FOREIGN EXCHANGE CONTROL BOARD

IMPORTANT NOTICE

As announced by the Minister of Finance, a Foreign Exchange Control Board has been established by Order in Council under authority of the War Measures Act.

The following are the main provisions of the Order:

1. Any resident of Canada having in his possession, ownership or control, any foreign exchange, bills of exchange, or any other forms of foreign exchange, having a total value of more than $1,000., must declare such foreign exchange to the Board forthwith. Forms for this purpose can be obtained from authorized dealers, that is, from Canadian branches of chartered banks. Any foreign exchange acquired subsequently is to be sold to an authorized dealer.

2. In addition, any resident of Canada having in his possession, ownership or control any bonds, debentures and similar securities not payable exclusively in Canadian dollars, and shares in a Company whose head office is outside Canada, having a total value of more than $1,000., must declare them to the Board forthwith. Forms for this purpose may also be obtained from any authorized dealer.

3. No person shall buy or sell or deal in foreign exchange except through the medium of authorized dealers at rates to be announced by the Board, or through the Post Office which has been appointed a special agent of the Board to sell foreign exchange for small amounts.

4. No resident may transfer any Canadian dollars to a non-resident, in excess of $100. in any month, without first obtaining a permit to do so through an authorized dealer.

5. No exports or imports of any kind, including shipments of currency, securities and foreign exchange by mail or parcel post, may be made without a licence. Licences for the export of goods and for the import of goods, currency, and securities will be issued by Customs officers. The Board is under no obligation, however, to sell foreign exchange for payment for property imported. Licences for the export of currency, securities and any other property except goods, may be issued only by authorized dealers. Articles to be sent out of Canada through the mails should be taken direct to a post office; otherwise they will be subject to seizure in the absence of evidence that a licence has been obtained or that the shipment is exempt from licence, as the case may be.

6 Special provision has been made to avoid inconvenience to visitors from the United States or abroad. They may bring into or take out of Canada, without licence, their automobiles, personal effects, and in addition, other goods to a value not exceeding $100. in any month. They may also take out of Canada any amount of money not greater than the amount brought in, provided that, if the amount to be taken out is more than $100., they should have obtained a certificate of the amount brought in from the Collector of Customs at the point of entry.

7. Provision has also been made for ordinary transactions of the Canadian public, e.g.

(a) Travellers may take out of or bring back to Canada their automobiles, personal effects, and in addition money not in excess of $100. in any month without licence.

(b) Any person may import, in any manner, goods to a value not exceeding $100. in any month without licence.

(c) Any person may, without licence, export by mail or parcel post gifts up to a value of $25. in any month.

(d) Any person may purchase, through an authorized dealer or the post office, foreign exchange not exceeding $100. in any month without a permit.

SPECIAL NOTICE TO EXPORTERS

1. Under the Order no person shall export any goods or other property from Canada except under and in accordance with the terms of a licence granted by the Board.

2. Licences for Export of Goods have been established as follows:

(a) General Licence: An exporter of goods doing a regular export business of such nature that it would be difficult to obtain a Particular Licence in advance of each export may apply direct to the Foreign Exchange Control Board, Ottawa, for a General Licence on Form A.

(b) Declaration of Goods Exported under General Licence: Form B, must be completed by the exporter after each export of goods under a General Licence, and submitted to a Collector of Customs and Excise.

(c) Particular Licence: Any exporter not holding a General Licence must, in respect of each exportation of goods, apply for a Particular Licence in Form B through a Collector of Customs and submit it to the Collector of Customs at the port of export.

3. Where no foreign exchange is to be received for an export, the exporter must, whether holding a General Licence or not, obtain a permit on Form D, through an authorized dealer in advance of exportation.

4. Licences for Export of Property other than Goods: Any person desiring to export currency, securities or other evidences of ownership or indebtedness must apply for a licence on Form K in advance of export, except in the case of the export of foreign exchange or Canadian currency for travel purposes when Form H must be used. In both cases the application must be made through an authorized dealer.

5. No licence or permit is required for the following exports:

(a) Goods or other property accepted for export by a transportation agency prior to the date on which the Order came into force.

(b) Travellers' samples.

(c) Goods taken out of Canada by and with a non-resident to a value not exceeding $100. in any month.

(f) Canadian currency and foreign exchange not exceeding $100. by any person in any calendar month.

(g) Any non-resident may take with him on leaving Canada Canadian currency or foreign exchange not exceeding the amount brought into Canada by such non-resident when entering Canada.

6. Disposal of Foreign Exchange: It is a condition of every licence to export that the proceeds in foreign exchange shall be declared and offered for sale to the Board through an authorized dealer as soon as it is obtained; for which purpose Form C must be used.

7. Exports by Mail or Parcel Post: Licences and permits are required for exports by mail or parcel post. In the case of exports of goods, application for a licence in Form B must be submitted to the Postmaster at the time of mailing. In the case of other property, a licence in Form K must be obtained in advance from an authorized dealer and surrendered to the Postmaster. A permit in Form D must also be obtained in advance in the circumstances mentioned in Paragraph 3 above.

8. Exports to Newfoundland: All the requirements mentioned above apply except that in the case of an exportation of goods to Newfoundland from which no foreign exchange is to be received no permit on Form D is necessary.

9. The forms referred to herein may be obtained from the Board in Ottawa, or as follows:
Forms A and B—from Collectors of Customs and Excise or authorized dealers.
Forms C, D, H, and K—from authorized dealers.
