Prizes Awarded At Souris RHS

SOURIS — The problem of school dropouts was outlined by Souris Regional High School Principal Albert Fogarty at a school graduation exercises here Friday evening.

He said the school will offer a general course next term as an aid to dealing with the problem, and the services of a guidance counsellor and a librarian will be available part-time to the school.

Addressing the graduates was Education Minister L.G. Dewar, who said education was the greatest challenge faced by people today.

Shirley Battersby gave the valedictory. Premier W.R. Shaw also spoke briefly, and presented prizes to the following grade 12 students:

GOV-GEN. MEDAL
Governor-General's Medal, Mildred Ching, Little Harbor; prizes for highest aggregate in grade 12 and for highest in literature, French, Latin and geometry, Mildred Ching.

Second highest in grade 12 and highest in history, biology and chemistry, Shirley Battersby, Souris.

Highest in stenographic division, grade 12, commercial course, Sherron Peters, St. Charles.

Highest in clerical division, Anne Marie White, Rollo Bay.

Highest in algebra and physics, To m y White, Souris West.

Constant and sustained effort throughout the year, Mary Paquet, Souris.

Home economics, Claudia Richards, Souris; physical education, Eugene E. MacDonald, Souris.

Showing most improvement during the year, Catherine Harris, Elmira.

Contributing most to extra-curricular activities while achieving high academic standing, Terry Clinton, Souris River.

Stewart MacAulay of the school board presented prizes to the following students in grades nine, 10 and 11:

Grade 11 — 1. Barbara MacAulay, Souris Line Road; 2. Thomas Ryan, Rock Barra; 3. Anne White, Souris.

Grade 10 — 1. James MacPhee, Chepstow; 2. Barbara Dixon, East Baltic; 3. Sandra Hazelton, Souris.

Grade nine — 1. Sherry Peters, St. Charles; 2. Mary Alberta Harris, Elmira; 3. Shirley Acona, Souris.

Students showing most improvement — grade 11, Claude Gallant, Souris West; grade 10, Bernadette MacDonald, North Lake; grade nine, Norma Lapierre, Red Point.

Students of the remedial class showing most progress through the year: Gail MacDonald, Redwell; Kevin Chaisson, Bear River.

Students of the remedial class showing most progress through the year: Gail MacDonald, Redwell; Kevin Chaisson, Bear River.

Intoxication Ruled Out In Death On Highway

John D. MacDonald, 44, Glenfinnan, died as the result of injuries received in an accident involving Gerald Leonard Smith, 17, of Johnston's River. The accident occurred on the south side of the highway near Fullerton Marsh and the deceased was pronounced dead on arrival at the Charlottetown at approximately 12 o'clock on the night of June 3.

This was the finding of a coroner's jury at an inquest held at City Hall last night.

The inquest was conducted by Dr. F.A. MacMillan, a coroner for Queens County who called 12 witnesses.

Dr. John Craig, provincial pathologist, performed an autopsy approximately eight hours after death and his report showed multiple laceration of the face, knees and left hand as well as fractures of the face, breast and skull bones. There were multiple injuries of the head and chest with an alcohol content of 0.2 milligrams per milliliter, which is practically nil, he said.

Called AMBULANCE
Francis Lawrence Dalton, 30, Fort Augustus, stated he came upon the accident scene as he was proceeding home on the night of June 3 at approximately midnight. He said he checked the victim who showed no signs of consciousness before calling an ambulance from a nearby farm house. Mr. Dalton stated he recalled no sign of alcohol from either victim.

G. James McCabe, 27, Iona, who appeared upon the scene of the accident shortly after, said he heard young Smith say his ankle was caught. "The victim could not walk so we got him out and went to assist Mr. MacDonald," said the witness. Mr. McCabe further stated that there was no sign of alcohol.

Both Sharron Roberta McNally of Johnston's River, and Walter Joseph White of Donau, stated that they saw Leonard Smith at the dance in Mt. Ryan on the night in question and there was no sign of alcohol from him.

Michael Brendon Robison, 26, of Charlottetown told the jury that he served the deceased a double and a single scotch on the night of June 3, in his capacity as bartender at a club in Charlottetown.

Mr. MacDonald showed no signs of alcohol intoxication, said Mr. Robison.

SYSTEM WORKED
F. Jarvis Murphy, 40, of Charlottetown, said he was a service station attendant and stated that he checked both the brake and steering systems of the 1956 model Mercury car which was driven by young Smith and both systems were working properly.

W. Walter Burnes, 62, of Charlottetown, operator of a service station, said he towed the MacDonald vehicle, a 1963 model Studebaker from the scene of the accident on June 4 and examined the brake linings of the car which were about half worn. He said he had trouble inspecting the steering as the system was damaged and the

steering column was badly twisted.

Claude MacKay, 34, a machinist and photographer in Charlottetown, said he was asked by the RCMP to take pictures of the accident scene shortly after midnight, June 3. The photos were later processed by a member of the RCMP in Charlottetown.

Constable Arnold H. Bennett, 25, a member of the RCMP stationed at Charlottetown, stated he patrolled to the accident scene about 11:45, June 3, and estimated the accident to have occurred 300 feet from Fullerton's Bridge on the town side. It was raining and the pavement was wet. The speed limit in this area is 55 and 60 mph, said the constable, who commented that the visibility was good. "Drivers of both vehicles were unconscious lying on the ground. I could get no response from either person," he said. "There were no signs that either victim had been drinking, and no alcohol was found in either car," said the officer.

DEAD ON ARRIVAL
Dr. C. A. Coady, Charlottetown, said he examined Mr. MacDonald at the city hospital and he was dead on arrival. The deceased had extensive injuries but there was no sign of alcohol.

The doctor went on to say that he examined Mr. Smith who was conscious but not easily aroused. He had lacerations on the forehead, knees and his left ankle was swollen, which when later x-rayed proved to be fractured. The doctor said he couldn't be sure that he smelled alcohol from Smith.

Gerald Leonard Smith, 17, Johnston's River, said he was at a dance in Mt. Ryan on the night in question but said he remembered nothing of the accident details. He said he could recall leaving the dance to go to Charlottetown and later waking up in the hospital about 4:30 next morning. When asked about 55 or 60 and faster usually drove, the witness said, about 55 or 60 and faster occasionally.

He said he could have been doing over 55 but couldn't remember.

The jury then deliberated for 50 minutes before returning with their findings.

Members of the jury were: William Russell Outton, Merton Leigh Crabbe, Merrill Heath Wiggington, Robert Lamont Adams, J. Alfred Larier, Joseph Donald Gillis and Stewart Cecil Walkin.

Anaesthetists To Hear Papers

Doctors from Montreal, Quebec City, Kingston and Saskatoon delivered papers yesterday afternoon in the first scientific session of the Canadian Anaesthetists' Society's annual meeting here in Confederation Centre.

Participating were Dr. M. Wyant and Dr. D.L. Zoerb, Saskatoon; Dr. E. Wynands and Dr. M. Burfoot, Montreal; Dr. B. Paradis, Quebec City, and Dr. S.L. Vandewater, Kingston.

The over 100 delegates to the convention at the Charlottetown Hotel attended a reception last evening given by Canadian Laidig Air, one of 20 companies that have displays set up in the Memorial Hall.

This morning papers will be given by Dr. T.J. McCaughey, Winnipeg; Dr. R.E. Creighton, Dr. J.S. Whalen and Dr. A.W. Conn, Toronto; Dr. A.E. Johnston, Toronto; Dr. A. Galindo and Dr. G.F. Brindle, Montreal; Dr. J.W.R. McIntyre, Edmonton; and Dr. E.A. Moffit, Dr. F. T. Molar and Dr. J.W. Kirkin, Rochester, Minn.

Chairman for this morning's session is Dr. D.F. McAlpine, Regina, vice president of the organization.

This evening delegates and their wives will attend a ball at Government House.

The meeting ends Friday.

Mr. Hellyer said: "I regret most sincerely it will not be possible for a ship to be made available."

Acting Mayor Key expressed the disappointment of the council and said invitations had been sent to the owners of the Blue-noise and to the RCMP to have a cutter in port for the annual celebrations.

FOUNTAIN DISCUSSED
Councillor Johnston said following the property report that the fountain erected as a centennial project last year has not been very satisfactory.

Acting Mayor Key suggested that the council meet with the contractors following an inspection of the fountain. There is a one-year guarantee.

Following the finance report, Councillor Perry asked if the names of the tardy tax payers would be published earlier this year. She was told that the list can be published any time after June 30 and was published in October last year.

Acting Mayor Key said that he did not think it would be published much earlier this year. It was not the wish of the town to cause any hardship on the home budgets of its citizens.

MEASURE PEAK
WASHINGTON (AP)—Mount Kennedy, the remote peak in Western Canada named in honor of the United States' assassinated president, is 13,086 feet higher. The coast and geologic survey announced this Monday after completion of a joint U.S.-Canadian survey by six Americans and two Canadians.

Cabinet Meet Planned Today In Montague

The weekly meeting of Premier Walter R. Shaw and his cabinet will take place in Montague today.

Two weeks ago the cabinet visited parts of Prince County and held a meeting at Tyne Valley.

Following the meeting, which is to be held at Montague's Regional High School beginning at 10 a.m., the group will tour parts of Kings County, visiting fish packing plants in the Murray Harbor and Murray River area.

Some of the places to be visited are Langley Fruit Packers, Montague; Graham's fish plant, Gaspereaux; Fraser's fish plant at Murray Harbor and plants in the Murray River area.

It is also possible that the cabinet will visit the Federal Dairying Company at Belle River.

EASTERN BRIEFS

CONVALESCING
Mrs. Sterling MacLeod of Dundas, who has been a patient in the Kings County Hospital at Montague, is convalescing at the home of her sister, Mrs. Jeanette MacDonald, Murray River.

REPTILES WIN FRIENDS
Snakes, toads and turtles, unpopular though seldom dangerous, now have friends in the Canadian Amphibian and Reptile Conservation Society.

WIRING A HOME?
It is sure to specify "RED SEAL" ELECTRIC SERVICE LEAGUE OF P. E. I.

HALIFAX (CP) — The weather office says Greenwood, N.S. has a new record high for the first day of summer with a temperature of 90 degrees, breaking the old record of 89 degrees, breaking the old record of 88 set in 1854. Truro was 86, which also broke a record for the date of 83, set in 1896. A high of 86 at Sydney was the warmest June 21st since 1904. Showers and thundershowers were moving into New Brunswick late Monday evening. These will spread gradually into the other two provinces during the night and early this ('Tuesday') morning, but clearing skies are forecast after the showers pass. Wednesday is expected to be cloudy with showers.

Regional forecasts:
Valley, Northern Nova Scotia, Prince Edward Island, Eastern New Brunswick counties: cloudy with showers and a chance of a thunderstorm tonight, clearing late this morning. Much cooler today, winds southwesterly 15, shifting about noon to westerly 25 and diminishing in the evening to light. Low-high at Kentville 55 and 78, New Glasgow 55 and 73, Charlottetown 55 and 70, Moncton 55 and 70. Outlook for Wednesday, cloudy with showers, warm.

High tide today at Charlottetown at 1:22 a.m. and 11:32 p.m. Summerside tide eighteen minutes later than Charlottetown. Sun rises today at 5:44 a.m. and sets at 8:45 p.m. All times ADT.

LOCAL BRIEFS

NO BIDDERS
No one bid at the mortgage sale of the Shoreacres Motel at Meadowbank, which was called by the mortgages T. Milton Brehaut and Mildred Olive Brehaut.

PASSED MUSIC EXAM
The name of Glenda Neill of Northampton, who obtained passing standing in grade eight examinations of the Royal Conservatory of Music held here recently, was omitted in the list published in Monday's Guardian.

INJURES FOOT
Mrs. Constance Ford, manager of the Sandwich Shop, Queen Street, received a painful foot injury as the result of an accident at work recently. She is now convalescing at her home, 257 Euston Street, having been a patient in the Prince Edward Island Hospital for several days.

and request was interrupted by a member of the Charlottetown Police Force who quietly told the coroner he was urgently needed at the Charlottetown Hospital.
