This storage chest is used as a head piece for a box spring with legs and may be made to fit any bed of the general type. It takes up less than twelve inches at the head of the bed yet the space inside is so skillfully arranged with removable linen trays and two big blanket bins, lots of storage space is provided. The front drops down to allow access to the inside without disturbing things on top. A real time and labor saver. The two chests of drawers are easy week-end furniture builder projects as all pieces are square cuts made with a hand saw. The patterns are each 24 hours. In Memoriam

ALEXANDER S. MACKAY

Many friends were deeply grieved to learn of the passing of Alexander S. Mackay in the Prince Edward Island Hospital on Sunday morning, March 27th in his 64th year. The deceased, son of the late Hugh S. Mackay and Barbara Mackay was born at New London, and in 1912 he married Miss Cordelia Pickering of Clinton. With their bounteous hospitality, together they built an ideal home, where all classes and creeds were welcome. Although he had been in failing health for the past several years, he bore his weakness and sufferings with true Christian fortitude, and always had a cheerful word of greeting for his many friends who visited him in his home and in the hospital. He was a man of strictest integrity and honor; faithfulness and service being the dominant keynote of his character. His was a life of complete unselfishness, with an innate nobility of soul that found expression in deeds of love and kindness to all with whom he came in contact. It may truly be said that he went about doing good, serving God and his fellow-man to the very best of his ability.

Besides his devoted wife, he leaves to mourn his passing two sisters, Christy Bell, Mrs. Goss, New London, and Margaret Janet, Mrs. Clarence Austin, Lawrence, Mass.; two nephews, Hugh and Leslie Goss, a niece, Barbara Wickins, other relatives and a host of friends.

The funeral under the direction of Joseph L. Davison, Kensington, was held from his late residence Tuesday afternoon, March 29th, at 2 o'clock and was largely attended. His pastor, Rev. B. R. Haslam, B. D., conducted the service and was assisted by Dr. William Briggs, who made his home there when a student minister on the Margate Charge, and still regards it as his second home, now minister of St. Andrew's United Church, Saint John, N. B. He spoke words of comfort and paid fitting tribute to one who had been a vital part in a happy Christian home, and in the church, for which he so gladly and willingly gave of his time and energy to erect, Hymns sung were "Alas, and Did my Saviour Bleed" and "Peace, Perfect Peace." The members of Prince Edward Lodge No. 14 A.F. and A.M. led by Past Master Ernest Dunning of Long River, then held an impressive service, and later at the grave.

The beautiful floral tributes bore silent testimony of the love and respect of his relatives and friends. The flower-bearers were Messrs. Clark Harding, George McKay, Lloyd Ramsay, William McEwen, Arthur Proffitt and Ivan Pickering.

The pallbearers were Messrs. Rutherford Cotton, Harold Mayhew, Ian Henderson, Ray McLeod, John McLeod and James M. Campbell. Interment was in

How to KEEP FIT after 50

In the old days fifty seemed the signal to slow down—take things easy—watch your diet—get more rest. It's still good advice. But these days you can face fifty with many interesting and active years ahead—active, that is, if you can avoid backache and the "fired-out" feeling, due to kidney and bladder disorders, that often develop around age 50. For more than 60 years Dodd's Kidney Pills have been helping men and women of all ages to keep kidneys and bladder in good order, helping them to feel better, to work better, and get more fun out of life. If you are approaching fifty, or past it, Dodd's Kidney Pills may help you, too. You can depend on Dodd's. 24

Double Header At Kensington

The Springfield Royals edged out the Spring Valley Hockey Team by the score of 5-4 in a rugged game in the second game of a double header in the Kensington rink on Friday evening. Temperatures flared on several occasions; finally MacKenzie and Sinclair tangled and for a short time the ice was covered with gloves, sticks, etc.

Springfield goals were scored by Watson, Mann, and MacCarville, while the Spring Valley goals were scored by George Riley, Keith Sudsbury, Clarence Gallant and Alfred Brennan.

The game was capably refereed by Alton Bell. On Friday evening, April 8th, a short handed, but determined Baltic team showed too much drive and stick handling ability for the Springfield Royals as they defeated the winners of the Farmers League by a score of 10-6 in the Kensington rink.

Springfield started out fast and jumped into a 2-0 lead early in the first period, however the lead was short lived as the Ranger forwards led by their tricky centre man David MacKenzie found their stride.

Baltic's top line of D. MacKenzie, Reuben Wall, Harry Wall, counted for 7 goals. The Royals best combination was that of Ellsworth Mann, Elmer Birt and Frank McCarville which counted for four goals.

D. MacKenzie as well as playing a great force-checking game led all scorers with three goals, other Rangers goals were scored by Harry Wall, 2, Reuben Wall, 2, Clarence Gallant, 2, and George Riley, 1.

Springfield were scored by Elmer Birt, 2, Freddie Bridges, 2, and Ellsworth Mann, 2. Sixteen year old Allie Rogers played a great game in the Baltic nets as he turned aside many shots from the goal hungry Springfield team.

The game was cleanly played with only one penalty being called, which went to Springfield for having too many players on the ice at one time. The referees were: Messrs. Leaman Coles and Francis Watson.

LINEUPS:

Baltic: Goal, A. Rogers; defence, G. Riley, Reuben Wall; forwards, Harry Wall, D. MacKenzie, and C. Gallant, J. Davison, L. Sudsbury, and N. Morrison.

Springfield: Goal, V. Caseley; defence, Cummings, E. Sinclair, MacEntee, L. Bell; forwards, Watson, Mann, Burt, MacCarville, Thibeau, Bridges, MacLean, and Barlow.

KITCHENER, Ont. (CP)—A Canadian medical missionary to Nigeria said here Tuesday Nigerians do not contract appendicitis. Dr. Rose Bell of Stainer told a missionary convention Nigerians are susceptible to almost all other white man's diseases.

New London cemetery.

He is gone, but his memory will live long in the hearts of those who loved him best and visited him most.

When through our tears of sorrow we see a curtain fall, And know a dearly-loved one has gone beyond our call.

We must have faith and confidence in God and in His way. For He will raise the curtain on a fairer scene some day.

Card of Thanks

I wish to express my sincere thanks to Dr. Seaman, nurses and staff of the P. E. I. Hospital, for their kindness and excellent care of my late husband when a patient there, also to those who sent him cards and treats, to the many who visited him, and to all the kind neighbors and friends who did so much to help at the time of my bereavement.

Freetown Royals Score 12-2 Win

The Freetown Royals won a surprising 12-2 decision over the Springfield Juniors last Thursday; although the Royals did not have quite all their players in their lineup, the Mills boys and others not being present.

The game got under way at a fast clip with Freetown registering the first two goals. Ewan Sinclair then countered for Springfield to make the score read 2-1. The Springfield team then became slightly disorganized and Freetown, taking the advantage, scored eight goals without a reply.

B. Cotton in the Springfield net as he stopped approximately 49 pucks and two Freetown players from denting the twines.

The third period was a livelier affair as Springfield took on assistance from the Graham's Road Hockey Club in the persons of Wayne Champion and Lloyd Proffitt who gave a good account of themselves although not entering the scoring column.

Trouble threatened to break out in this period as a Freetown player looked B. Murray squarely in the face and both players lifted their sticks to shoulder height, they decided against battle, however, and hostilities ceased immediately.

Ewen Sinclair scored at the fifteen minute mark on a breakaway from his own blueline and cleanly beat the Freetown goalie much to the annoyance of G. Smith, the defenceman on whom the breakaway had been. Freetown scored two more to end the scoring.

The period closed as W. Champion nailed the boards after being tripped.

The Freetown team were ably assisted by Frederick Bridges while the Springfield team was also helped by V. Sudsbury, a noted Bantam player.

E. Burt was referee-in-chief.

It pays to use DITHANE

DITHANE yields more potatoes per acre—averages 49 bushels more than other fungicides. And more No. 1's to the acre!

It is a matter of record that DITHANE-protected vines increased yields by an average of 49 bushels to the acre—and produced more No. 1's than vines treated by other fungicides. In fact, recent studies showed yields of top-quality potatoes were as much as 30% greater with DITHANE. Vines stayed healthy and green for weeks longer, with no scapting or burning of the plants.

Potato growers have found by long experience, that DITHANE is the fungicide that can always be depended upon, under all conditions—for more No. 1's to the acre. That's why the most successful growers use DITHANE for the best protection all through the season.
