SUMMERSIDE and CHARLOTTETOWN

BELLEVEILLE, Ont., Feb. 13 (CP)—Two men today were fined \$20,000 and costs each for conspiracy to defraud in an income tax evasion case involving \$56,000. Edward S. James of Belleville and Roy Taylor of Madoc, Ont., officials of the Canada Talc Company, pleaded guilty yesterday to conspiring to defraud the Federal Government of \$56,499 between 1940 and 1947.

MANCHESTER, Feb. 13—(Reuters)—Visibility was cut to five yards in some industrial areas in North England today when a thick fog blanketed the area.

SINGAPORE, Feb. 13—(Reuters)—Bombardier John Stewart of Scotland today was found guilty of murdering a Chinese-Indian waitress and was sentenced to be hanged. Stewart, 26-year-old jungle fighter, shot the waitress with a sten gun at an amusement park Oct. 18.

Around The Armouries

We learn that Lt. Col. A.W. Rogers, officer commanding the F. E. L. Regiment will be absent for a couple of weeks. Col. Al is taking off for Rivers, Manitoba, where he will sit in on a special Land-Air Warfare course. It is a senior officers course and the Recce colonel will be gone from his unit for a couple of weeks.

During his absence the monthly C. O.'s inspection will come up this Sunday and reports at present have it being taken by Maj. Earl K. Kennedy at the Armouries this Sunday afternoon.

The Sigs have one significant change this week in the naming of Sgt. A.W. (Art) Wellner, of the Orderly Room, to be staff sergeant. There will be a lot of the boys waiting to 'wet' that crown, Art. Congratulations.

Sgmn. J.J. Condon has been S. O. S. the unit and T.O.S. with show Cpl. F.J.A. MacDonald appointed to be acting sergeant as was Sgmn. J.H. Morris and Sgmn. R.W. Hudson promoted to acting corporal.

Two other members of the Signals unit have returned to duty following a term on course at Halifax. They are Sgt. Lou McMurrer and Cpl. J.H. Gallant who were taking the G.M.T. course at Halifax for the past week.

One familiar figure in local jeeps will be missing as Cpl. Butts has departed for Fredericton, N.B. His place here has been taken by Cpl. Tony Van Der Pluigm who came from the New Brunswick capital as driver-mechanic. Cpl. Tony is married and has arrived with his wife and two children — a boy and a girl. He is living at present in a cottage at Brighton Shore.

Lieut. K.D. Landrigan, one of the more popular young officers, is away at present. He left yesterday morning for Halifax for documentation prior to proceeding to Shilo, Manitoba, where he will be employed in Headquarters duties at the Royal Canadian School of Artillery.

B.S.M. Carl R. Prowse had a snappy comeback this week. He was asked why the Arty boys wore a white lanyard and the new recruit was told that it was to choke gunners who talk back to sergeant majors.

Nice to see Sgt. Joe Peters back again after a siege in the hospital. The genial N.C.O. from the orderly room was greatly missed by his host of friends.

The cribbage tournament in the N.C.O.'s Mess is proceeding — albeit somewhat slowly. Winners to date include the partnership combinations of Fardy and Gallant, Smith and Storey, Schleyer and Cameron, Douse and Arseneault and McAskill and Small. The second round will begin this weekend and it is expected that the ultimate winners will be named shortly. Some of the bitterest battles of the series are expected before the electric alarm clocks are finally awarded.

C Squadron in Summerside held a pre Lenten party last week with cards and bingo being the order of the day. We understand that Trooper Gallant walked away with the main prizes. But the rest of the boys had a top evening and enjoyed their games and refreshments.

The Recce Regiment seems to have a stranglehold on first place in the Garrison Hockey League. Unbeaten so far they scuttled the Navy last week. The league is rapidly developing some really good players and takes second place in speed and ability only to the Big 4 Islanders.

From away back comes another vet to show the youngsters what service to country means. He is Sgt. Pete LeClair who has joined the Recce as Troop Sergeant of No. 1 Troop which is commanded by Lieut. Benny Peters. Sgt. LeClair, well qualified in his rank, served with the fighting Cape Breton Highlanders in the last scrap. He knows about it all about and is a welcome addition to his new unit.

An officers school is being conducted every Thursday at the Compound for the officers of the Recce Regiment. It is being conducted by Capt. Vern MacDonald, M.C., and is designed to qualify the students

Site Selected For Hockey Hall of Fame

KINGSTON, Ont., Feb. 14—(CP)—A site has been selected for the International Hockey Hall of Fame and construction of the \$100,000 shrine will start this year, it was announced yesterday.

The building will be put up in downtown Central Kingston and will face out over the harbor at the eastern end of Lake Ontario.

The land, about 90 feet in width and 180 feet in depth, has been donated by the Frontenac County Council. It is near the century-old county court house and adjacent to Kingston's historic cricket field.

Announcement was made at the annual meeting of members of the Hall of Fame committee here.

At the meeting, Police Chief J.T. Trausch of Kingston was added to the Board of Directors and Kerr Petrie, New York Times hockey writer, to the Board of Governors.

Decision to build the Hockey Hall of Fame in Kingston was reached several years ago after a lengthy campaign in which this Eastern Ontario city and Halifax emerged as the chief claimants to the title of birthplace of hockey.

A statement issued after the meeting here said that the County Council has turned over the deed for the land, which has the approval of Clarence Campbell, president of the National Hockey League, as a site for the shrine.

It was decided to have building plans completed by this spring and to start building before the year's end.

The building would have about 45 feet frontage and between 80 and 90 feet depth. It would be two storeys, housing pictures of players elected to the Hall of Fame and hockey mementos.

Twenty-nine hockey immortals have thus far been elected.

for higher rank. Oddly enough most of the students qualified on the field of battle. But this is a so-called peacetime and they must qualify again.

Promotions are always recorded with pleasure and one which gives this column no less a thrill than it does the recipient is that of Lieut. George D. MacRae to be captain and assistant adjutant in the P. E. I. Regiment. One of the nicest boys to meet and discuss Army doings Capt. MacRae will be thoroughly welcomed by senior officers. But that extra 'pip' may take a bit of wetting, George.

We hear vague reports that some of the boys are putting on a spot of extra weight. At least one, Lieut. Pete Ford, was in the Stores the other day looking for a size 40 uniform. We can remember when a 32 was a good fit. How do you do it, Pete, with the price of food so high nowadays?

The boys in Kensington who want to get 'into the act' will have to turn a bit more snow aside the next time. Last week the Recce Band went there for a special recruiting drive skate but the rotten weather kept too many at home. A new troop in that centre would be a real addition to Recce and we have an idea that Capt. Casey would not object to it.

We sometimes wonder when people object to paying extra taxes for national defence purposes. The wonderment is caused by the actions of boys like Sgt. M.G. Cheverie of Souris.

Just last weekend Sgt. Cheverie wanted to attend the weekly parade of his regiment in Charlottetown. Unfortunately he was a bit late and missed the bus taking the troop into the city. But that did not stop him. He dug into his own pocket for \$10 and hired a taxi to bring him here in time. It is gesture which should be suitably rewarded. Perhaps there are no medals for peacetime service, but it would seem that something "beyond the call of ordinary duty" should be recognized. And we refuse to mention a remark that maybe he should be demoted for missing the bus.

NEW YORK, Feb. 14—(AP)—If welterweight champion Ray Robinson wins the middleweight crown from Jake LaMotta in Chicago tonight, the welterweight championship will be declared "vacant" in New York. Eddie Egan, chairman of the New York State Athletic Commission, said today.

TRAINING FOR LEADERSHIP

The Canadian Services Colleges Are Now Receiving Applications

The Canadian Services Colleges (Royal Military College and Royal Roads) provide education of university standard with military training that emphasizes academic proficiency, character building, personality and physical development. It is a combination which helps develop valuable qualities of inner discipline and leadership.

The Colleges provide a four-year course of University standard in Arts and Engineering.

Sports play a large role in the activities at Canadian Services Colleges, including intercollegiate competition.

Graduates qualify for a commission in the Active or Reserve Forces of the Royal Canadian Navy, Canadian Army or Royal Canadian Air Force.

APPLICATIONS for the term commencing September, 1951, are now being received. Candidates must have passed examinations generally acceptable for entry to science faculties of Canadian Universities; have reached their sixteenth but not their twentieth birthday on the first of January preceding entrance. Naval applicants, except in the case of candidates from French classical colleges, must not have reached their nineteenth birthday on the first of January.

For full details apply to:
