Complete New Rail Line To Ungava

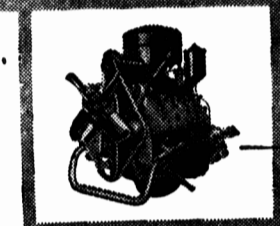

QUEBEC, (CP) — Premier Duplessis announced Wednesday completion of the 360-mile railway under construction for two years to link Sept Iles, on the St. Lawrence River north shore, and iron ore developments in the Ungava interior.

Mr. Duplessis said in the legislative assembly he had received word in a telegram that the \$126,000,000 railway had been completed recently.

Iron Ore Company of Canada which holds a lease on 300 square miles of territory on the Quebec-Newfoundland-Labrador boundary is scheduled to begin mining operations this year.
