throat and lungs. A trial of many years has established the fact, that it is more efficacious in pulmonary affections, than any other remedy. Its efficacy has now become generally known, that it is justly regarded in many countries as a medicine of indispensable necessity.

This health-restorer accomplishes even more by prevention than cure. If taken in season, it heals all irritations of the throat and lungs, whether arising from Colds or Coughs, or from other causes, and thus prevents that long train of painful and incurable diseases, which would arise from the neglect of them.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass. and sold by all Druggists and dealers in medicine everywhere. W. R. WATSON, General Agent for P. E. Island. Jan. 9-2m

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers, her

Soothing Syrup,

For Children Teething, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS. Depend upon it, mothers, it will give rest to yourself, and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over thirty years, and can say with confidence and truth of it, which we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and moral virtues. We speak in this matter "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in THOUSANDS OF CASES.

It not only relieves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC and overcome convulsions, which, if not speedily remedied end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by druggists throughout the world. Principal Office, No. 48 Dey Street, New York. Price, only 35 cents per Bottle. Oct. 6, 1866. ly

For Bronchitis, Asthma, Catarrh, Consumptive and Throat Diseases, Troches are used with always good success.

The Troches are recommended and prescribed by Physicians, and have had testimonials from eminent men throughout the country. Being an article of true merit, and having proved their efficacy by a test of many years, each year finds them in new localities in various parts of the world, and the Troches are universally pronounced better than other articles.
