

Saints Defeat Primroses 5-3

Gerald Murphy Leads Attack With Two Goals And Assist

St. Dunstan's University dropped Montague Primroses 5-3 in a fast and at times rough Island Senior Hockey League game at the Sports Arena last night.

The victory moved the Saints ahead of Basileia Youth Club into third place and by virtue of the loss Primroses sank deeper into the cellar.

Defenceman Gerald Murphy scored twice for the Saints and assisted on another and also spilled a little blood for the collegians when he and Phil MacGee tangled in the second period.

Both of Murphy's tallies were unassisted. The first coming in the second period tied the score at 3-3 and his last in the third gave the Saints a 5-3 lead. Gaston Roy, Jack MacDonald and Johnny Whelan got the other goals for Saints.

Coach Bobby Dowling sniped two markers for the Primroses and MacGee got the other to open the scoring in the first period.

MAJOR BLOWUP

The major blowup of the game, that was featured by two misconducts and a major penalty all to the Primroses came in the second period when MacGee and Murphy tangled in the St. Dunstan's corner. Before either could throw any blows MacGee swung his stick and caught Murphy across the left ear. The ear was split open and oozed blood but the two went at it and rolled around on the ice for a while before the referees got them separated. Murphy drew a minor for roughing and MacGee was sent off for 7 minutes on a roughing penalty and a major for drawing blood.

After several stitches in the split ear Murphy was back to play great hockey for Saints.

Dick Carroll and Stu MacLure drew the misconducts at 19:59 of the final period for some unmanly conduct.

In all 14 penalties were handed out, eight going to Montague.

SAINTS TAKE LEAD

Saints took the lead at 3:50 of the first when Jack MacDonald sped in from the left side after picking up Miner MacDonald's pass and beat Dillon cleanly on a backhand. MacGee tied it up for Montague 59 seconds later when he tipped in Flick Landry's drive and the period ended at 1-1.

The Primroses went ahead 2-1 at 2:23 of the second when Dowling deflected Merle Longphigh's ankle high drive behind Shepherd but at 6:48 Whelan made it 2-2 by backhanding Murphy's pass behind Dillon. Montague went one up again when Dowling drilled a low shot by Shepherd from about 20 feet out but before the period end-

ed the Saints tied it up and went in front 4-3 as Murphy hit with a high shot on the short side after an end-to-end rush and Roy sent Saints in front for keeps as 18:40 while both teams were playing a man short.

Murphy got the final goal of the game at 13:40 of the third when his waist-high shot deflected into the net off a Montague player.

CHATTER... The league executive were sitting in on the stick swinging incident and it is understood that they will take some action on it in the next few days. One of the year's poorer crowds sat in on the game. ... It was a really fast game, especially in the third period it was wide open. ... Earl Shepherd and Bob Dillon had to be on their toes throughout the game and both came through with some terrific saves. ... Not many of the fans knew that two misconduct penalties had been passed out. ... They came at the 19:59 mark and were unannounced. ... The lineup is already forming for that Parkdale and B.Y.C. clash Thursday. ... Saints visit Civic Stadium Friday night. ... Saints played without Buck Davey and Joe Mahar. ... Davey injured his knee against St. Thomas and it still bothers him. ... Mahar is out with a sore back.

Pineau-Whitlock A-Buzzin'

With the canny brain of one Buck Whitlock directing and the youthful legs of Merrill Pineau doing a large share of the carrying the Basileia Youth Club are presently running roughshod over all Island Hockey League opposition.

The defeat of Summerside Aces at Civic Stadium Monday night marked the fourth consecutive win for the youth club and it isn't just a coincidence that the streak started just two games after Whitlock joined the team. In that four game span B.Y.C. have thumped Aces twice, trimmed Parkdale 10-3 and took a close decision over S.D.U. The previous two games were lost to the Flyers and Primroses.

Since signing a playing card with Jack Ready's team Buck has added the twines nine times and helped his teammates on 20 other efforts and now with 29 points in official statistics Whitlock is altogether well up with the leaders and together with his youthful left-winger should make things more interesting in the scoring race in which Orin Carver has been doing a terrific job of running away with since the league opened.

Pineau shot by Orin Monday night with a five-goal performance to run his goal scoring total to 29 which is tops in the league - 3 better than Carver. Pineau is scoring goals at an astonishing rate and it seems as if the loop' teams are going to have to provide him with a little more attention if they are to halt the youth club.

Parkdale Flyers will get the first chance at doing some-thing about this deadly Pineau-Whitlock one-two punch at the B.Y.C. tomorrow night at the Sports Arena when the two teams meet in their fourth and final game of the season before playoff time. We would say to predict a crowd of say 1500 as the attendance would be a conservative estimate for the rivalry between these teams both this year and last year has been terrific. Parkdale holds a 2-1

Experts Saying Race Boiling Down To Wings & Canadiens

By DAVE DILES

DETROIT (AP) — The experts say the National Hockey League race is boiling down to a two-team dogfight between Montreal Canadiens and Detroit Red Wings.

If it's true, Detroit coach Jim Skinner says it'll be the Detroit club the extra push needed to reclaim the NHL title, which they relinquished to Montreal last year after seven consecutive championships.

"I think we have better depth—perhaps not on defence now but certainly on an over-all basis—than any of the other clubs," Skinner said Tuesday.

Skinner, whose Wings now trail the first-place Canadiens by just one game, is slightly pessimistic on just one point. Said the Detroit coach:

"We have a handful of youngsters who need to mature. They're not concentrating enough on fundamental hockey. Instead, they come up here with big ideas about guys like Gordie Howe and Ted Lindsay and then try to imitate them. It just doesn't work. Guys like Howe and Lindsay don't come along in hockey very often."

NOT CONSISTENT

The youngsters are three Bills—Dea, McNeill, Dineen—and John "The Beast" Bucyk.

These young players, Skinner believes, could give the Detroit club the extra push needed to reclaim the NHL title, which they relinquished to Montreal last year after seven consecutive championships.

"All we have to do is get them to settle down," said Skinner. "If they're great and then they go into slumps." We don't expect them to be sensational—just consistent."

Bucyk, 21, spent most of the 1955-56 season with the Wings as a utility forward. McNeill, who will be 21 on Saturday, and the 23-year-old Dea are in their first big league season. Dineen, though just 24, is in his fourth season with the Detroit club, having made the jump directly from junior hockey to the NHL.

Boston Bruins Buy Donald Simmons From Springfield

BOSTON (AP)—Boston Bruins of the National Hockey League Tuesday night announced the purchase of goalie Donald Simmons from the Springfield club of the American League.

Rookie goalie Norm Defelice, recently brought up to replace veteran Terry Sawchuk, defenceman Jack Bionda and an unnamed player were sent to Springfield in the deal, the Bruins said.

The Bruins retained an option to repurchase Bionda.

The 25-year-old Simmons from Port Colborne, Ont., will report to the Bruins today.

Sawchuk quit the team recently because of nerves but both the club and Terry have left the door open for his return.

The team has gone winless in its last five games and had a 0-2-1 record with Defelice in the nets.

General Manager Lynn Patrick said he disliked having to give up Bionda but it was just a case of having to give up something to get what he wanted.

"I think he (Simmons) is one of the most promising young goaltenders in hockey," Patrick said.

Four Rinks Undefeated After First Day Of Main Section

Four rinks remained undefeated after first day's play yesterday in the Main Section of the Confederation Bouspiel for the M.C.A. Trophy at the Charlottetown Curling Club.

Play also opened for the W.W. Wellner Trophy and the R.T. Holman Ltd. Trophy.

Undefeated rinks were skipped by Frank Acorn, Frank Hansen, Dr. L.E. Prowse, and Wendall Worth.

Play continues for all trophies today.

All in all 19 rinks opened the main section competitions yesterday and many close matches featured the play.

The Clifford MacDonald rink lost in an extra-end match to the Wendall Worth foursome in an exciting nightcap match. It was the second extra-end match for the MacDonald rink. In the afternoon they squeezed by the Doug Cameron rink after a close, nip and tuck battle.

Besides the three already mentioned other competitors in the main section are B.A. Oil, Prowse Bros. and Wholesale Grocers. All will be completed Thursday night and the main section will be capped by the play for four television sets.

Friday and Saturday will be devoted to mixed curling in four competitions.

Montreal Canadiens Scout Pays Visit To Summerside

Louis Passador, chief scout of the Montreal Canadiens chain, and last year coach of the Junior Canadiens, paid a visit to Summerside yesterday, the guest of Mr. Herb Schurman. Mr. Passador looked over the hockey talent among the juveniles and midgets at the Civic Stadium last night. He spends his time from September to the first week in May travelling about the country in an endeavour to spot hockey talent for the Canadian chain.

He says the first essential for a young hockey player is speed. He must know how to skate, and if he doesn't know this naturally, you can't teach him. He cited the case of Bert Olmstead of the Canadiens who is a very poor skater but who manages to make it by being a big strong fellow and by working very hard at his job. Mr. Passador says a young player must also have what is called "Hockey Brains." When a promising prospect is secured, he is sent to one of the Canadian farm clubs, but his education is not neglected. He continues to go to school at the expense of the Montreal Canadian organization.

Commenting on Forbie Kennedy whom he coached, Passador said that the Charlottetown boy was absolutely fearless, a strong skater and forechecker. In Passador's opinion he wouldn't make a high scoring star, but he had enough other abilities to stay in the N.H.L. for quite a while.
