Power Station Planned In N.B.

FREDERICTON (CP)—Chairman Daniel A. Riley of the

New Brunswick Electric Power Commission says a new hydro-electric generating station will be located near the mouth of the upper reaches of the Tobique River.

Mr. Riley said in a statement the estimated cost of the development is \$1,400,000. Construction will begin next spring, with completion planned for September, 1965.

Plans call for a 13,000-horsepower turbine and a 15,400-horsepower generator. The turbine will utilize stored water to provide power at times of maximum system load in winter.

Final preliminary surveys have been completed at the site 70 miles up stream from where the Tobique flows into the St. John River.

Politicians Are Rounded Up In Aden Bombing Incident

ADEN (AP)—Politicians and labor leaders suspected of ties with Yemen's revolutionary regime have been rounded up in a hunt for perpetrators of a bombing at Aden Airport.

Police declined to say whether any of those jailed were suspected of involvement in Tuesday's bomb blast at the airport, which killed a woman and injured 38, including British high commissioner Sir Kennedy Trevelyan.

Among those reported arrested was Abdullah Alinsag, leader of the People's Socialist party. The party supports Yemen's claims to parts of Aden, a member of the British-occupied Federation of South Arabia.

The border with neighboring Yemen was sealed and all plane flights to or from that country were barred. Trucks from Yemen were reported being stopped and turned back at frontier roadblocks.

U.S. Defence Cut To Hit Civilians

WASHINGTON (AP)—A U.S. congressman has revealed that Defence Secretary McNamara intends to close more than 30 military installations in 16 states, eliminating 75,000 civilian jobs.

The report came from Representative Alexander Pirnie (Rep. N.Y.), a member of the House of Representatives armed services committee.

Pirnie's office said the news came to him at a special meeting of the congressional delegation from New York Wednesday.

The high commissioner, other British officials and federation cabinet members were preparing to take a plane to London when the bomb exploded. They were to discuss the question of elections next year for Aden's state legislature.
